

Acknowledgment to Reviewers of *Crystals* in 2021

Crystals Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland

Rigorous peer-reviews are the basis of high-quality academic publishing. Thanks to the great efforts of our reviewers, *Crystals* was able to maintain its standards for the high quality of its published papers. Thanks to the contribution of our reviewers, in 2021, the median time to first decision was 13 days, and the median time to publication was 31 days. The editors would like to extend their gratitude and recognition to the following reviewers for their precious time and dedication, regardless of whether the papers they reviewed were finally published:

Abad, Manuel David	Akutsu, Hiroki
Abate, Marco	Al-Ahmad, Alaa Yassin
