The change of authorship was caused by a lack of communication between the listed authors and Louis Gabarra after some changes within the team.

Meanwhile, the Author Contributions should be:

Author Contributions: J.V.L. and B.G. conceived and designed the VRA add-on kit prototype; J.V.L. performed the test bench trials and analyzed the data; J.V.L. wrote the paper with support from A.B.S.; L.G. did the initial experiments and first prototype setup under the guidance of J.V.L.

The authors apologize for any inconvenience this may have caused.

The change does not affect the scientific results. The manuscript will be updated, and the original will remain online on the article webpage, with a reference to this erratum.

Conflicts of Interest: The authors declare no conflict of interest.
