The authors would like to correct the acknowledgements of this article [1] as follows:

**Acknowledgments:** This research was supported by the National Natural Sciences Foundation of China (Number: 41271424 and 91025007), and Special Fund for Grains-Scientific Research in the Public Interest (Grant No. 201313009-2). We thank the HiWATER project for providing radiosonde data, and the MODIS data-processing group for atmospheric moisture profile data. We would also like to thank the anonymous reviewers whose useful comments improved the paper.

The authors would like to apologize for any inconvenience this may have caused to the readers.
