

Supplementary Figure S1. Median CIT and ADR for individual endoscopists. CIT, cecal intubation time; ADR, adenoma detection rate.

Supplementary Figure S2. ADR according to individual endoscopists' CIT. * P -value<0.05. CIT, cecal intubation time; ADR, adenoma detection rate.

Supplementary Figure S3. AMR according to individual endoscopists' CIT. All P -values > 0.05 .

CIT, cecal intubation time; AMR, adenoma miss rate.
