

Supplementary Materials: Exploring the Potential Effects and Mechanisms of *Asarum sieboldii* Radix Essential Oil for Treatment of Asthma

Jae Min Han, Mi Hye Kim, La Yoon Choi, Gyeongsang Kim, Woong Mo Yang

Figure S1. Identification of AEO using a GC-MS.

Figure S2. Morphological changes in cell structure and shape by incubation of PM₁₀ and AEO.

Figure S3. Cell viability of A549 cells by treating AEO at the concentrations of 10⁻⁶, 10⁻⁵ and 10⁻⁴ v/v(%).
