

Supplementary Figure S1: Flow diagram of recruitment scheme.

* These patients took part in the telephone interview, but declined to participate in the survey for various reasons, such as fatigue, limited physical capacity and/or the inability to write, especially when there was no one to help answer the questions.

** Either only the telephone interview was conducted, but the questionnaires sent by mail were not answered, or the questionnaires were returned, but only answered incompletely, so that no further conclusions could be drawn from them.
