

Supplementary Table S1. English version of B-DSMQ (Partly).

Guidance: Below is a list of words or phrases representing feelings, sensations, attitude, and values that people sometimes have. Please evaluate your current (or recent) life regarding psychological state from your point of view (Section 1) and assess the public's understanding of social life and social development from the perspective of the public (Section 2). Use the 6-Likert Scale below that best describes how much you have felt or experienced things this way. "1" means "very slightly or not at all", "6" means "extremely".
