Eval Questions & Demographics
(Page 2)

(From Page 1)

How **valuable** do you feel the following EVAP initiatives are in promoting an organizational culture within PRPS where paramedics feel **safe, supported**, and **empowered** in rejecting violence as just ‘part of the job’?

EVAP Initiative	1 – Not at all Valuable	2	3	4	5 – Extremely Valuable	I Can’t Say
Spit Hoods						
Soft Restraints						
Zero Tolerance Stickers in Ambulances						
SOP HS-19: Zero Tolerance for Violence from the Public Policy						
The External Violence Incident Report (EVIR)						
Address Hazard Flags Resulting from EVIRs						
Phase 1 of the Public Awareness Campaign						

(**Optionally**) Please use this space to provide us with any comments about the EVAP initiatives listed above. ([Free Text](#))

What is your gender? (Man/Woman/Gender Diverse Person/Prefer Not to Say)

What is your current employment classification? (Part-Time / Full-Time [Including Temporary Full-Time Contract])

What is your current certification level? (PCP / ACP)

Are you in leadership / supervisory role? (Acting Superintendent / Superintendent / No)

For how many years have you been working as a paramedic (in total, across all paramedic services)? ([Free Text](#))

Thank you for participating in this survey. Your feedback is important to the success of the EVAP program and helps keep paramedics in Peel Region safe.
