

Appendix A

Analytical glenohumeral external rotation - Scapulothoracic – Protraction/Retraction

Intra-operator

Inter-operator

Combing hair - Scapulothoracic – lateral/medial rotation

Intra-operator

Inter-operator

Combing hair - Scapulothoracic – Protraction/Retraction

Intra-operator

Inter-operator

Combing hair - Scapulothoracic – Posterior/anterior tilt

Intra-operator

Inter-operator

- Difference
- Mean Difference
- Mean Diff. ± 2SD

Appendix A

Grabbing a seatbelt - Scapulothoracic – lateral/medial rotation

Intra-operator

Inter-operator

Grabbing a seatbelt - Scapulothoracic – Protraction/Retraction

Intra-operator

Inter-operator

Grabbing a seatbelt - Scapulothoracic – Posterior/anterior tilt

Intra-operator

Inter-operator

Placing a cup on an overhead shelf - Scapulothoracic – lateral/medial rotation

Intra-operator

Inter-operator

- ◆ Difference
- Mean Difference
- ▬ Mean Diff. ± 2SD

Appendix A

Placing a cup on an overhead shelf - Scapulothoracic – Protraction/Retraction

Intra-operator

Inter-operator

Placing a cup on an overhead shelf - Scapulothoracic – posterior/anterior tilt

Intra-operator

Inter-operator

Analytical glenohumeral external rotation - Glenohumeral – internal/external rotation

Intra-operator

Inter-operator

Combing hair - Glenohumeral – Abduction/adduction

Intra-operator

Inter-operator

- ◆ Difference
- Mean Difference
- Mean Diff. ± 2SD

Appendix A

Combing hair - Glenohumeral – Internal/External rotation

Intra-operator

Inter-operator

Combing hair - Glenohumeral – Flexion/extension

Intra-operator

Inter-operator

Grabbing a seatbelt - Glenohumeral – Abduction/adduction

Intra-operator

Inter-operator

Grabbing a seatbelt - Glenohumeral – internal/external rotation

Intra-operator

Inter-operator

- ◆ Difference
- Mean Difference
- Mean Diff. ± 2SD

Appendix A

Grabbing a seatbelt - Glenohumeral – Flexion-extension

Intra-operator

Inter-operator

Placing a cup on an overhead shelf - Glenohumeral – Abduction/adduction

Intra-operator

Inter-operator

Placing a cup on an overhead shelf - Glenohumeral – internal/external rotation

Intra-operator

Inter-operator

Placing a cup on an overhead shelf – Glenohumeral - Flexion-extension

Intra-operator

Inter-operator

- ◆ Difference
- Mean Difference
- Mean Diff. ± 2SD

Appendix A

Combing hair - Elbow – Flexion-extension

Intra-operator

Inter-operator

Grabbing a seatbelt - Elbow – Flexion-extension

Intra-operator

Inter-operator

Placing a cup on an overhead shelf – Elbow - Flexion-extension

Intra-operator

Inter-operator

- ◆ Difference
- Mean Difference
- Mean Diff. ± 2SD
