

Supplementary Tables 1: search strategies used for academic databases

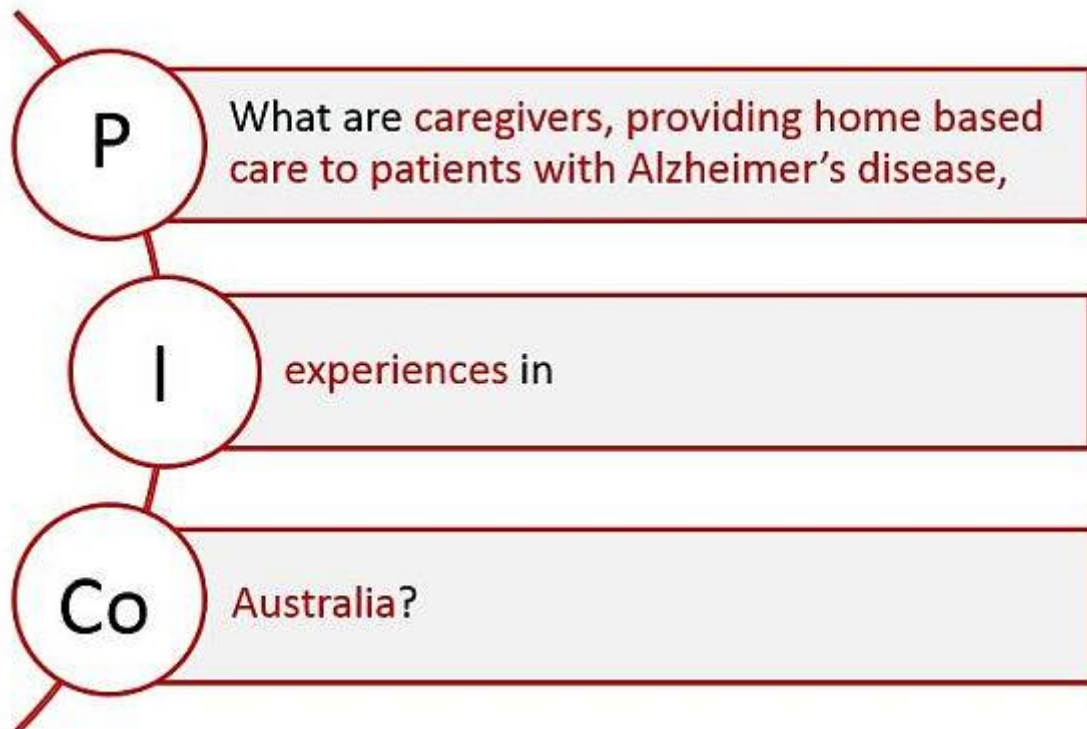

Information about the PICO used to inform the search strategy framework

<https://libguides.murdoch.edu.au/systematic/PICO>

PICO for Qualitative Studies

P	I	Co
Population or Problem	Interest	Context
What are the characteristics of the P opulation or the patient? What is the P roblem, condition or disease you are interested in?	I nterest relates to a defined event, activity, experience or process	C ontext is the setting or distinct characteristics

Here is an example of a clinical question that outlines the PICO components:
