

Enriched Pathways and genes with the highest weight in each pathway of Factor 1

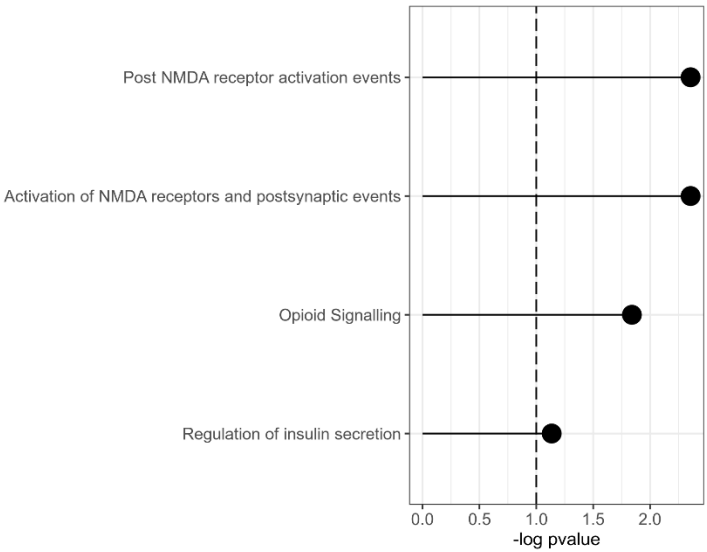

Enriched Pathways and genes with the highest weight in each pathway of Factor 2

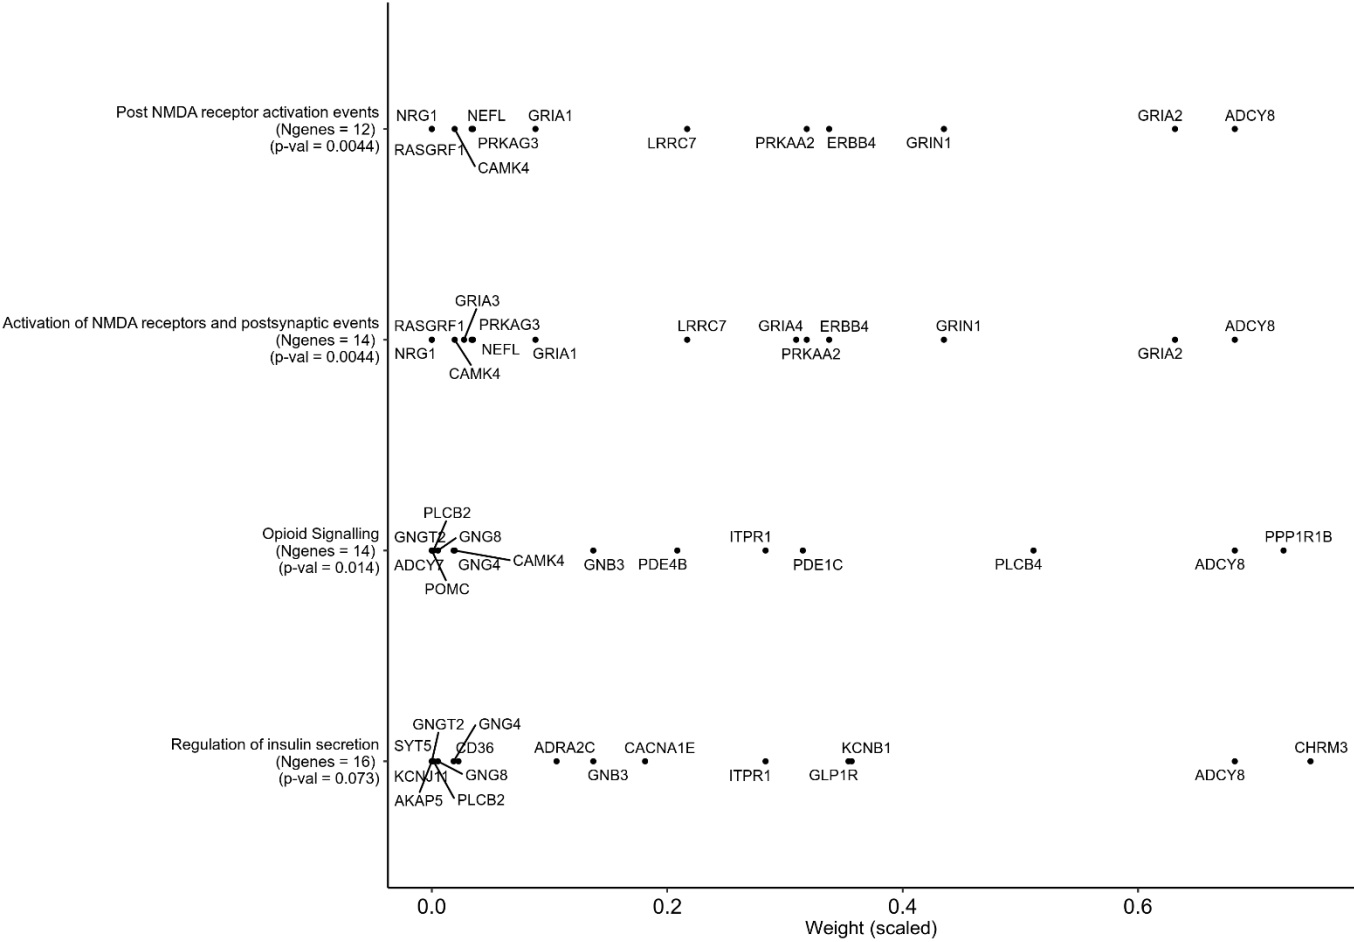

Top Genes of Enriched Pathways in Factor 2

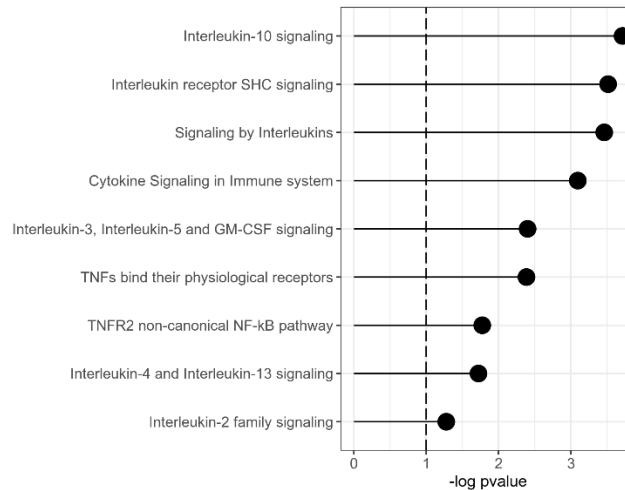

Enriched Pathways and genes with the highest weight in each pathway of Factor 3

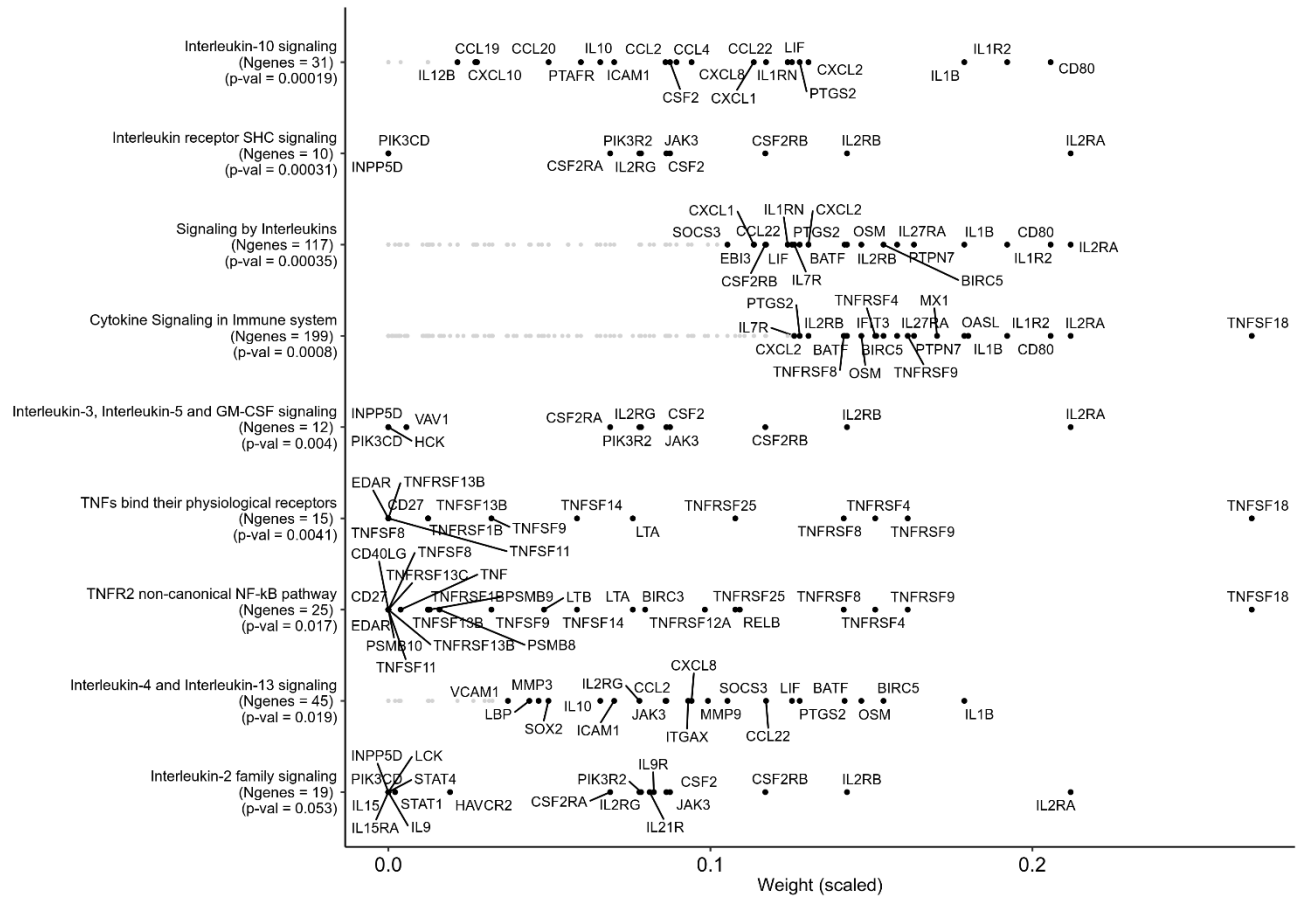

Top Genes of Enriched Pathways in Factor 3

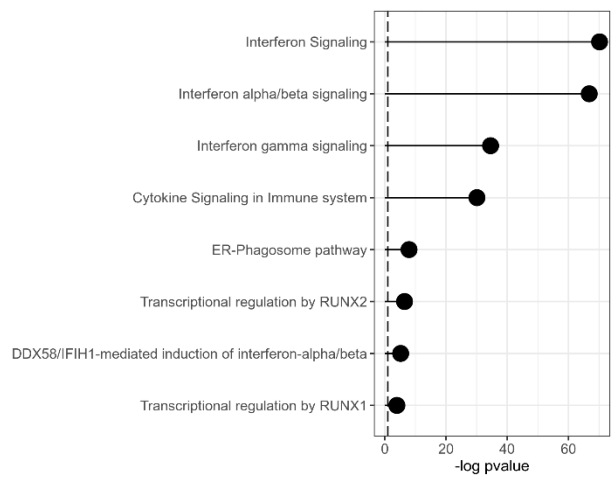

### Enriched Pathways and genes with the highest weight in each pathway of Factor 4

### Top Genes of Enriched Pathways in Factor 4

Enriched Pathways and genes with the highest weight in each pathway of Factor 5

Top Genes of Enriched Pathways in Factor 5
