The *Journal of Functional Biomaterials* Editorial Office have been made aware that some parts of the article [1] are duplicated from other publications [2–5].

MDPI is a member of the Committee on Publication Ethics and takes the responsibility to enforce strict ethical policies and standards very seriously. To ensure the addition of only high quality scientific works to the field of scholarly publication, Reference [1] is retracted and shall be marked accordingly. The article is retracted with the agreement of all authors. We apologize to the readership of *Journal of Functional Biomaterials* for any inconvenience caused.
