

# Acknowledgment to Reviewers of *Toxins* in 2020

*Toxins* Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland

Peer review is the driving force of journal development, and reviewers are gatekeepers who ensure that *Toxins* maintains its standards for the high quality of its published papers. Thanks to the cooperation of our reviewers, in 2020, the median time to first decision was 15.8 days and the median time to publication was 2.8 days. Among the reviewers who reviewed for *Toxins* in 2020, the following two have been selected to receive the “*Toxins* 2020 Outstanding Reviewer Awards” for the timeliness and quality of their review reports in 2020:

Antonets, Kirill S. from All-Russia Research Institute for Agricultural Microbiology (ARIAM) and St. Petersburg State University, Russia

Rico-Yuste, Alberto from Universidad Complutense de Madrid, Spain

The editors also express their sincere gratitude to the following reviewers for their precious time and dedication, regardless of whether the papers were finally published:
