Data: Experts in Digitalization

1. Zero-Information elimination of 5 Propositions (data inputs) of CLA, thus N = 34 measurements of similarity by Estevey & Pereira's judgment of relating Propositions to Indicators/MCS
2. All proposals without link to a MC were eliminated: Collazzo P19, P21; Rios Cybercrime P32 (conditional merging of acts); Luciano Corruption P36 : Corruption reframes digital transformation; Diniz Improving design of digital currency P39
