

Editorial

Acknowledgement to Reviewers of *Electronics* in 2018

Electronics Editorial Office

MDPI, St. Alban-Anlage 66, 4052 Basel, Switzerland

Published: 19 January 2019

Rigorous peer-review is the cornerstone of high-quality academic publishing. The editorial team greatly appreciates the reviewers who contributed their knowledge and expertise to the journal's editorial process over the past 12 months. In 2018, a total of 475 papers were published in the journal, with a median time to the first decision of 15 days and a median time to publication of 34 days. Among the reviewers who reviewed for *Electronics* in 2018, the following three have been selected to receive the "2018 *Electronics* Outstanding Reviewer Award" for the timeliness and quality of their review reports in 2018:

Emanuele Torti, University of Pavia, Italy
Javier Roldán Pérez, IMDEA Energy Institute, Spain
Poongundran Selvaprabhu, Chonbuk National University, Korea

The editors also express their sincere gratitude to all of the following reviewers who shared their time and expert opinion by reviewing for *Electronics* in 2018:
