

Before beginning the survey, please create a unique password that you will use to identify yourself. The password should be different than your actual name and email address. This will keep your answers anonymous and confidential. You will use this same password when you complete the survey again in the Spring semester. Please choose a password that will be easy for you to remember:

Enter your email address if you would like this password emailed to you for your records:

What is the name of your current residence hall, that is, where you have lived since the start of the fall semester?

Which of the following two statements represents your current residence hall experience?

- ☐ This academic year is the first time I am living in this residence hall. (1)
- ☐ I have lived in this residence hall before. (2)

Which of the following best describes your current room/roommate arrangement in your residence hall?

- ☐ Single room, no roommate (1)
- ☐ Double room, shared with one roommate (2)
- ☐ Triple+ room, shared with two roommates or more (3)
- ☐ Shared suite of rooms (4)
- ☐ Other (please specify): (5) _____

Which of the following best describes the bathroom (restroom/shower room) you use in your residence hall?

- ☐ Private bath in my room (1)
- ☐ Shared bath within a suite of rooms (2)
- ☐ Shared community bath with my hallway or floor (3)
- ☐ Other (please specify): (4) _____

Other than your residence hall, is there one particular campus building in which you spend most of your time (for an activity such as work, classes, or studying)?

- ☐ Yes (1)
- ☐ No (2)

How much do you agree or disagree with the following statements?

	Completely disagree (1)	Disagree (2)	Neutral (3)	Agree (4)	Completely agree (5)
The earth's climate is changing. (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Climate change is largely the result of human behaviors, which release carbon dioxide into the atmosphere. (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Climate change is the result of natural phenomena, not the product of human behaviors. (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I could explain the topic of climate change to someone who didn't know about it - what's causing it or not, its potential consequences, etc. (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

This set of questions will ask you about behaviors that use energy.

How often do you typically do the following behaviors?

[illegible]

Adjust my clothing to be comfortable indoors rather than adjust the thermostat (10)	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>
Take the stairs instead of the elevator (11)	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>

How much do you know about the following?

	Nothing (1)	A little (2)	A fair amount (3)	A lot (4)	I know more than most of my peers. (5)
Ways to use less energy in my residence hall (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Features in my residence hall that are intended to save energy (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
How the amount of energy I use in my daily life compares to that of the average college student (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If my residence hall is more or less energy efficient than other residence halls on campus (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

List up to 3 features of your residence hall that help to conserve energy or you can write "I don't know":

These questions will ask you about your behaviors concerning water usage...

How often do you typically do the following behaviors?

[illegible]

How much do you know about the following?

	Nothing (1)	A little (2)	A fair amount (3)	A lot (4)	I know more than most of my peers. (5)
Ways to use less water (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Features of my residence hall that use water efficiently (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
How the amount of water I use in my daily life compares to that of the average college student (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
If my residence hall uses water more or less efficiently than other residence halls on campus (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

List of up to 3 features of your residence hall that help to conserve water or you can write, "I don't know":

The next few questions are about materials and resources...

How often do you typically do the following behaviors?

[illegible]

How much do you know about the following?

	Nothing (1)	A little (2)	A fair amount (3)	A lot (4)	I know more than most of my peers. (5)
How to recycle larger items that cannot go into a recycling bin in my residence hall (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Which materials can be recycled on campus (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Which materials in my residence hall are made from recycled content, or renewable resources (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
How to compost on my campus (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

List up to the 3 features of your residence hall that are evidence of a conservation of material resources or you can write "I don't know":

The next few questions are going to ask you to think about things that are important to you and why you participate in the activities you do...

How important or unimportant is each of the following values as a guiding principle in your life? Provide your answer by sliding the icon along the scale provided:

- _____ Having an impact on people and events (1)
- _____ Being in harmony with other living species (2)
- _____ Working for the welfare of others (3)
- _____ Preserving nature (4)
- _____ Leading a group of people (5)
- _____ Caring for the weak (6)
- _____ Having the material possessions I choose (7)
- _____ Making sure everyone has equal opportunities (8)
- _____ Preventing pollution (9)
- _____ Working for peace in the world (10)
- _____ Having influence amongst my social group (11)
- _____ Making a high salary in my field (12)
- _____ Correcting injustices locally or abroad (13)
- _____ Fitting in with nature (14)
- _____ Protecting natural resources (15)

The following is a list of reasons people might participate in a variety of activities. How motivating would each of the following items be in getting you to participate in any activity? Provide your answer by sliding the icon along the scale provided:

- _____ Meet new people (1)
- _____ Spend time for a good purpose (2)
- _____ Learn new skills (3)
- _____ Feel good about myself (4)
- _____ Chance to be outdoors (5)
- _____ Try out a new product or gadget (6)
- _____ Help others do something important (7)
- _____ Find ways to avoid waste (8)
- _____ Contribute to my spirituality (9)
- _____ Learn about my surroundings (10)
- _____ Protect natural places from disappearing (11)
- _____ Have a story to tell people (12)
- _____ Chance to reflect (13)
- _____ Use the latest technology (14)
- _____ Do something that nobody else is doing (15)
- _____ Improve my outlook on life (16)
- _____ Make life more simple (17)
- _____ Discover new things I'm not yet competent at doing (18)
- _____ Influence how society solves problems (19)
- _____ Care for the land (20)
- _____ Chance to have a leadership role (21)
- _____ See familiar faces (22)
- _____ Help restore natural areas (23)
- _____ Do something that helps bring order to the world (24)
- _____ Opportunity to try something new (25)
- _____ Consume a minimum amount of resources (26)
- _____ Use something borrowed or second-hand rather than buying new (27)
- _____ Make the environment better for others (28)

Almost done! Just a few more questions...

How old are you?

Select your identified gender:

- ☐ Female (1)
- ☐ Male (2)
- ☐ Non-Binary (3)
- ☐ Other (please specify): (4) _____
- ☐ Decline to provide information (5)

In what year of your undergraduate degree are you?

- ☐ First-year (1)
- ☐ Second-year (2)
- ☐ Third-year (3)
- ☐ Fourth-year (4)
- ☐ Fifth-year (5)
- ☐ Other (please specify): (6) _____
- ☐ None of the above, I'm a graduate student. (7)

What is your major at this time?

Are you a U.S. student or an international student?

- ☐ U.S. Student (1)
- ☐ International Student (2)
