The authors would like to make the following corrections to the published paper [1]. The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected.

- Replacing text in Abstract to correct numbers and percentages on page 1.
- Replacing sentences in Materials and Methods, on pages 2–3.
- Replacing numbers in Results to correct the description of taxa, on page 3.
- Correcting names of species in Results, on page 3.
- Correcting names of species and references to figure panels in Results and Systematic List, on pages 3–9 and 11–14.
- Correcting figure legends in Figures 4, 6, 8–10, 14–16, 25, and 27–30 due to some mistakes, like names changed, misidentification, or order of the letters.
- Expanding text in Discussion, on page 44.
- Corrected species names and taxa numbers in Discussion, on pages 44–45.
- Added words in Conclusions, on page 45.
