## Error in Affiliation

In the original publication [1], there was a mistake in Affiliation. The two affiliations in the original manuscript should be combined into one. The correct one appears below: “Geography Department, Research Institute of Local Development, Universitat de Valencia, 46025 Valencia, Spain”.

## Error in Figure Legend

There was a mistake in the Figure 1 legend for “Source: Own elaboration from [20] (p. 61)”. This figure is not self-drawn, but extracted from [20] (p. 61). The correct Figure 1 legend appears below:

**Figure 1.** Situations arising from the combination of different stocks of social capital and scenarios for development processes. Source: [20] (p. 61).

There was a mistake in the Figure 2 legend. A location map of three study areas was published. However, there are not three, but four areas of study. The correct Figure 2 legend appears below:

**Figure 2.** Location map of the four study areas.

## Funding Correction

In the original publication [1], the funder, the National Research Agency, Ministry of Science and Innovation, PID2020-11455RB-100, was not included. The complete reference, including the title of the project, read as follows:

**Funding:** This research was funded by the Ministry of Economy and Competitiveness, under the research projects “Social Capital and Territorial Development. Crisis, Resilience and Leadership in the new Rural Dynamics in Spain” (2013–2015) [Grant Number CSO2012-32792], “Personal Networks and Rural Territories: Spatial-Temporal Dynamics, Innovations and Social Support” (2016–2018) [Grant Number CSO2015-68215-R], and the National Research Agency, Ministry of Science and Innovation, under the project “Depopulation in Spain: from Demographic to Territorial Challenge” (2021–2025) [Grant Number PID2020-11455RB-100].

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
