

SUPPLEMENTARY FILE S2: EXCLUDED ARTICLES WITH REASONS

Reason for exclusion	References
Reports not retrieved	[1-13]
Occupational footwear not assessed (includes insoles)	[14-58]
Task performance or musculoskeletal injury risk not assessed	[59-124]
Not occupationally mandated footwear	[125-139]
Not peer-review	[140, 141]
Not published last 20 years	[142-166]
Not translatable	[167]
Not an occupational population	[168-210]
Study protocol	[211]
