## Text Correction

There was an error in the original publication [1]. The ethical code is missing from section Materials and Methods.

A correction has been made to Section 2.1. Participants, lines 12–14:

The ethical standards contained in the Declaration of Helsinki were followed in this study, and this study was approved by the ethics committee of the Polytechnic Institute of Viana do Castelo (IPVC-ESDL180417).

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
