The authors would like to make the following corrections to the published paper [1]. The changes are as follows:

(1) Replacing the original version on page 4 in Section 3.1:

There are currently a cumulative total of more than 100,000 students enrolled in the Xinjiang class and more than 34,800 at-school students in 93 senior high schools located across 45 cities throughout China (see Figure 1).

with

There are currently a cumulative total of more than 100,000 students enrolled in the Xinjiang class and more than 34,800 at-school students in 93 senior high schools located across 14 provinces and municipalities throughout China (see Figure 1).

(2) Replacing Figure 1:

Citation: Su, A.; He, W.; Huang, T.

Correction: Su et al. Sociocultural

Adaptation Profiles of Ethnic

Minority Senior High School

Students in Mainland China:

A Latent Class Analysis.
