The authors wish to make the following changes to their paper (Nahkur and Kutsar 2022). One reference is wrong in the reference list since there is only the name of the first author without the surname which should be the first part of the reference. This caused this reference to be displayed incorrectly in the main text also during the conversion process, and thus it need to be changed accordingly in order to be correctly referenced. The reference is currently:

Tamar, Sabine Andresen, Carme Montserrat, Dorota Strózik, and Tomasz Strózik. 2017. Family Structure and Family Relationship from the Child Well-being Perspective: Findings from Comparative Analysis. *Children and Youth Services Review* 80: 105–15.

It should be changed to:

Dinisman, Tamar, Sabine Andresen, Carme Montserrat, Dorota Strózik, and Tomasz Strózik. 2017. Family Structure and Family Relationship from the Child Well-being Perspective: Findings from Comparative Analysis. *Children and Youth Services Review* 80: 105–15.

This is due to that fact that Dinisman is Tamar's surname. Furthermore, all main text references in brackets should be changed accordingly, i.e., wherever there is Tamar et al. (2017), this should be changed to Dinisman et al. (2017).
