

CwPAMS and Focus Games are developing an educational board game to build awareness and inform healthcare professionals about Antimicrobial Stewardship. We would welcome your review of the questions to be used in the game. We are seeking broad comments about the content and accuracy of the answers within their context.

We are **not** asking you to check for spelling or grammar errors nor are we asking you to comment on the wording or layout of individual questions.

**We are seeking comments that the content is factually correct, and that the topics are appropriate.**

We would also welcome any suggestion on topics that could be included in the game.

We would appreciate returns by 13th May, absolute deadline 17<sup>th</sup> May 2021, email: [amr@commonwealthpharmacy.org](mailto:amr@commonwealthpharmacy.org)

## Questions and Comments review Antimicrobial Stewardship Game

**Name, including title:**

**Country:**

**Profession:**

**Role/Job Title:**

**Email address:**

**Please answer the following questions** (free text, no word limit):
