

Figure S1. Distribution curve of the streamflow dataset of the Zhidan watershed.

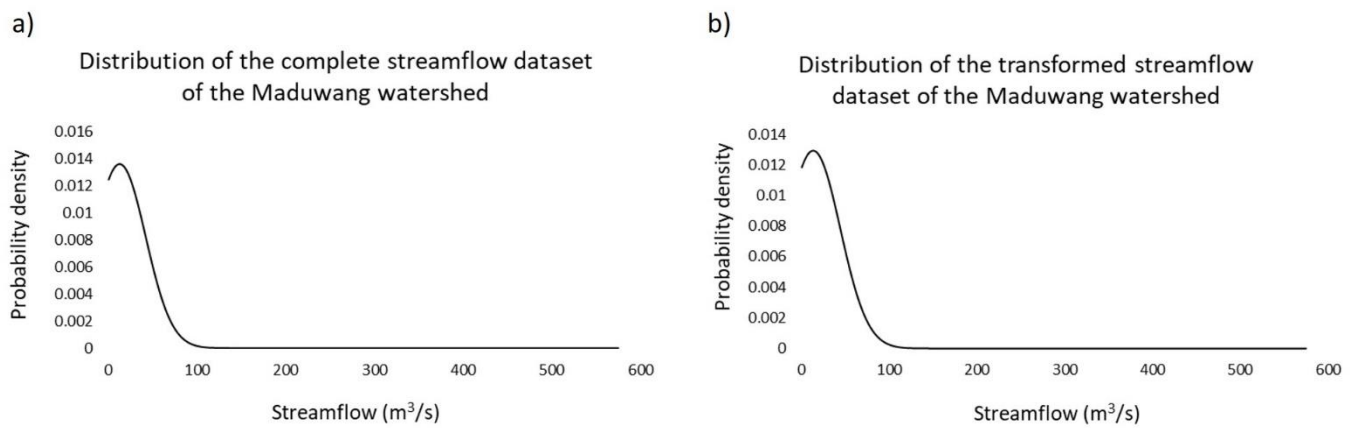

Figure S2. Distribution curve of the (a) complete and (b) transformed streamflow dataset of the Maduwang watershed.

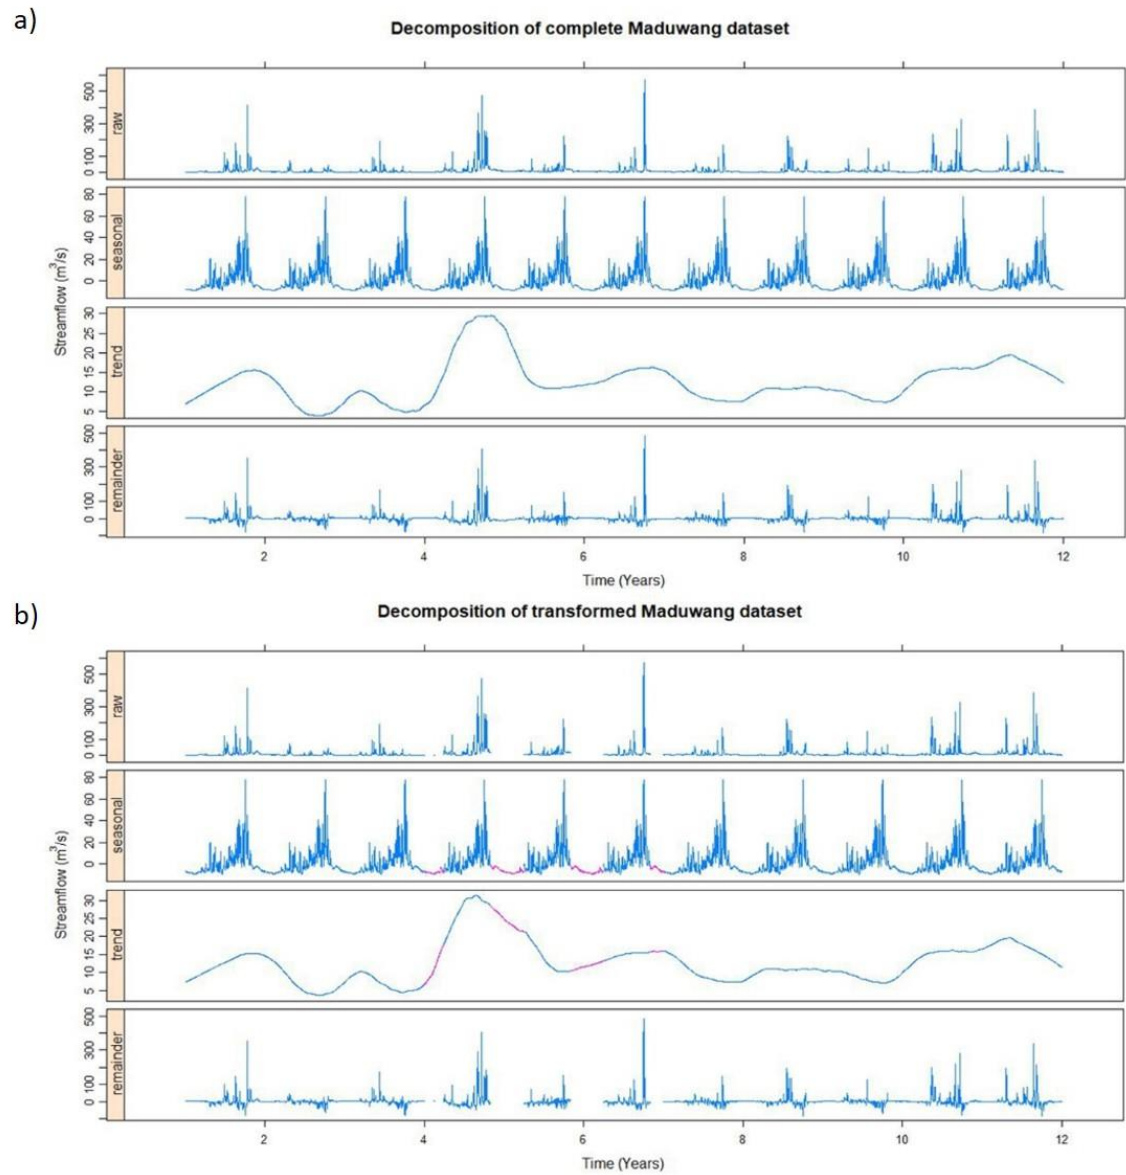

Figure S3. Time series decomposition of (a) complete and (b) transformed Maduwang dataset.

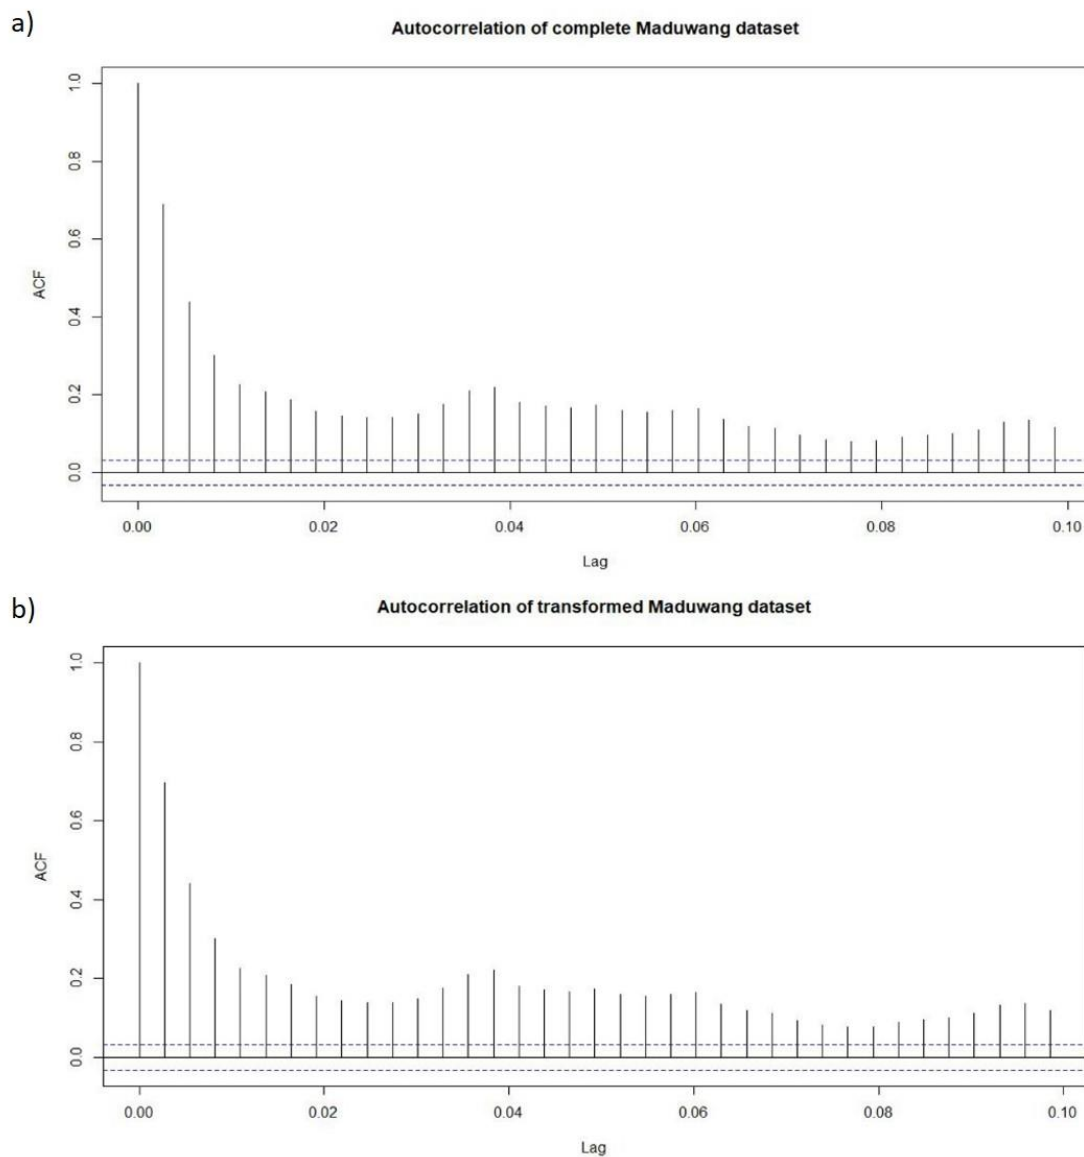

Figure S4. Autocorrelation of (a) complete and (b) transformed Maduwang dataset.

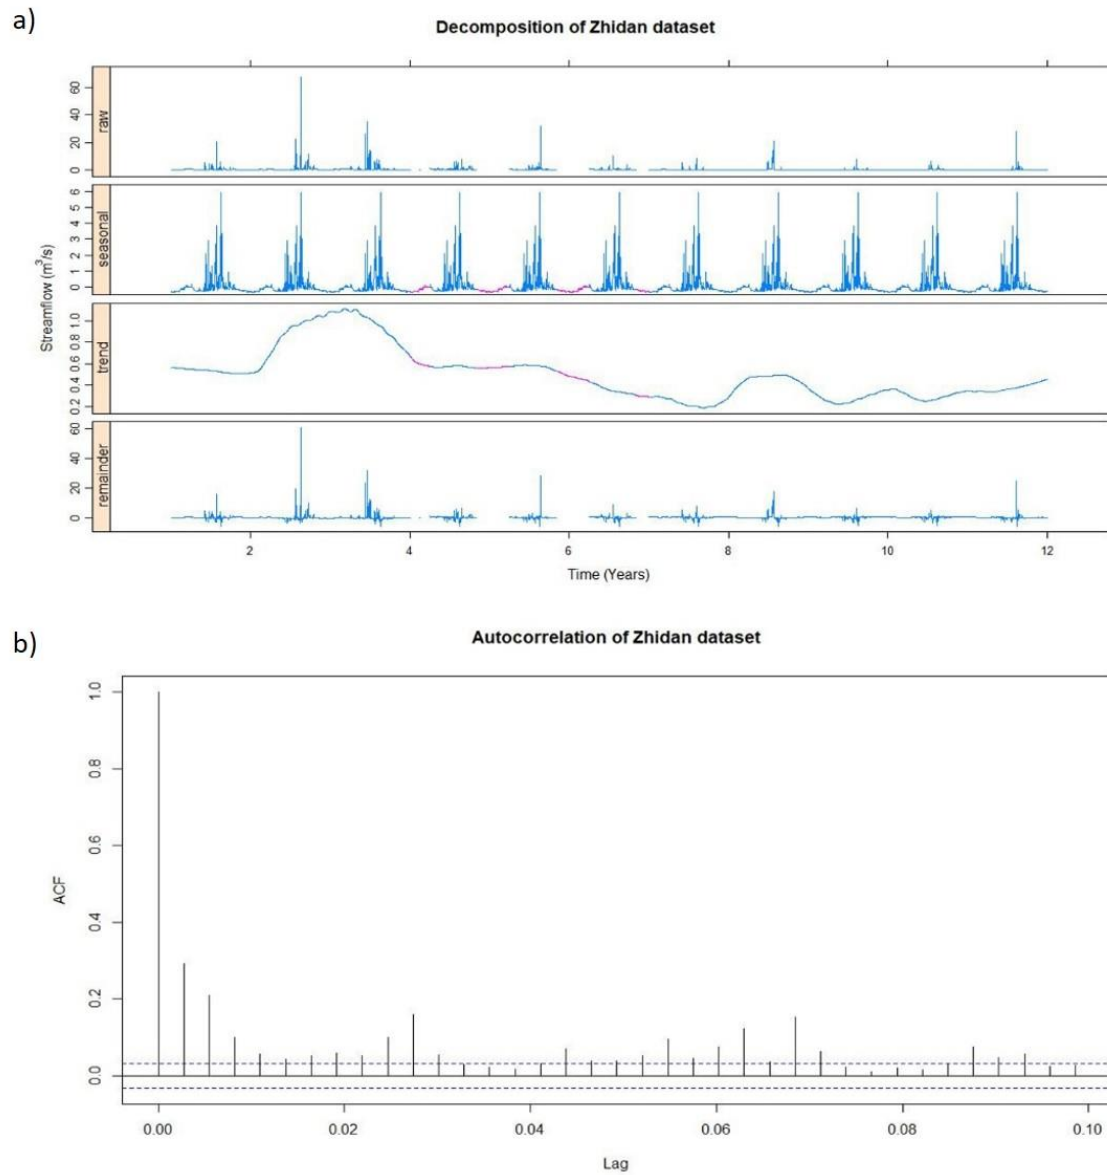

Figure S5. Results of (a) time series decomposition and (b) autocorrelation of the Zhidan dataset.
