

Untargeted: Liver PC1 loading plot for Top20 from max/min values

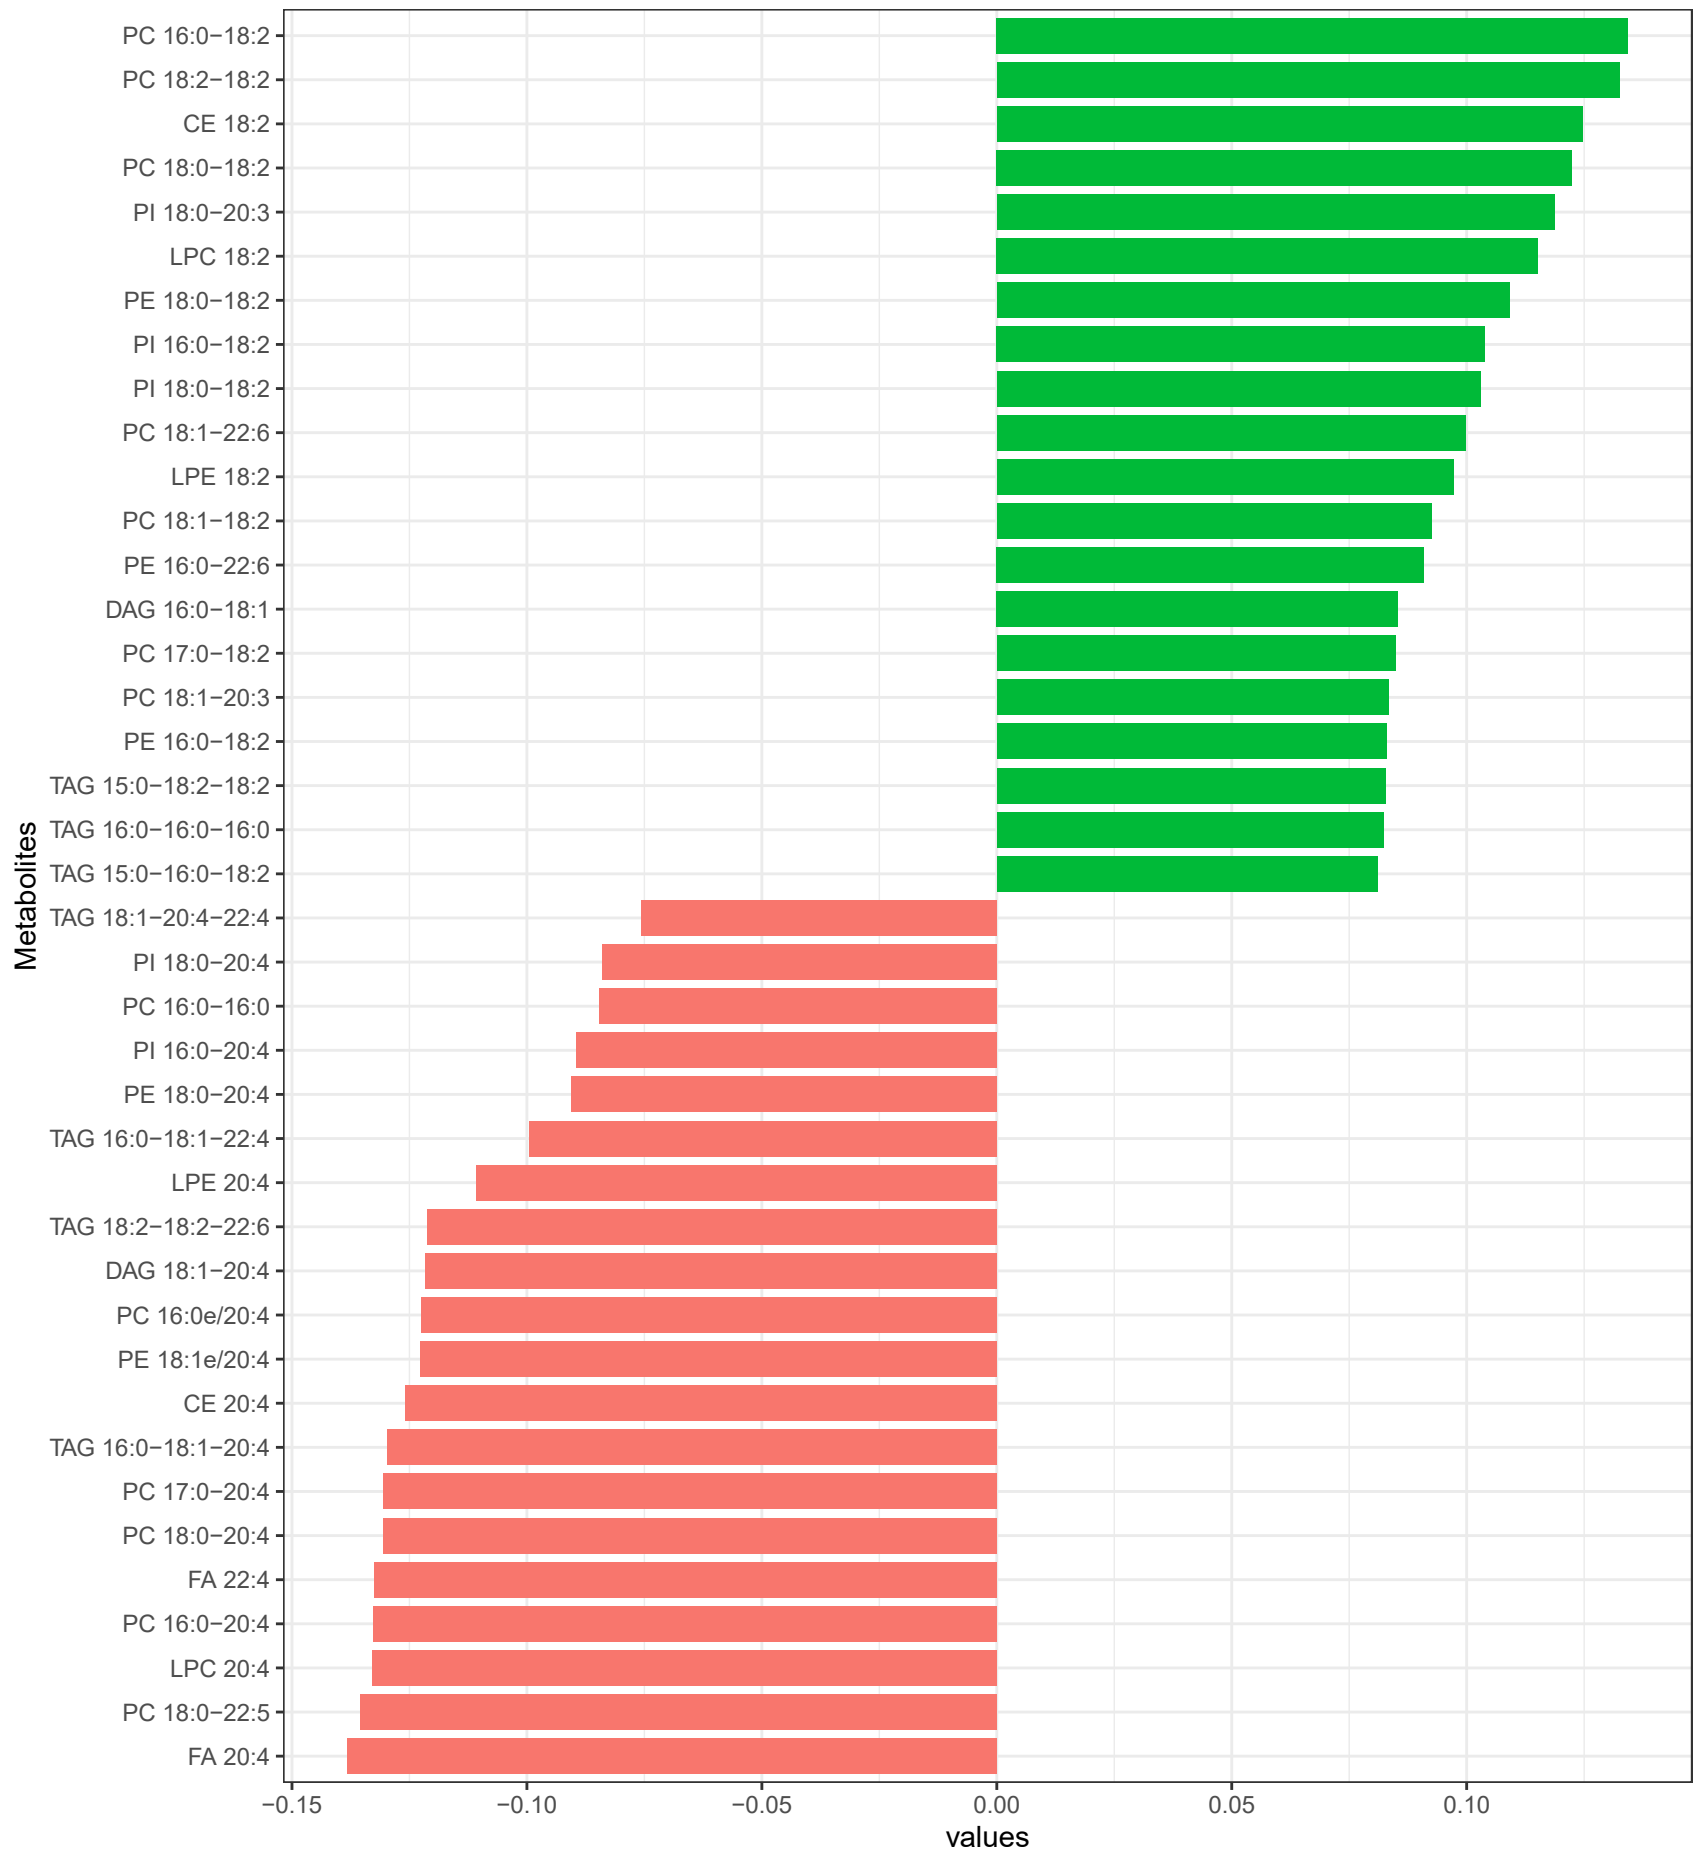

Untargeted: Liver PC2 loading plot for Top20 from max/min values

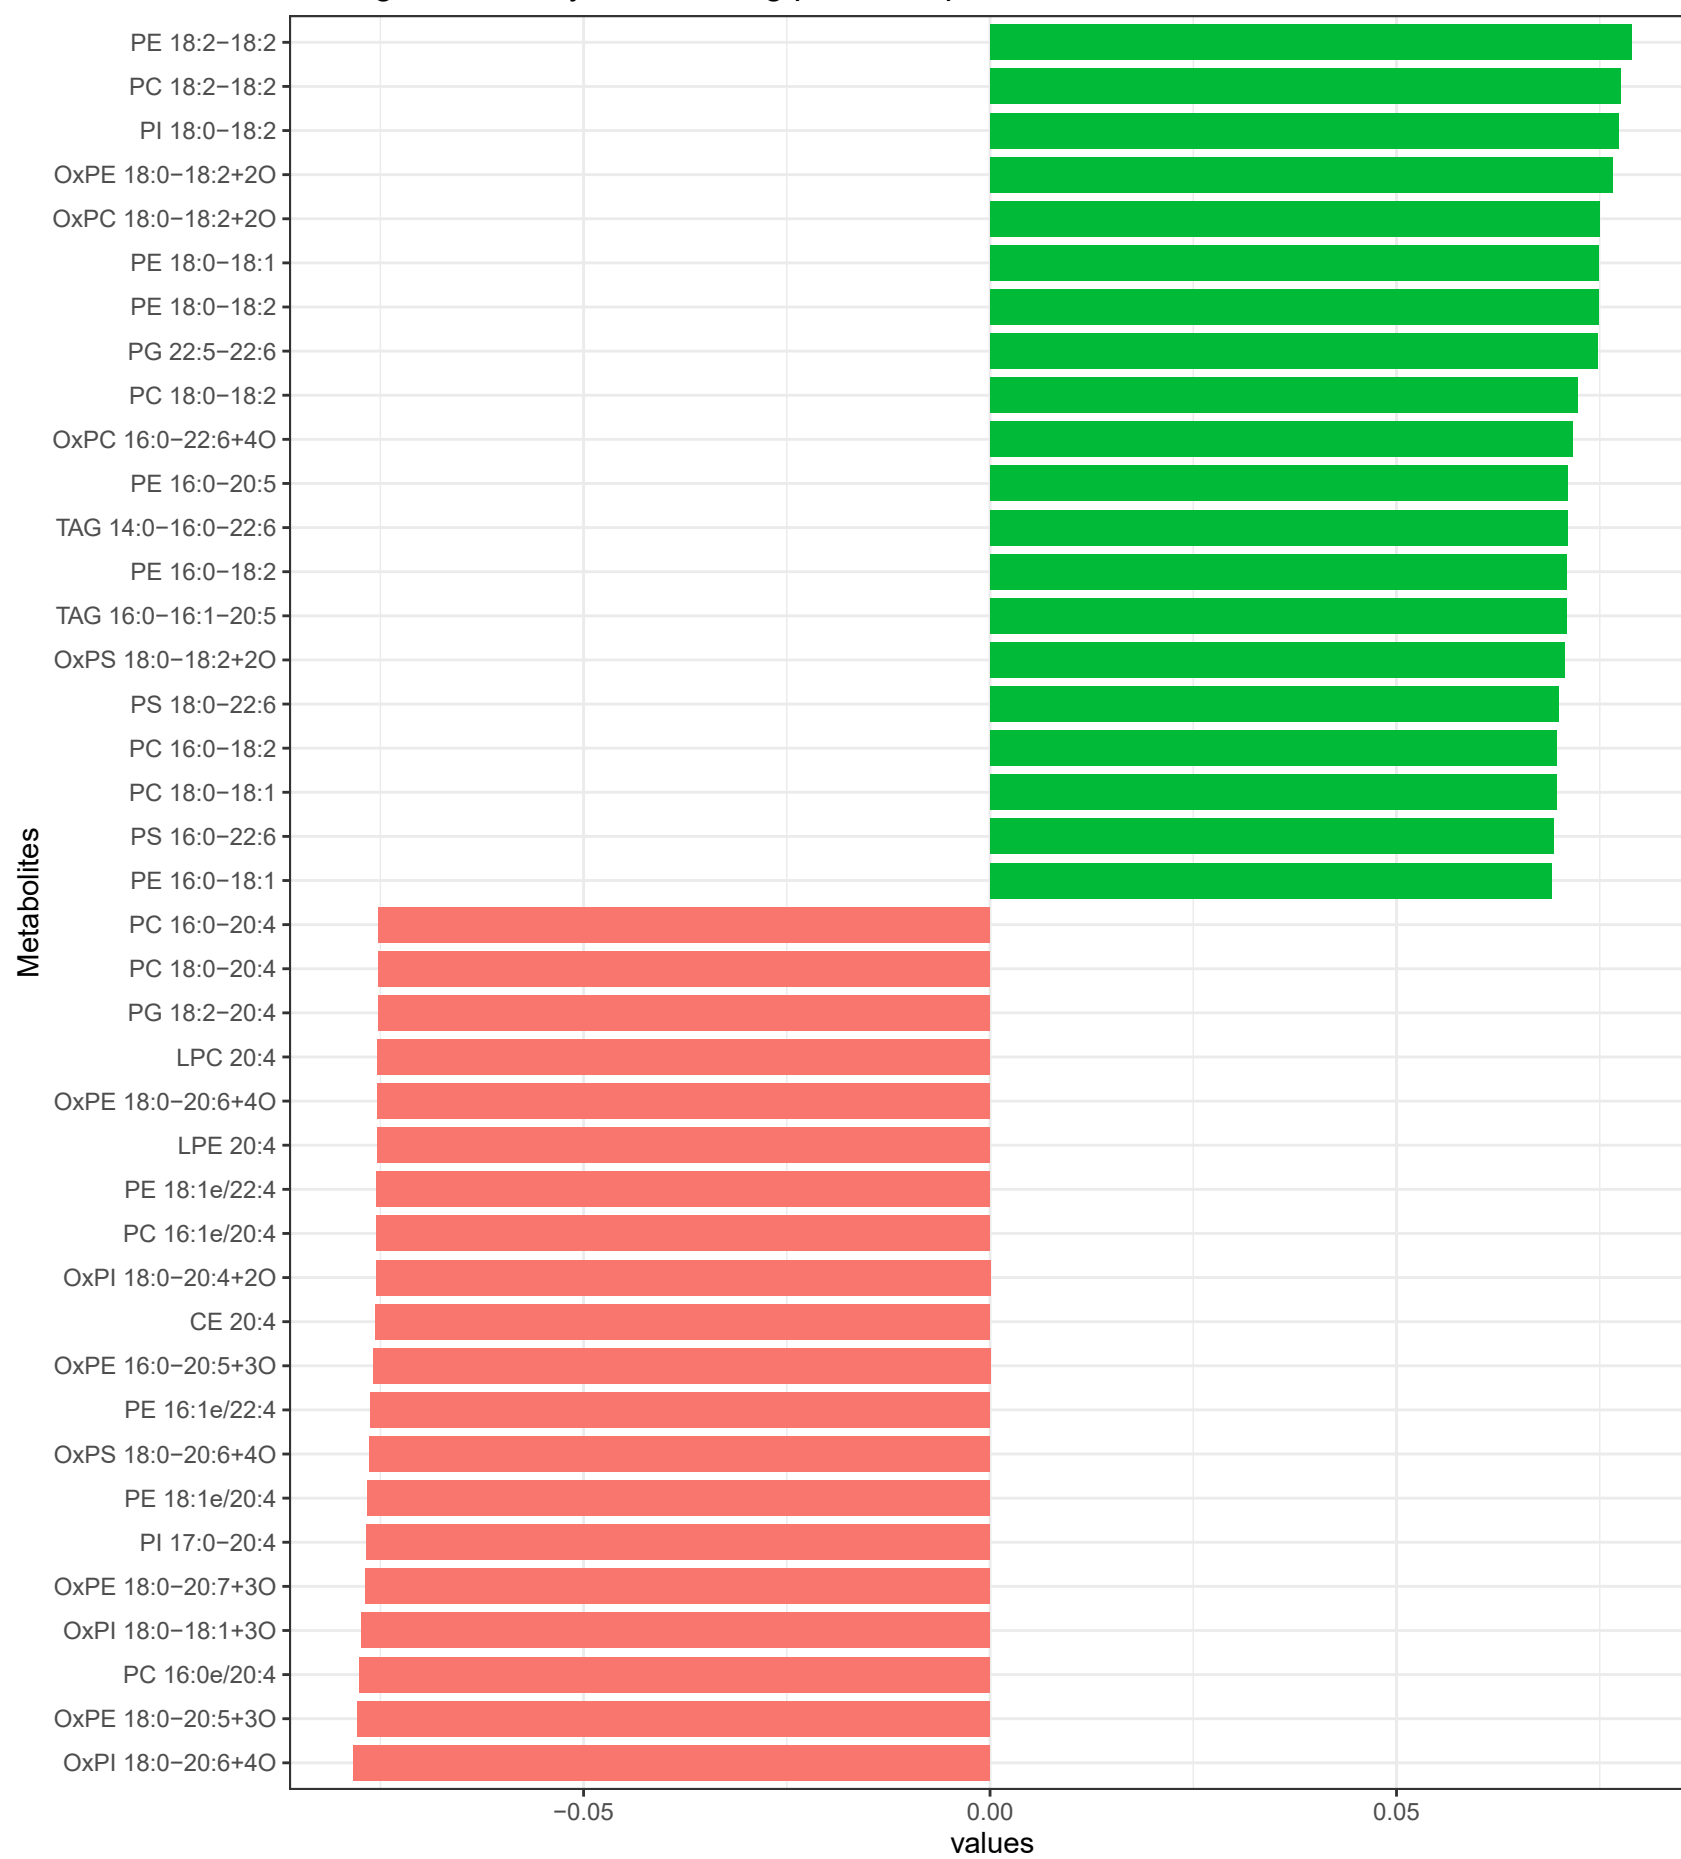

Untargeted: Plasma PC1 loading plot for Top20 from max/min values

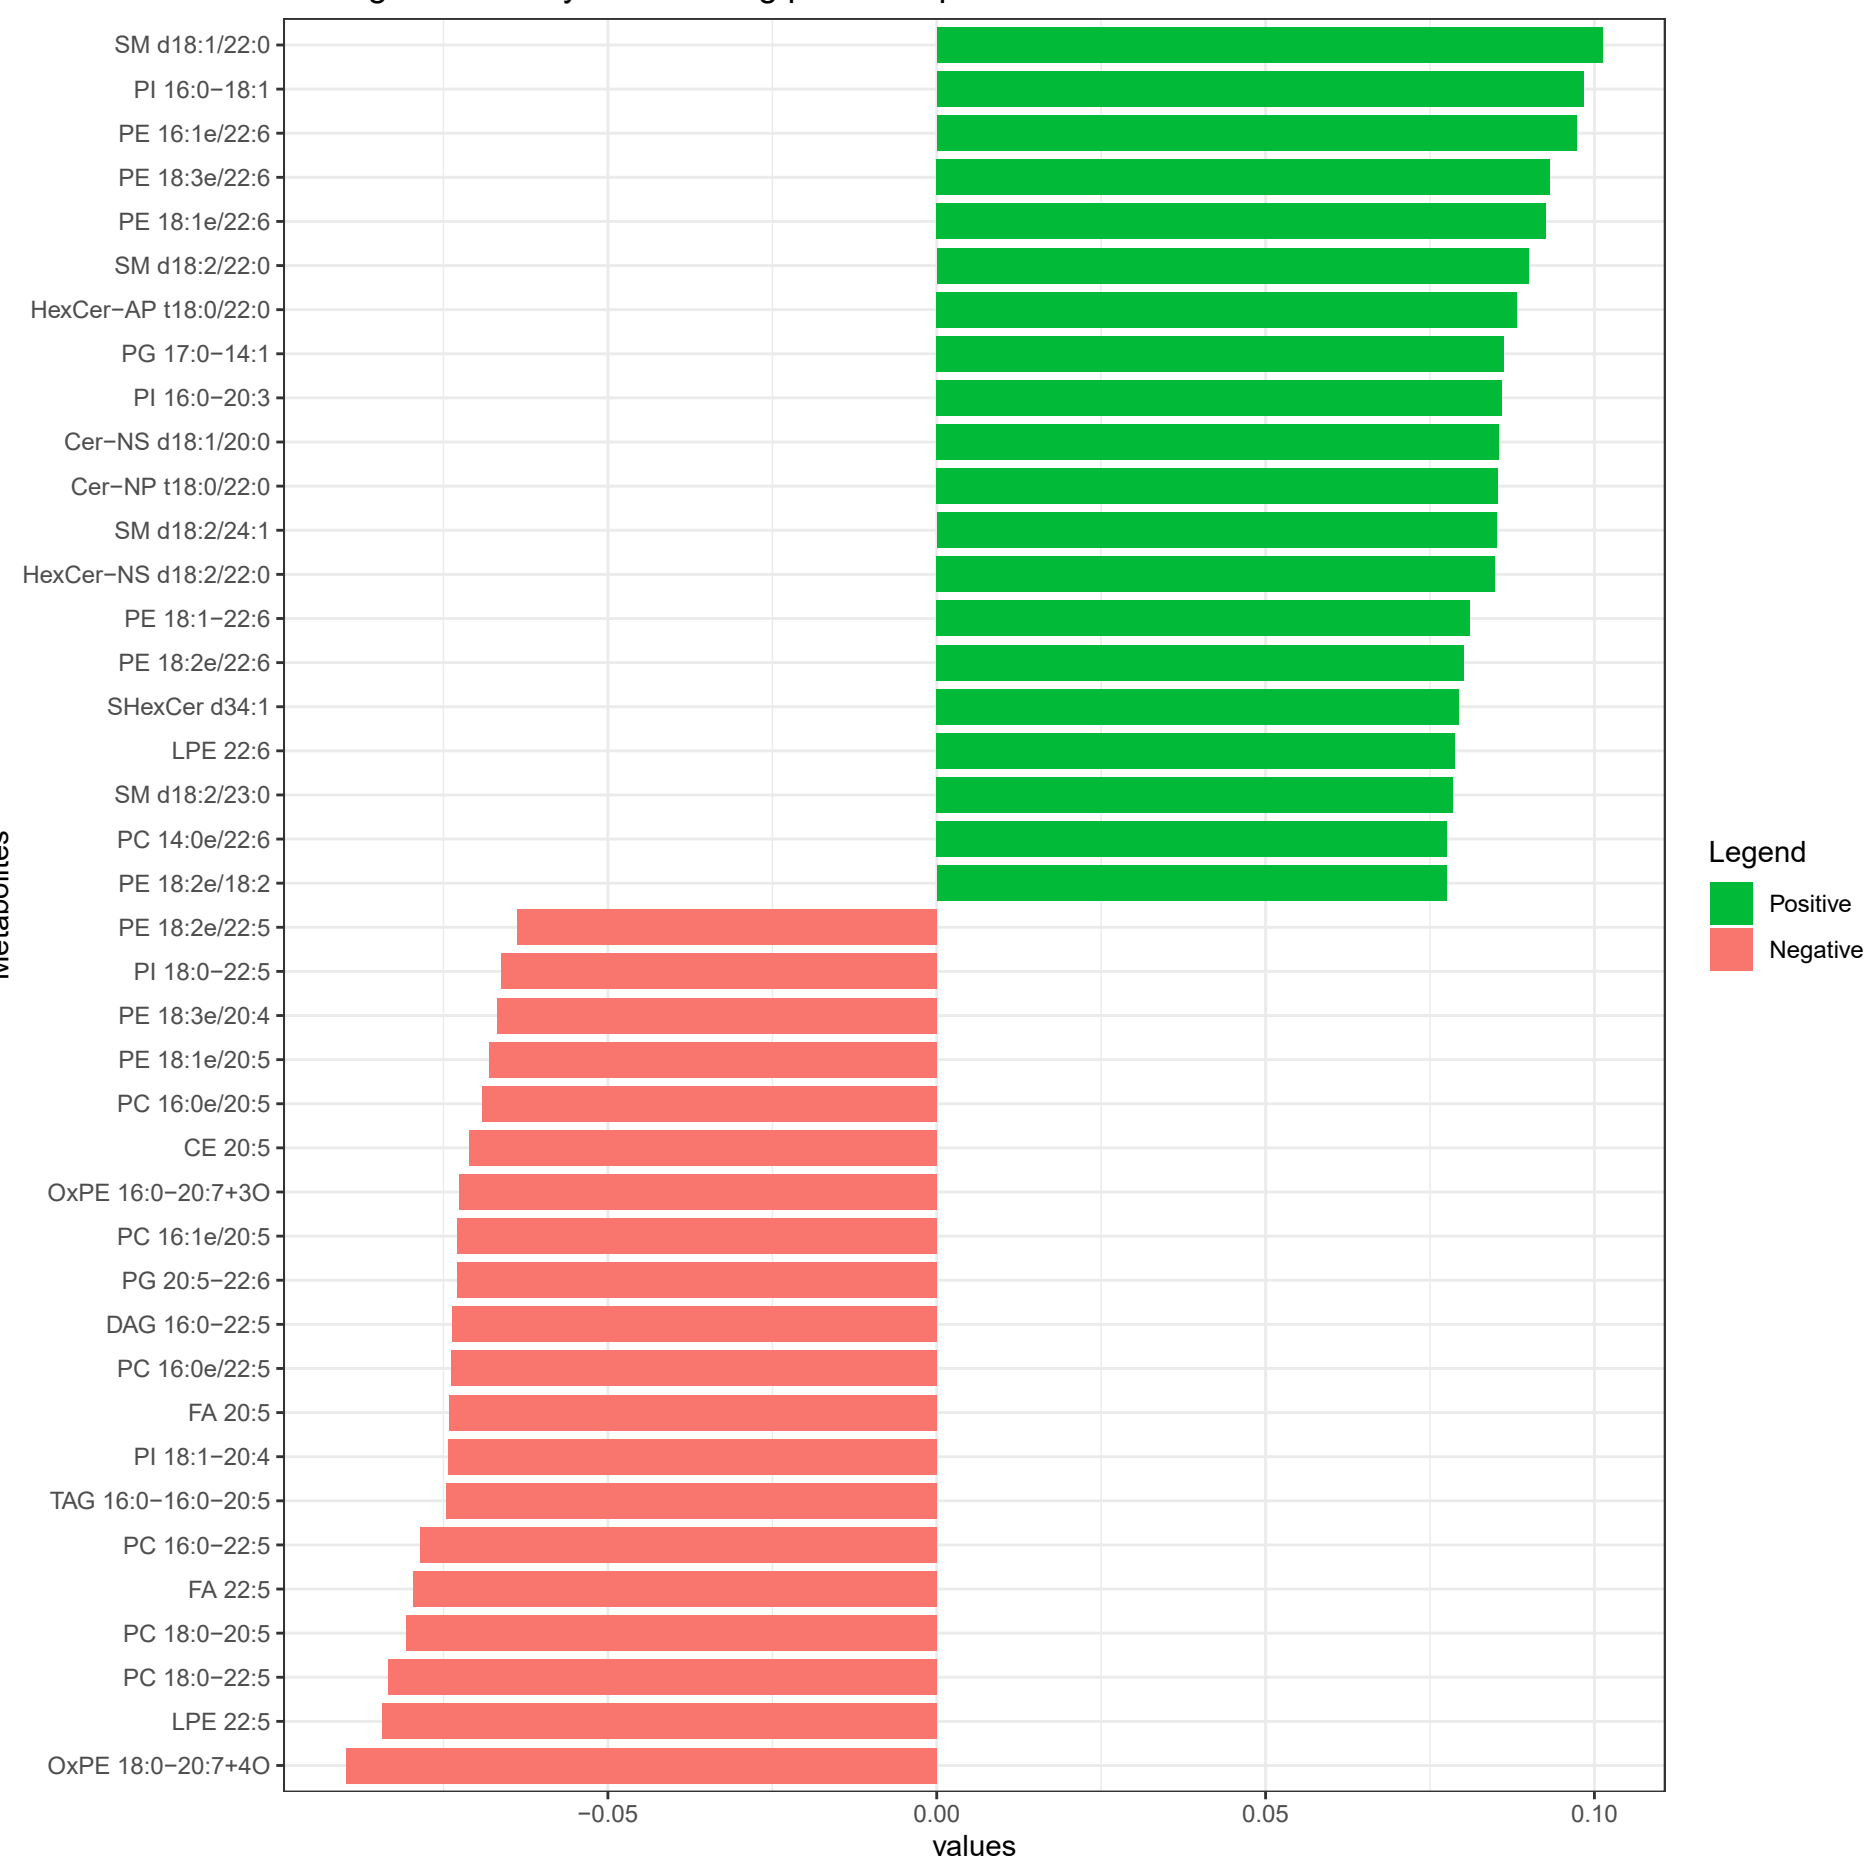

Untargeted: Plasma PC2 loading plot for Top20 from max/min values

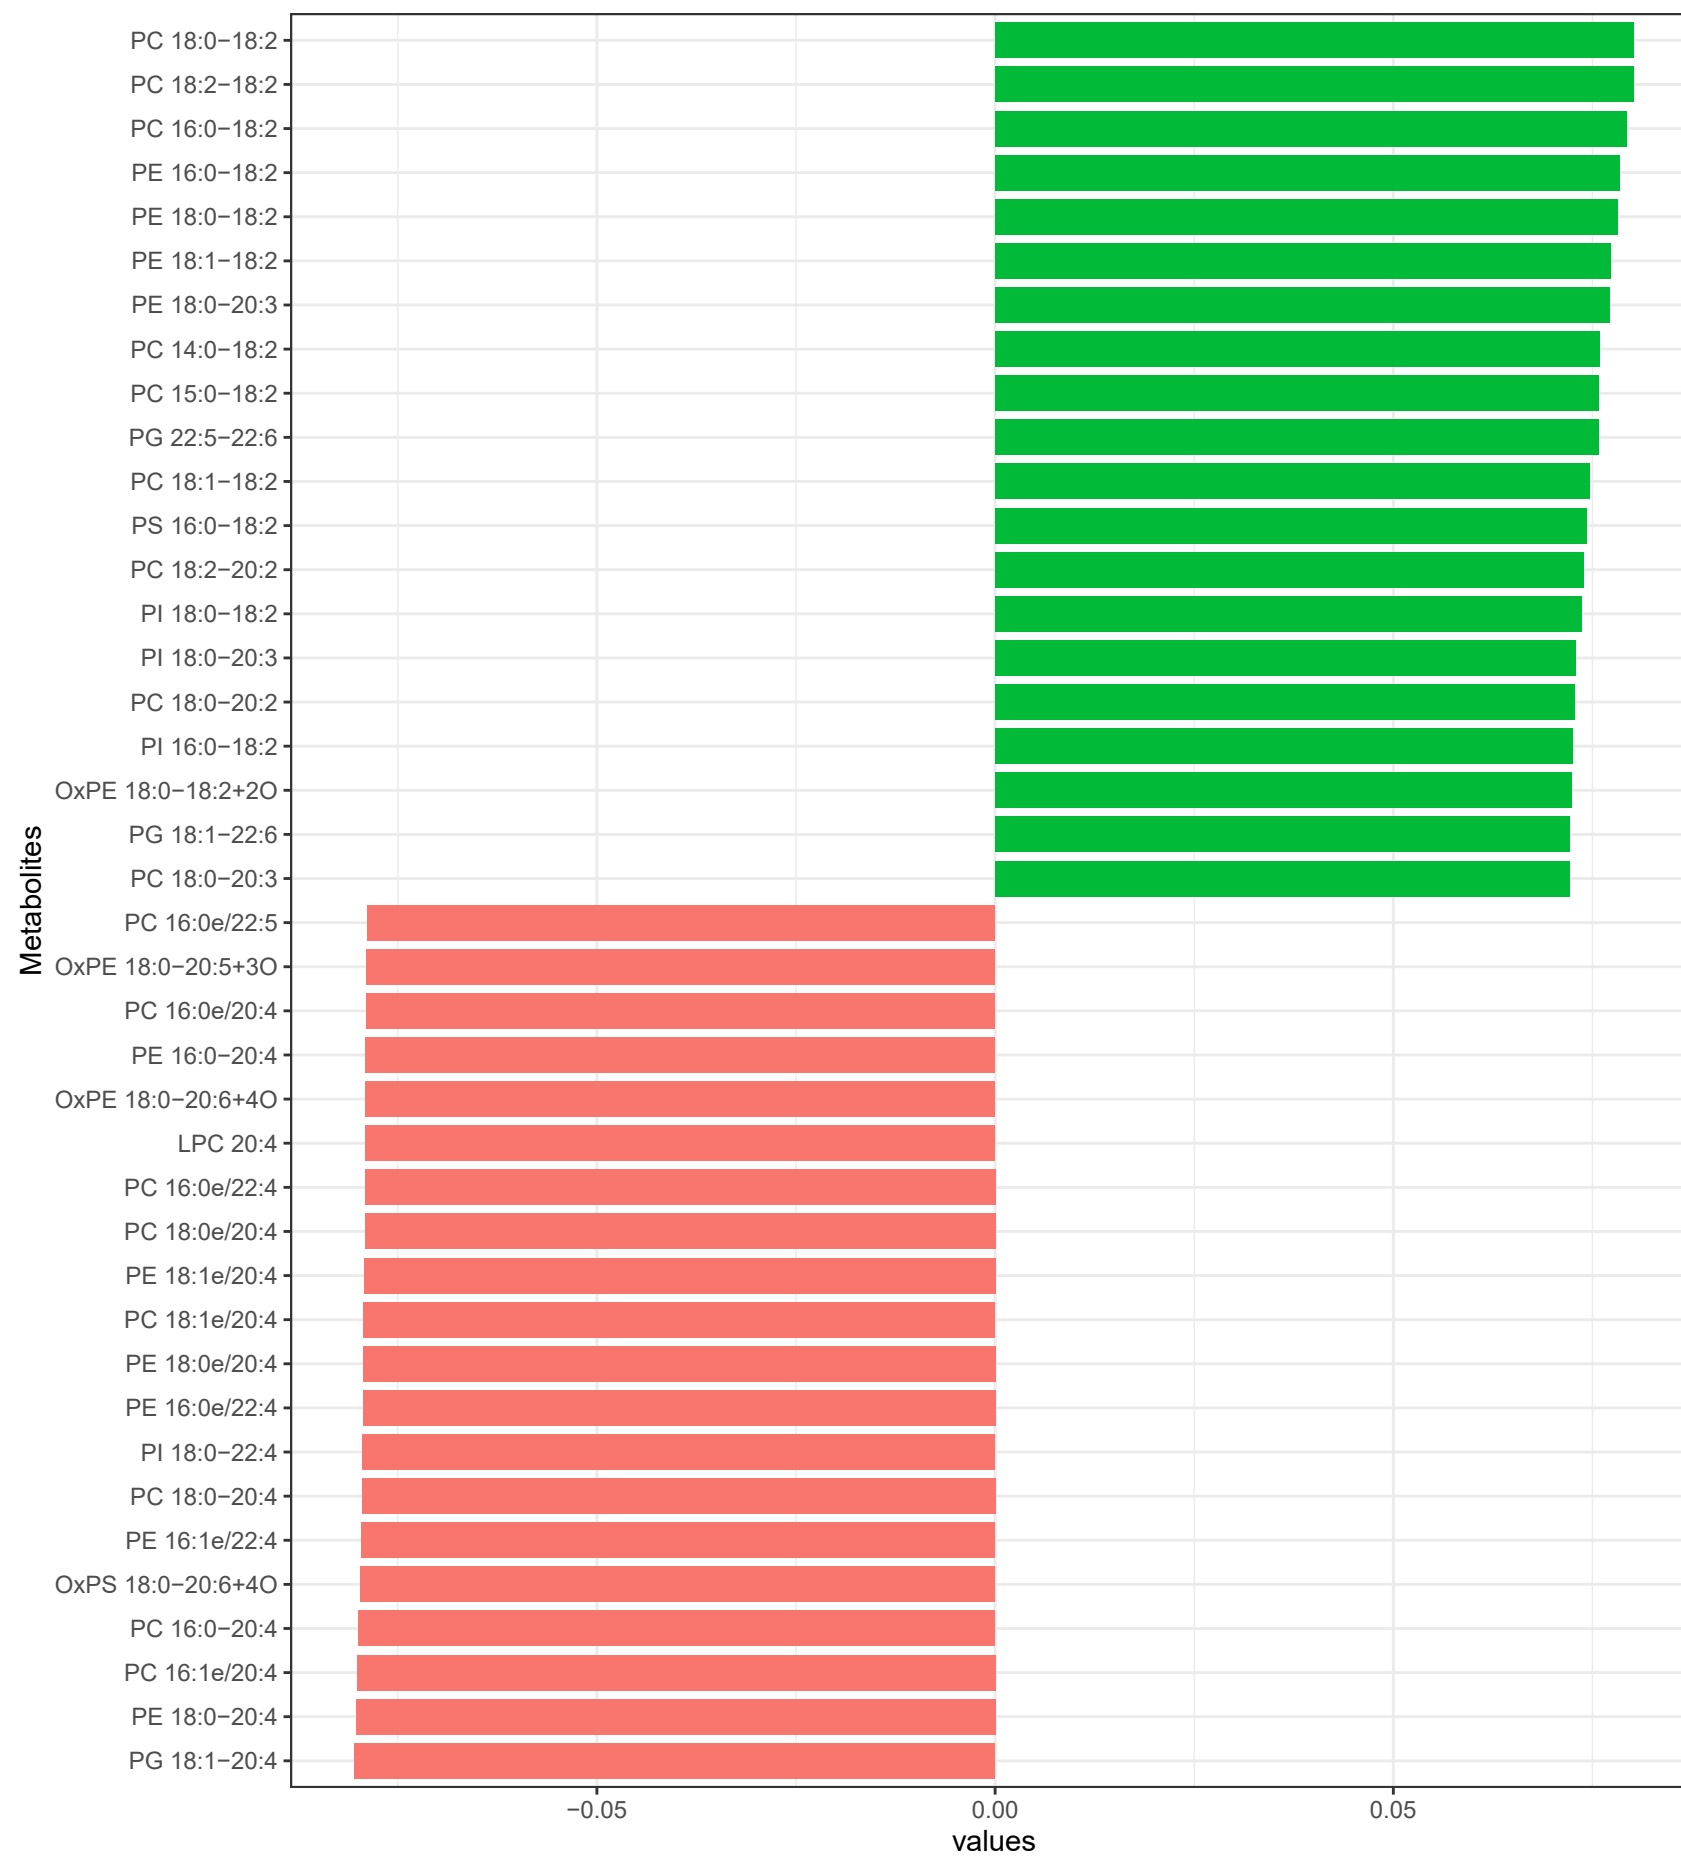

Untargeted: Kidney PC1 loading plot for Top20 from max/min values

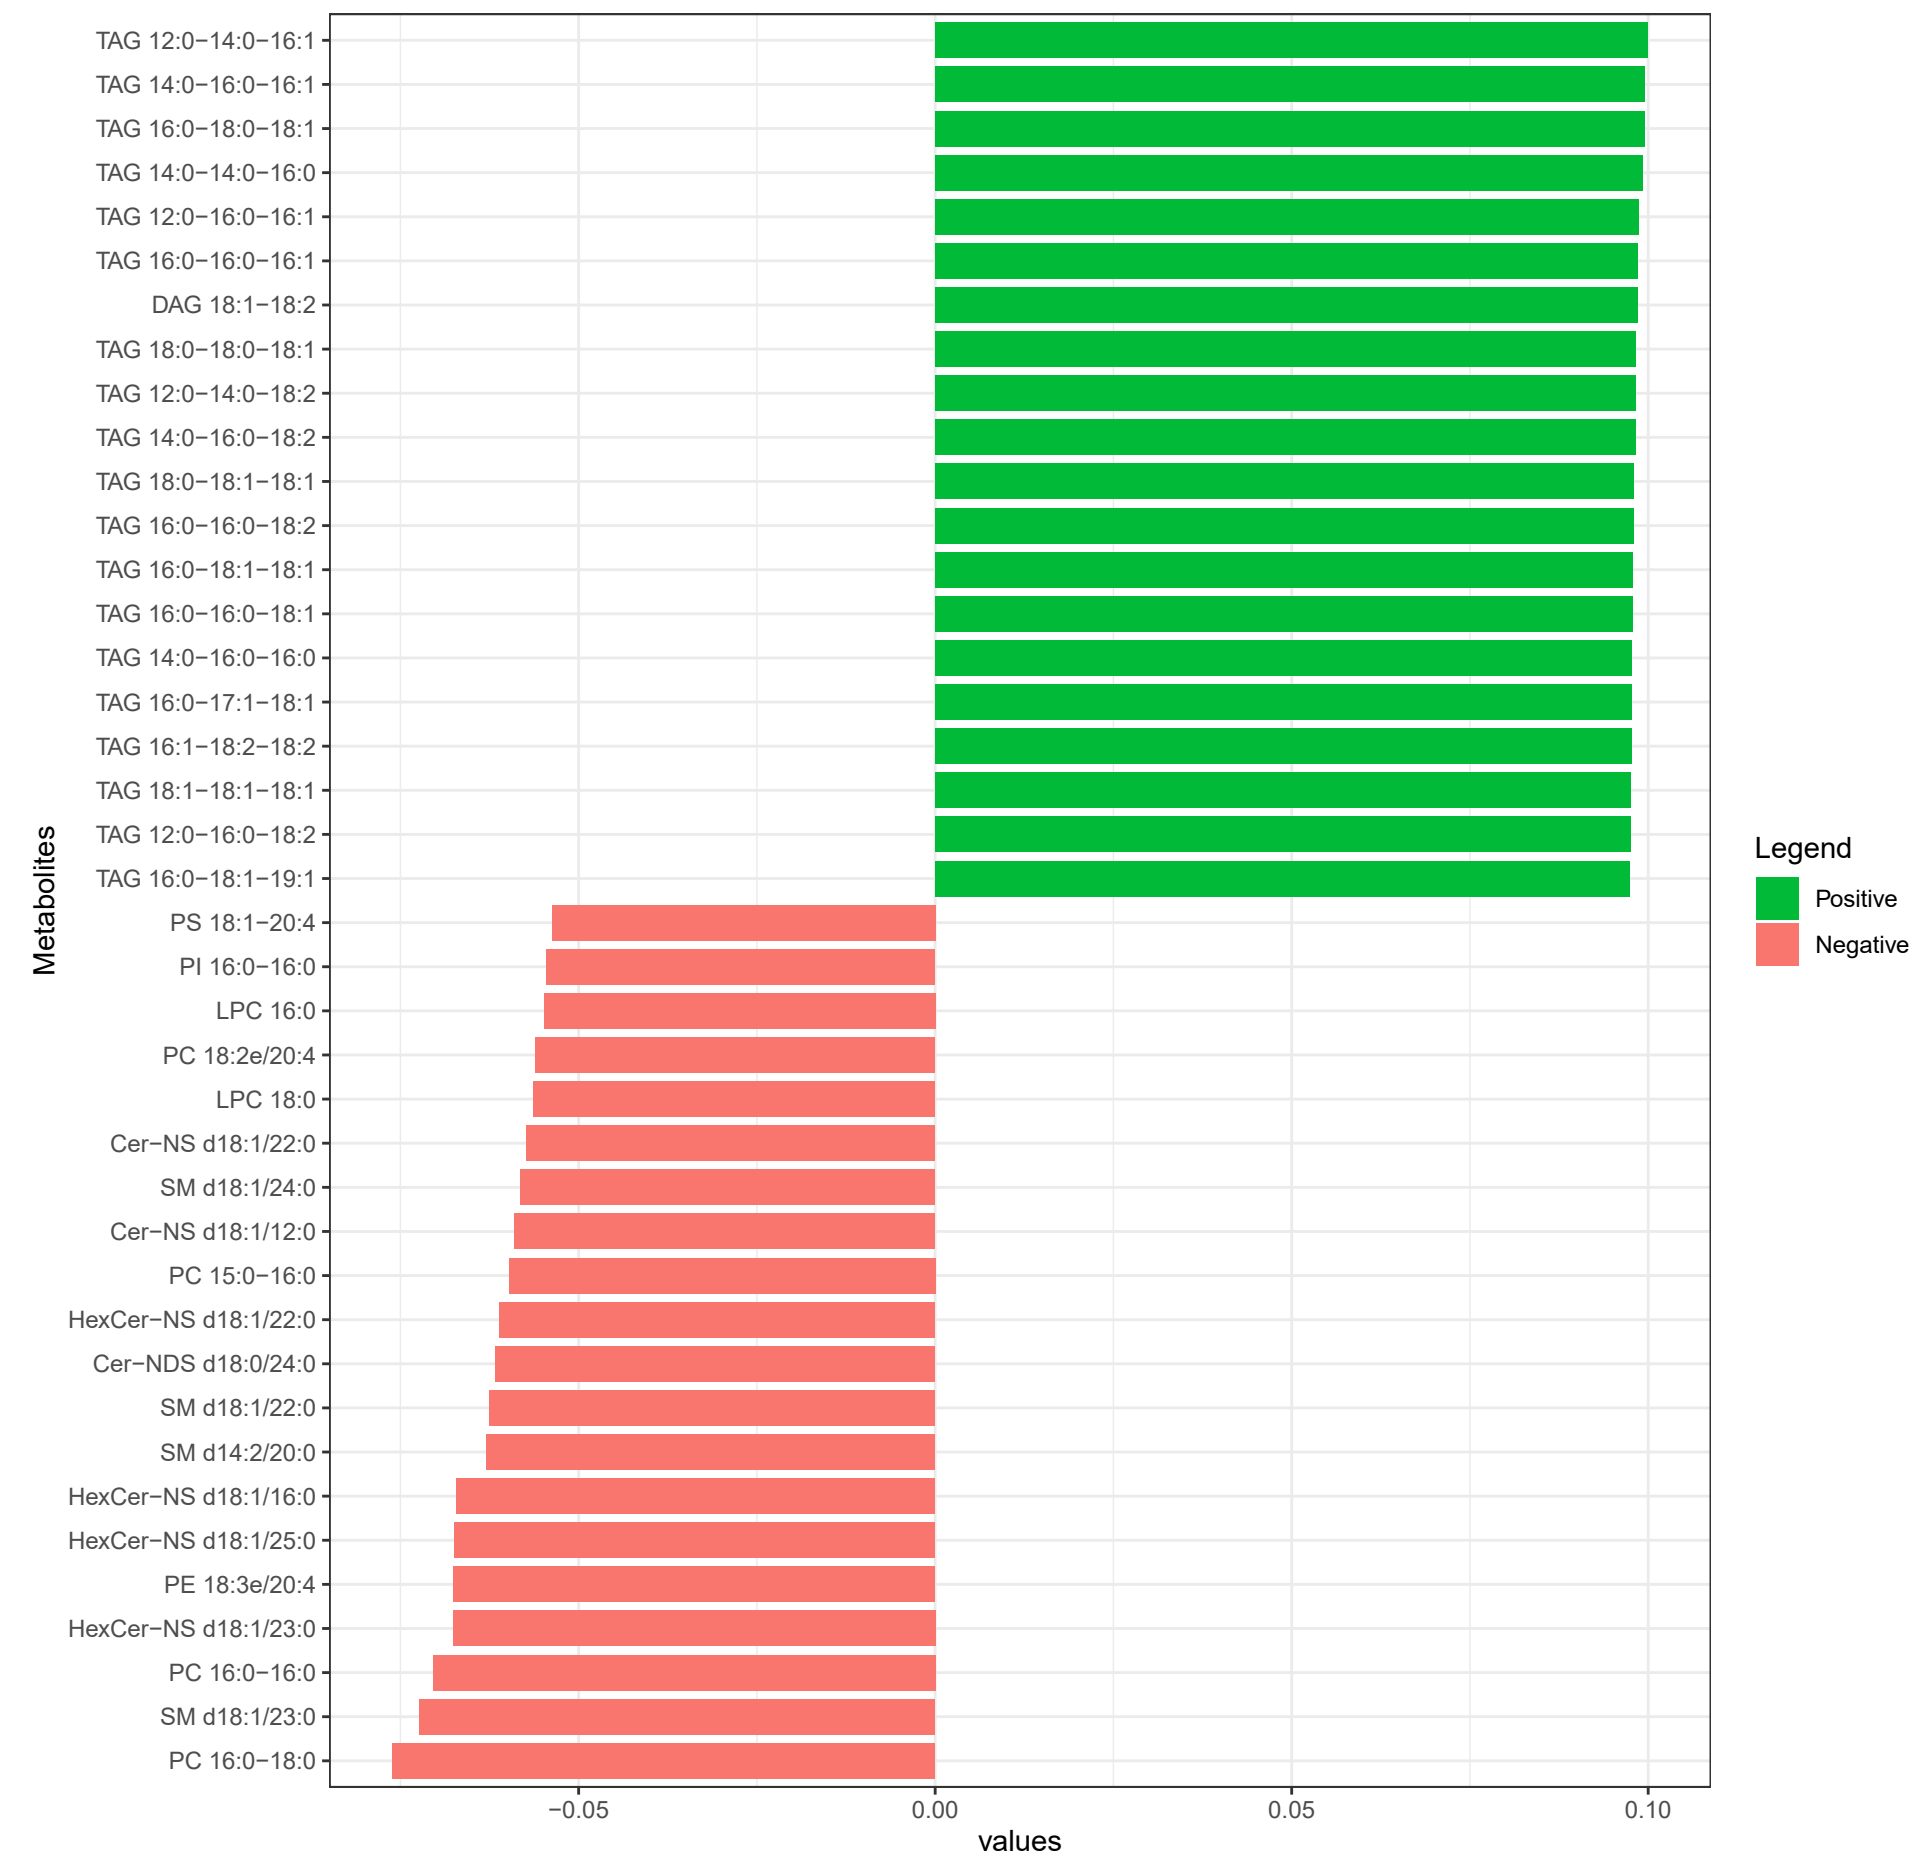

Untargeted: Kidney PC2 loading plot for Top20 from max/min values

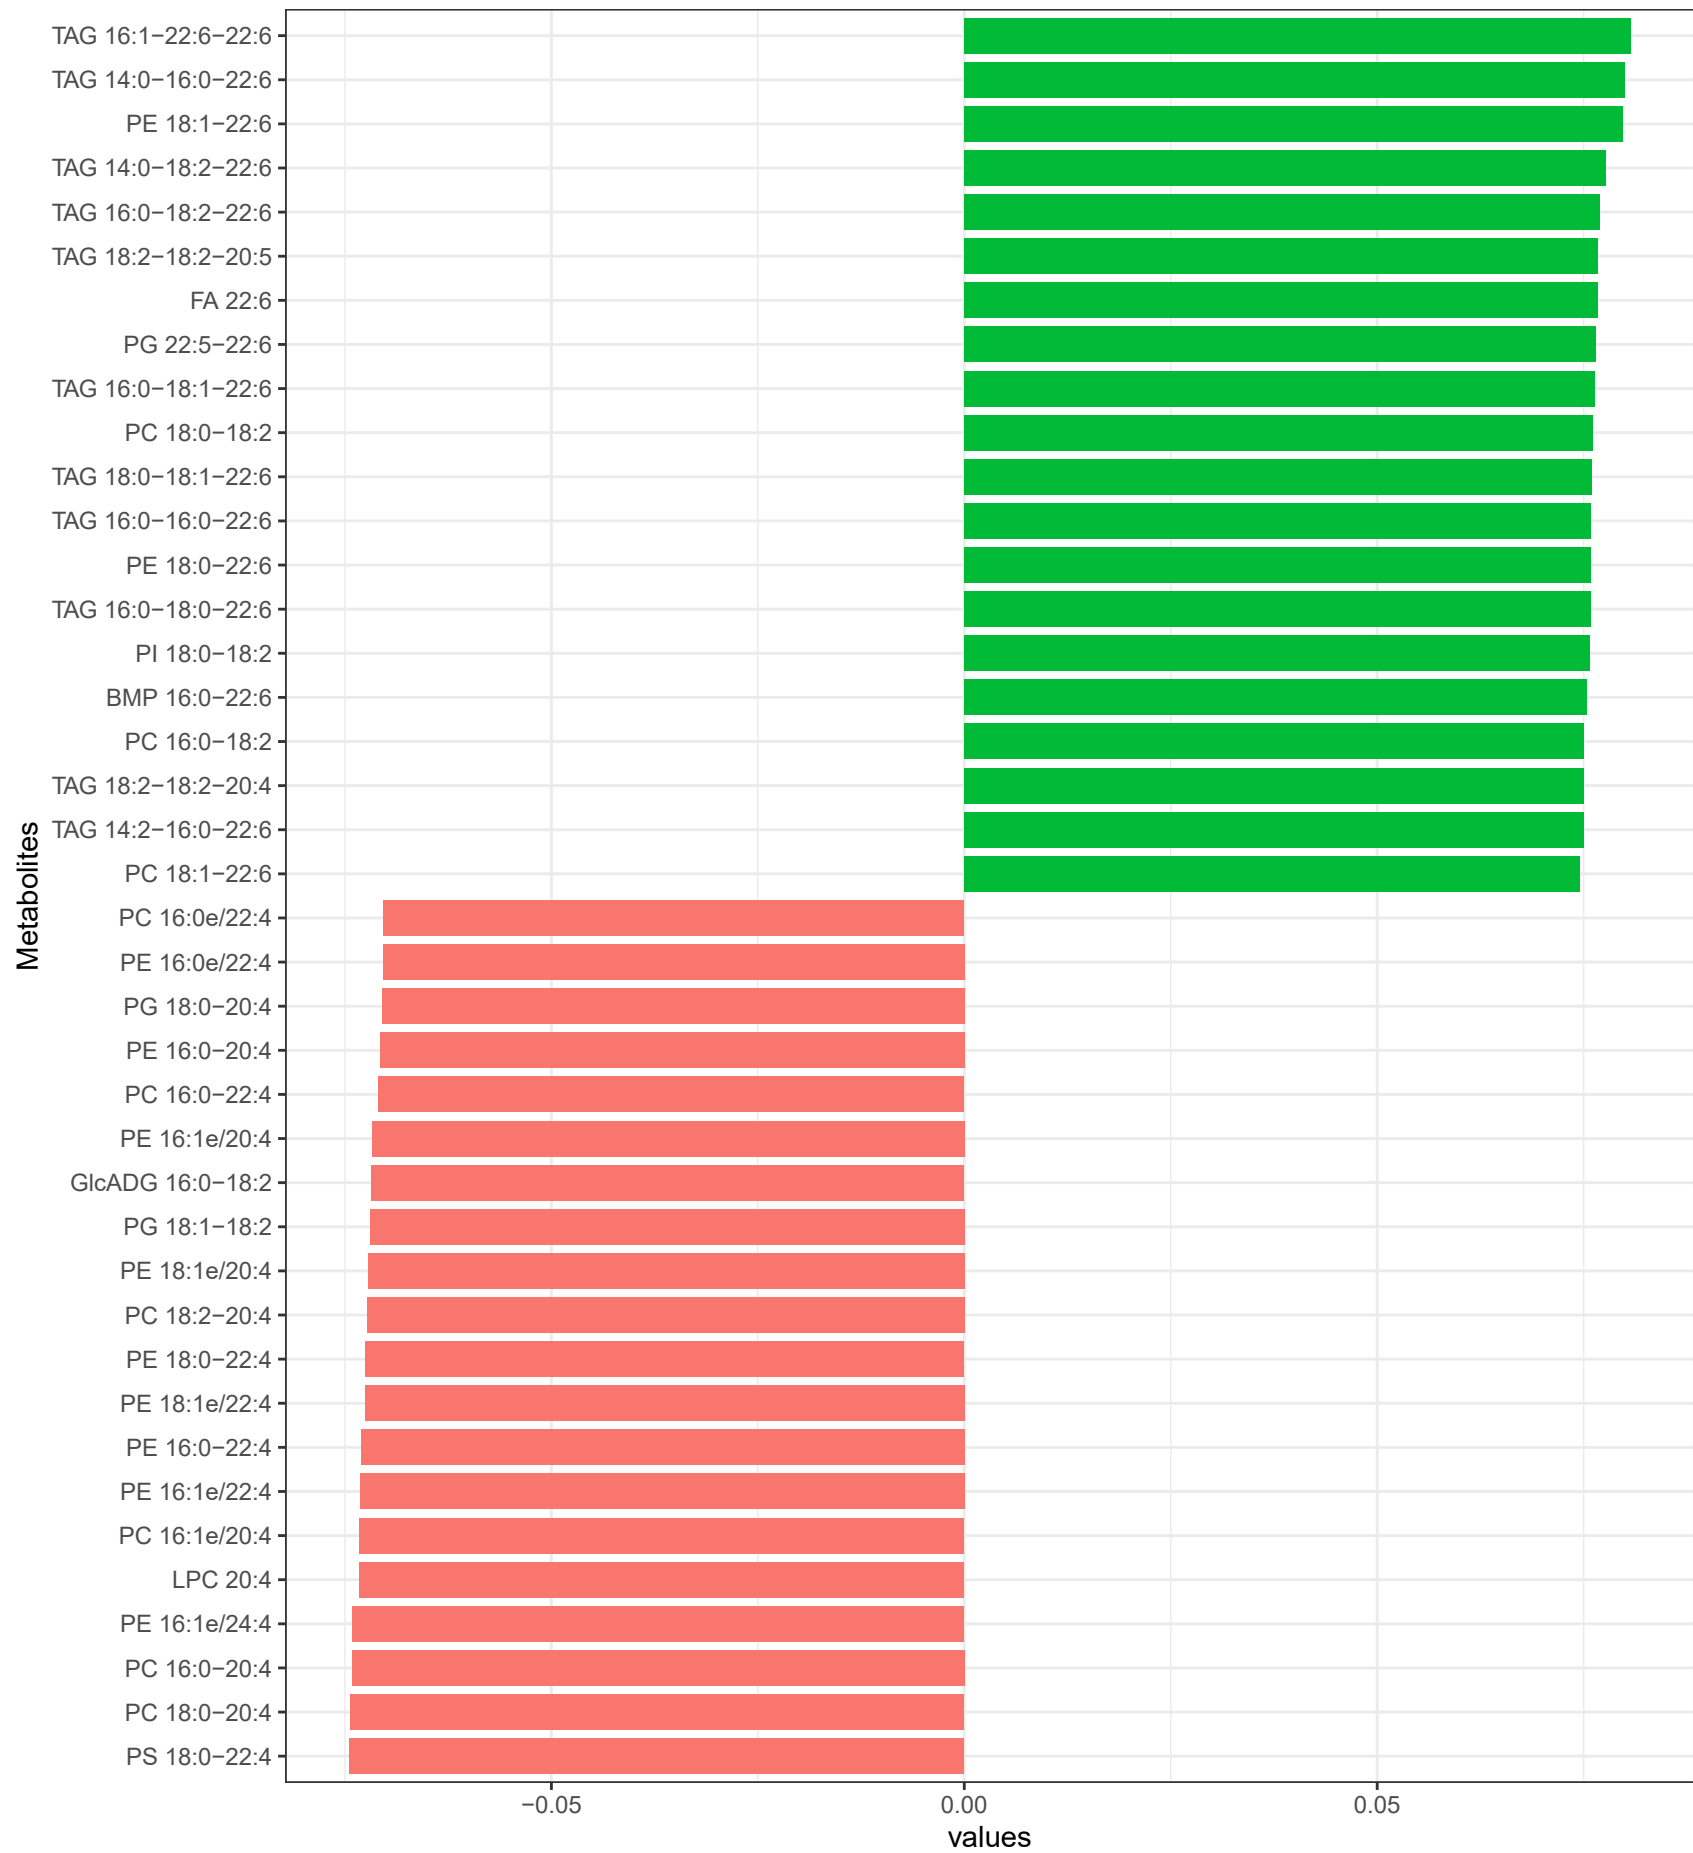

Untargeted: Spleen PC1 loading plot for Top20 from max/min values

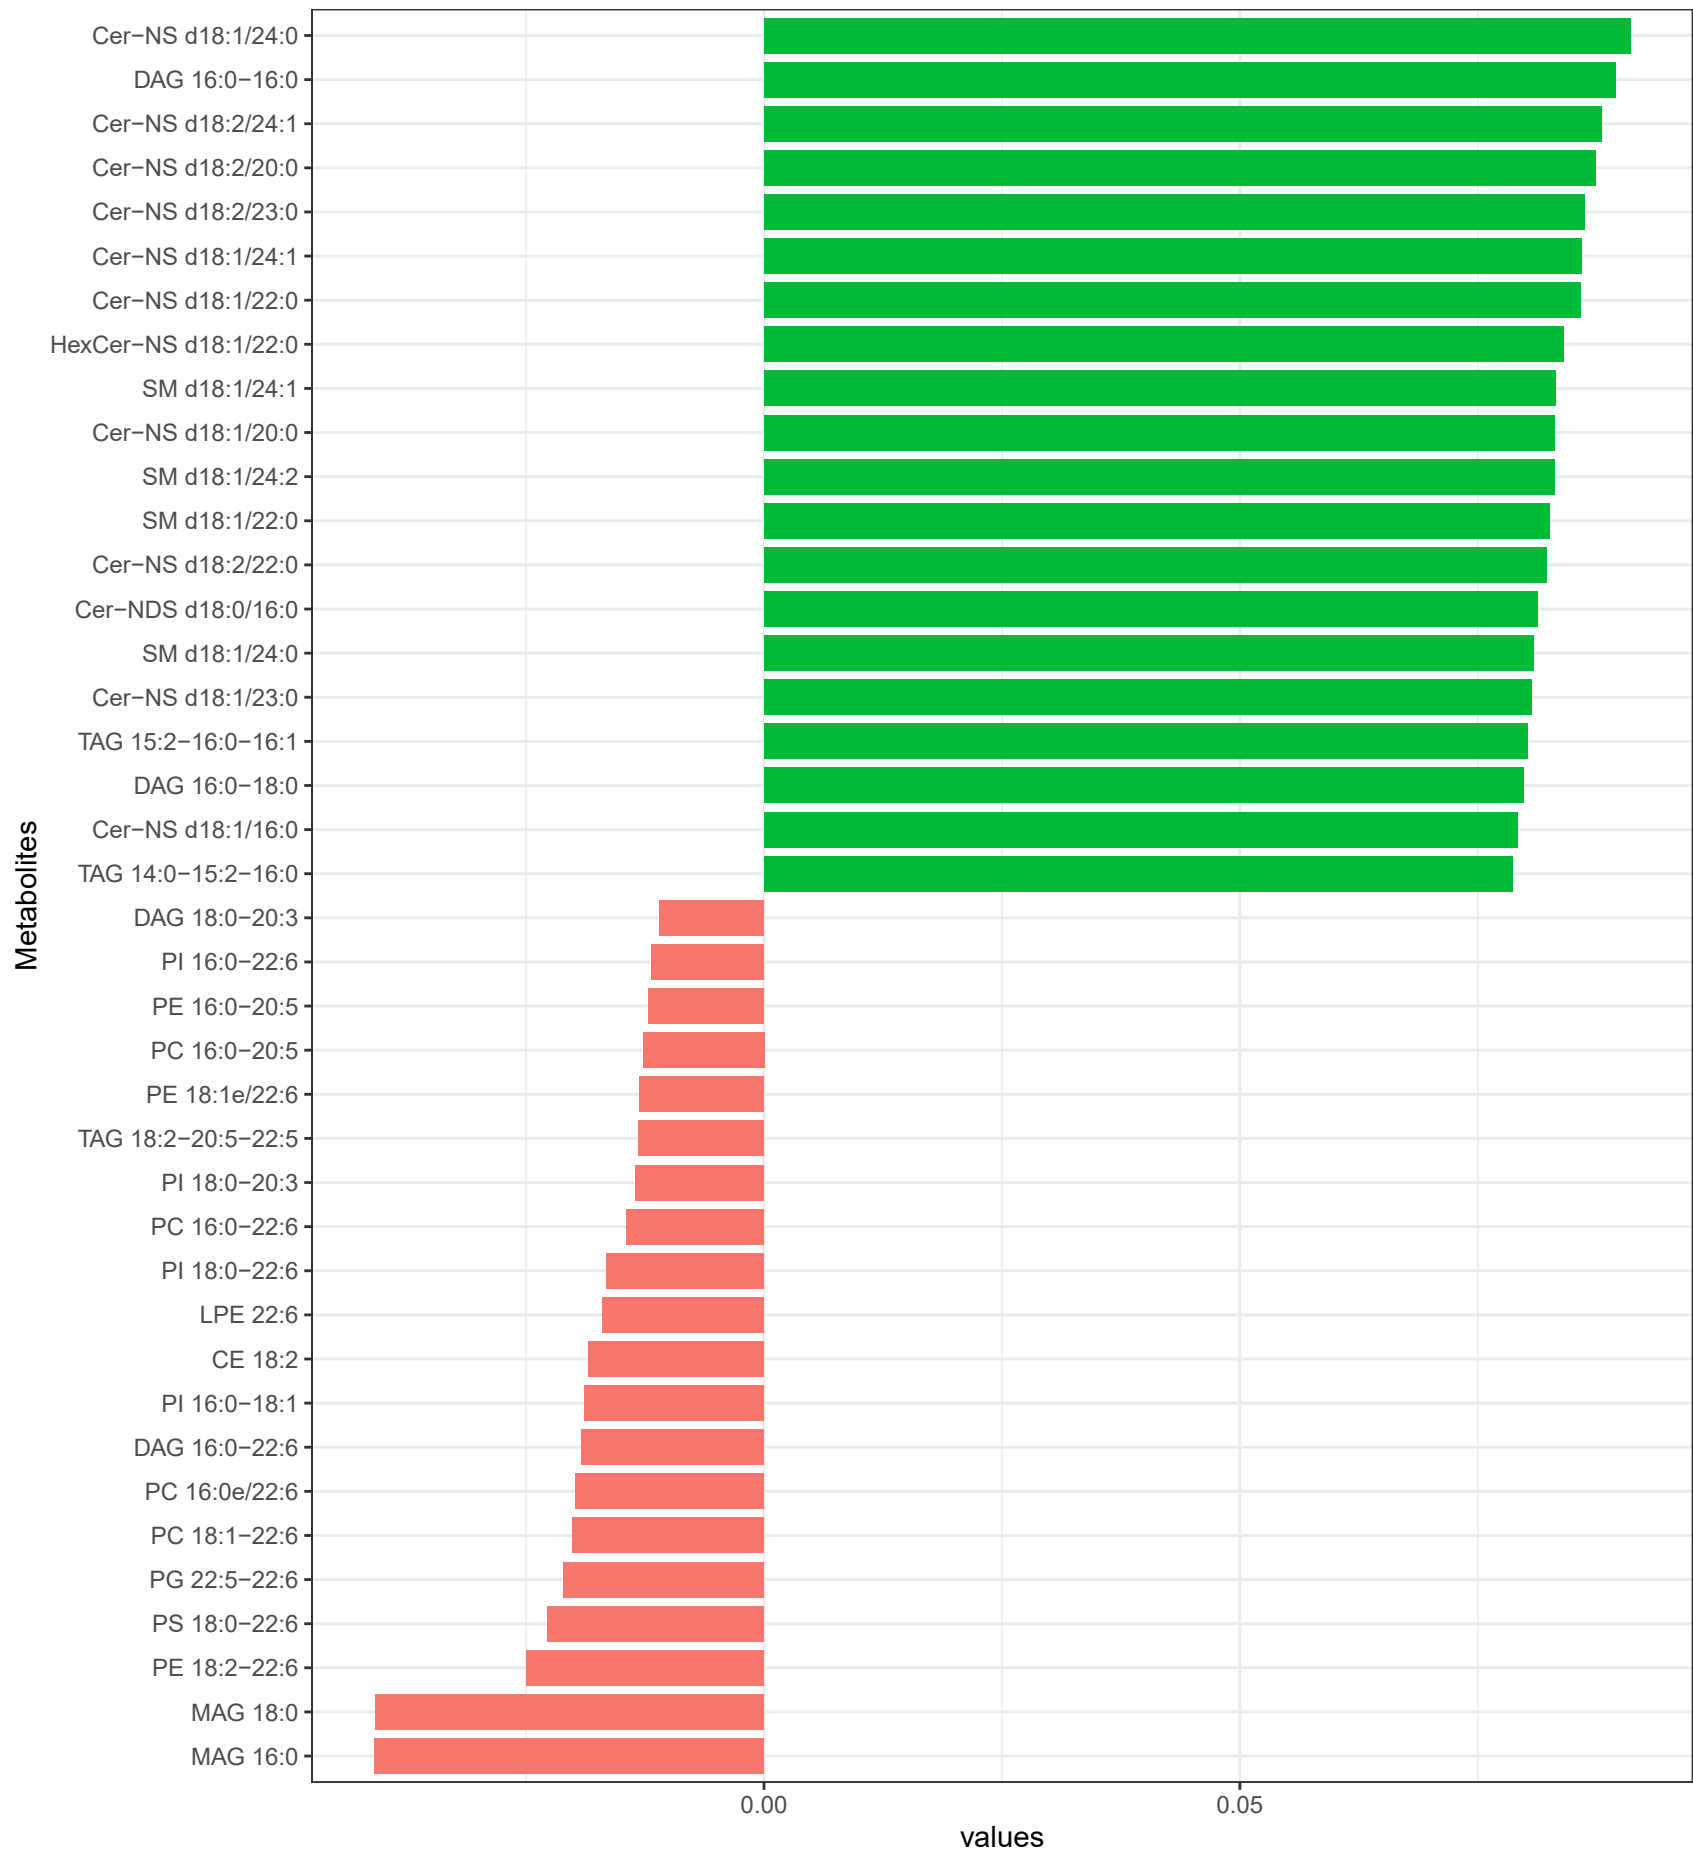

Untargeted: Spleen PC2 loading plot for Top20 from max/min values

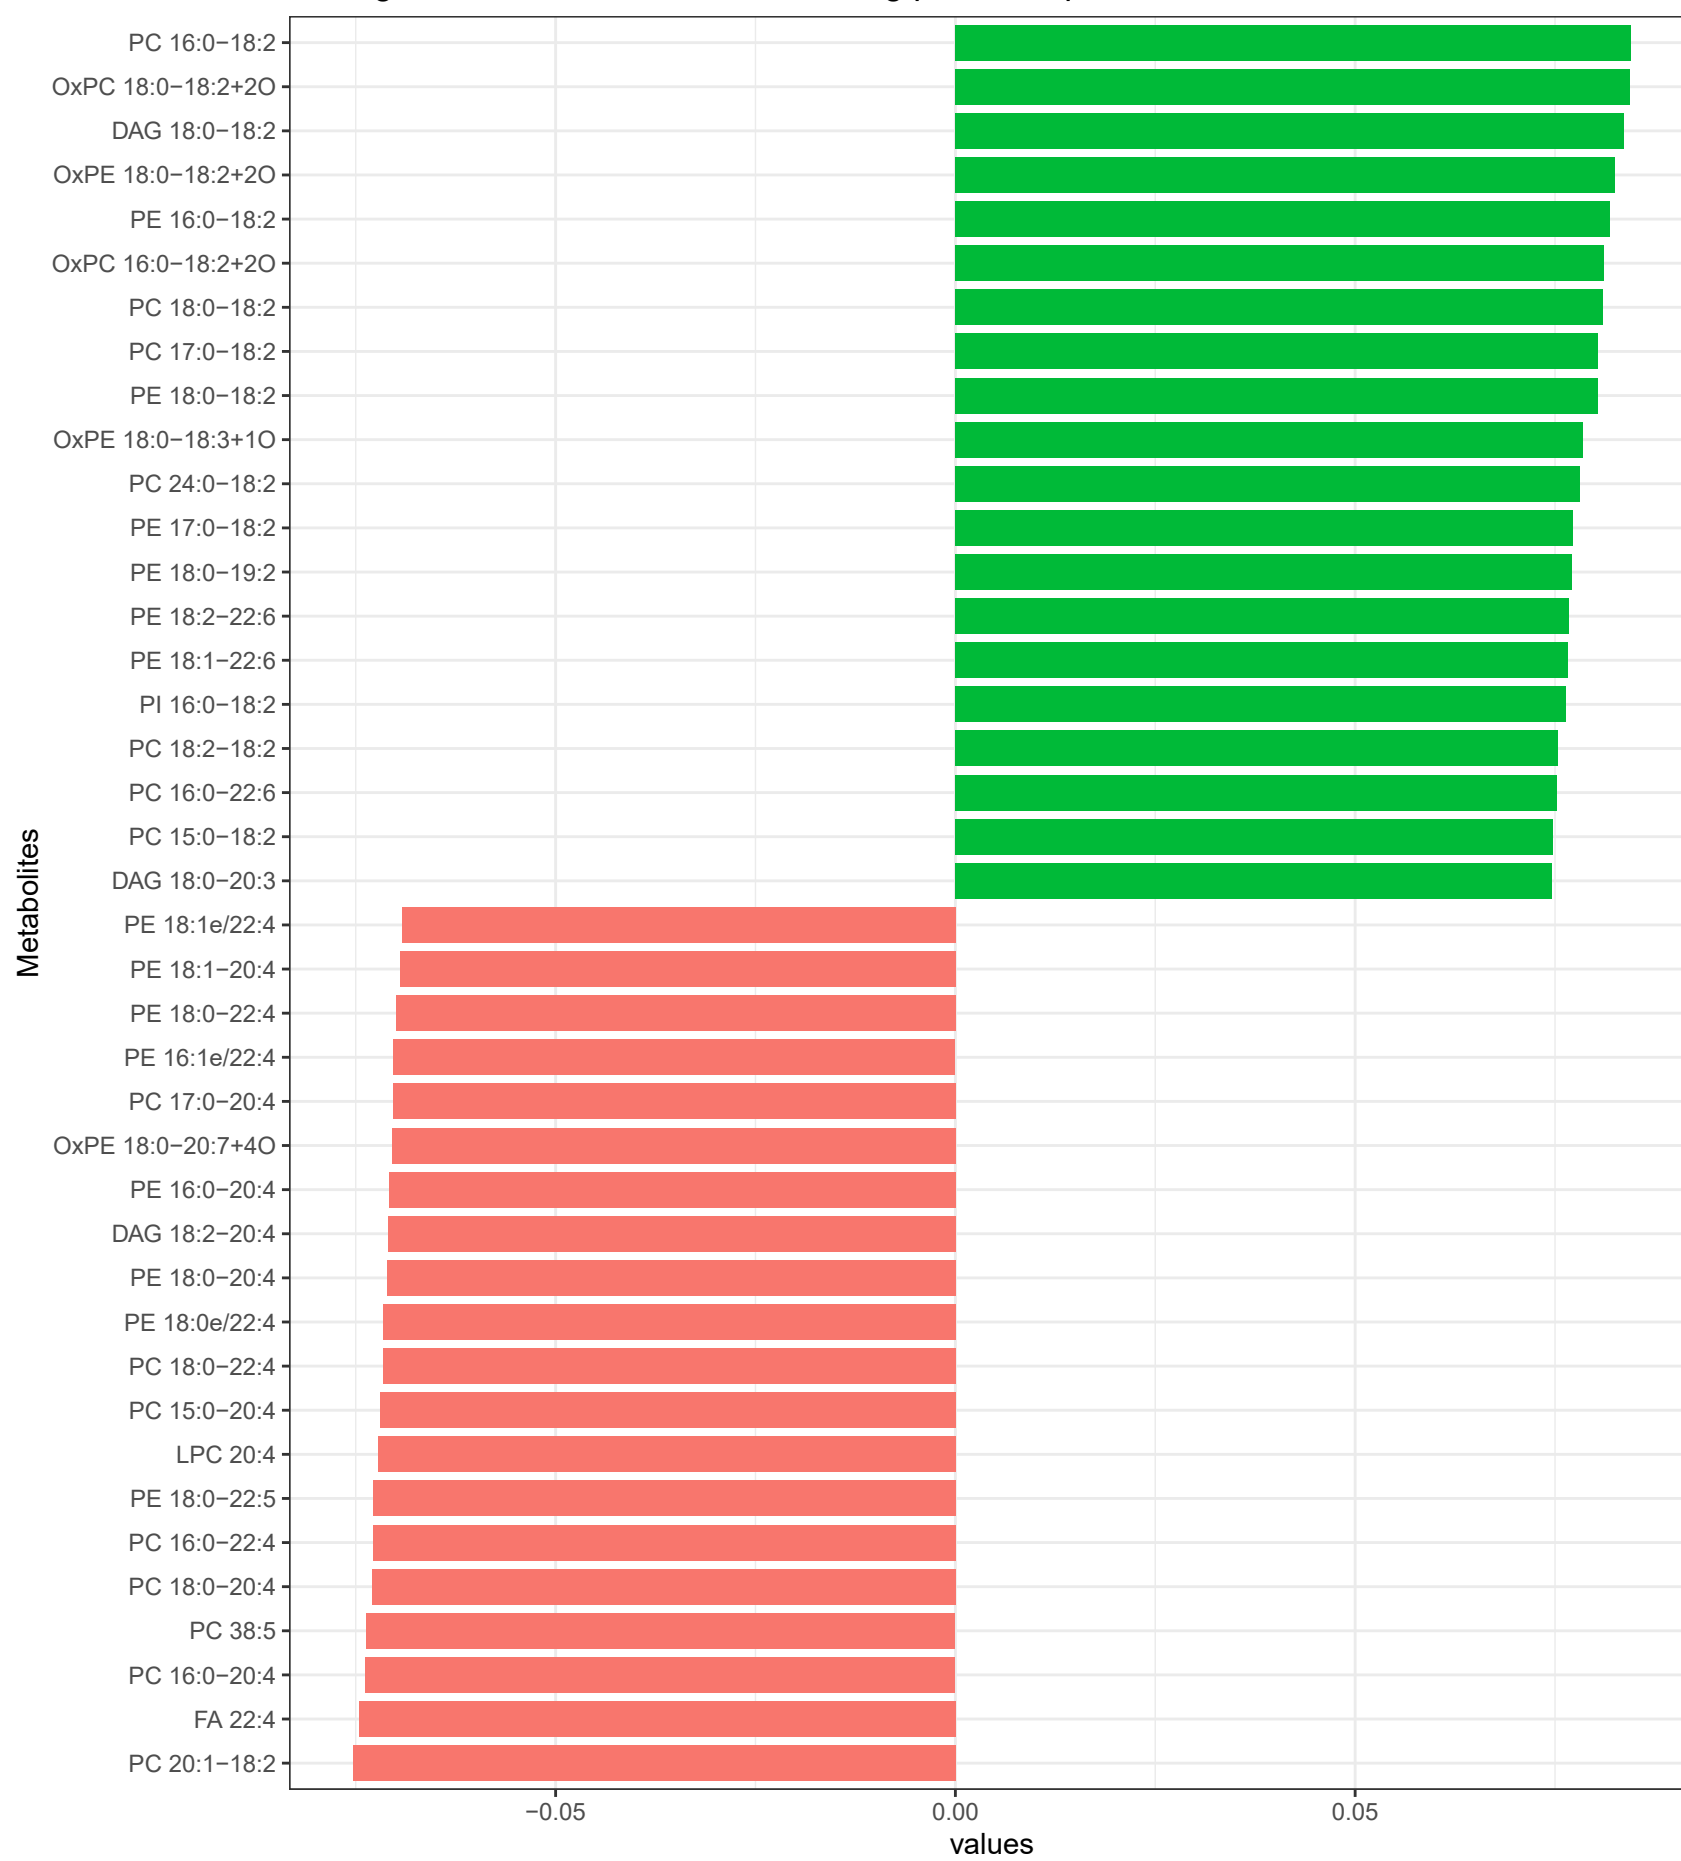

Untargeted: Lung PC1 loading plot for Top20 from max/min values

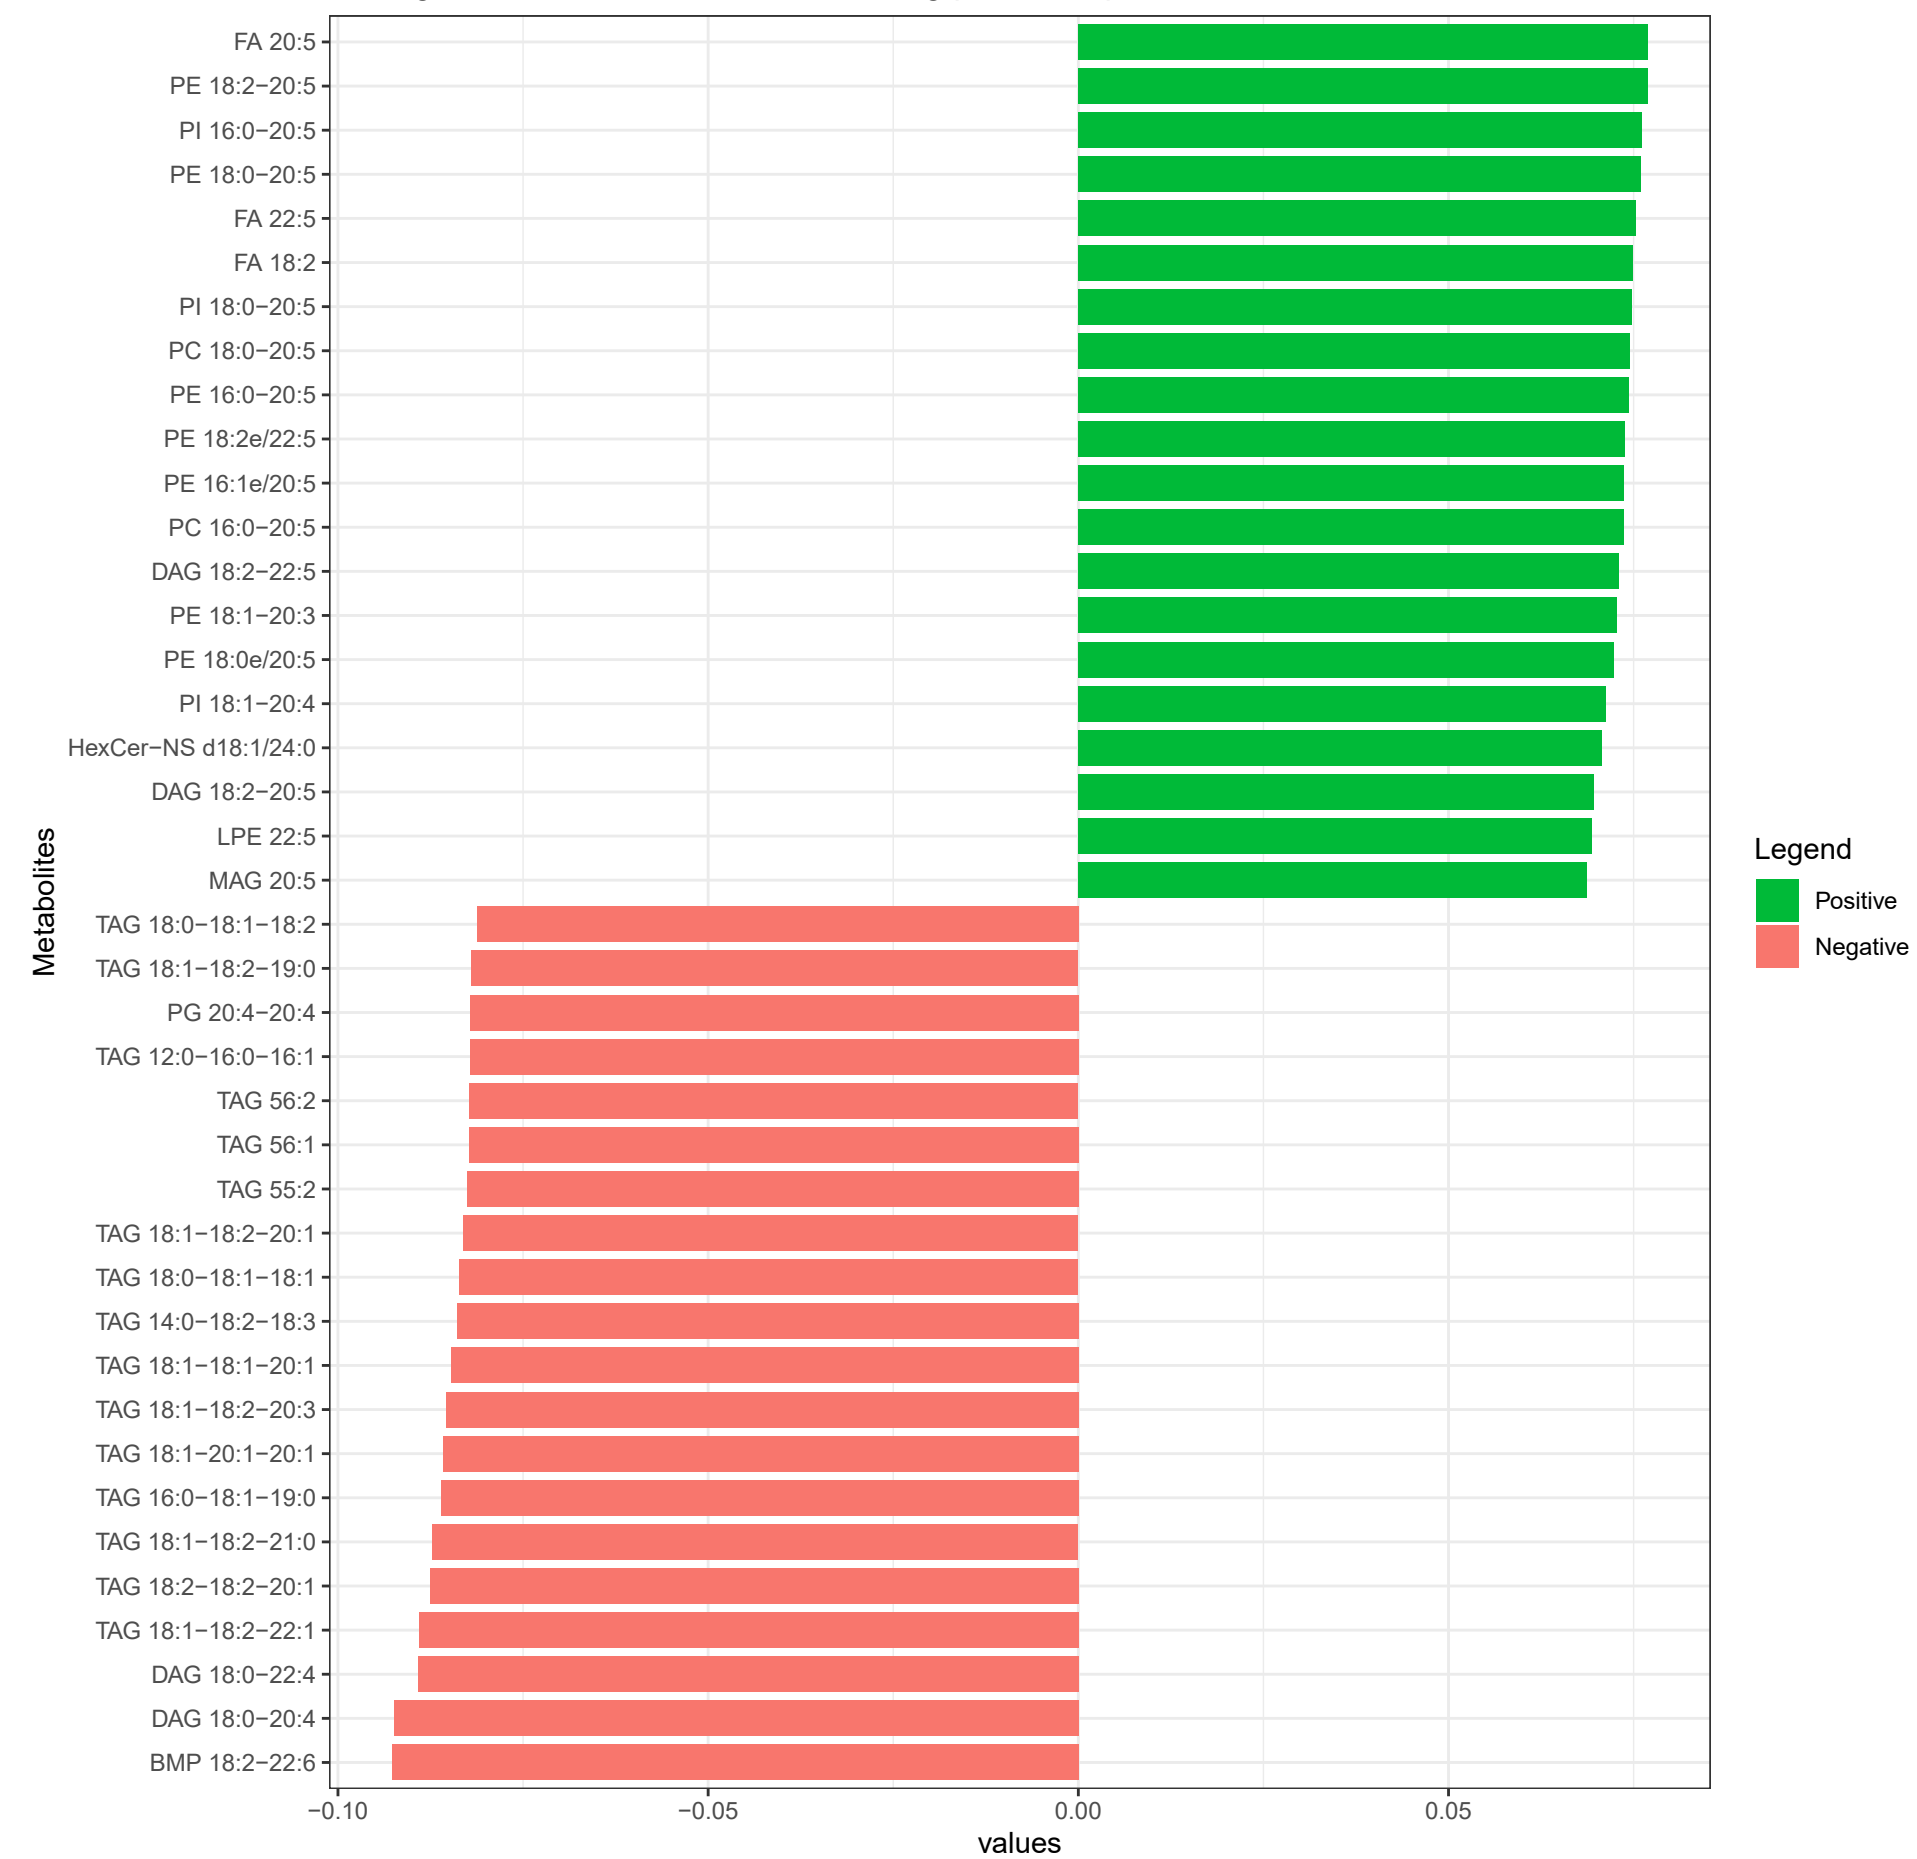

Untargeted: Lung PC2 loading plot for Top20 from max/min values

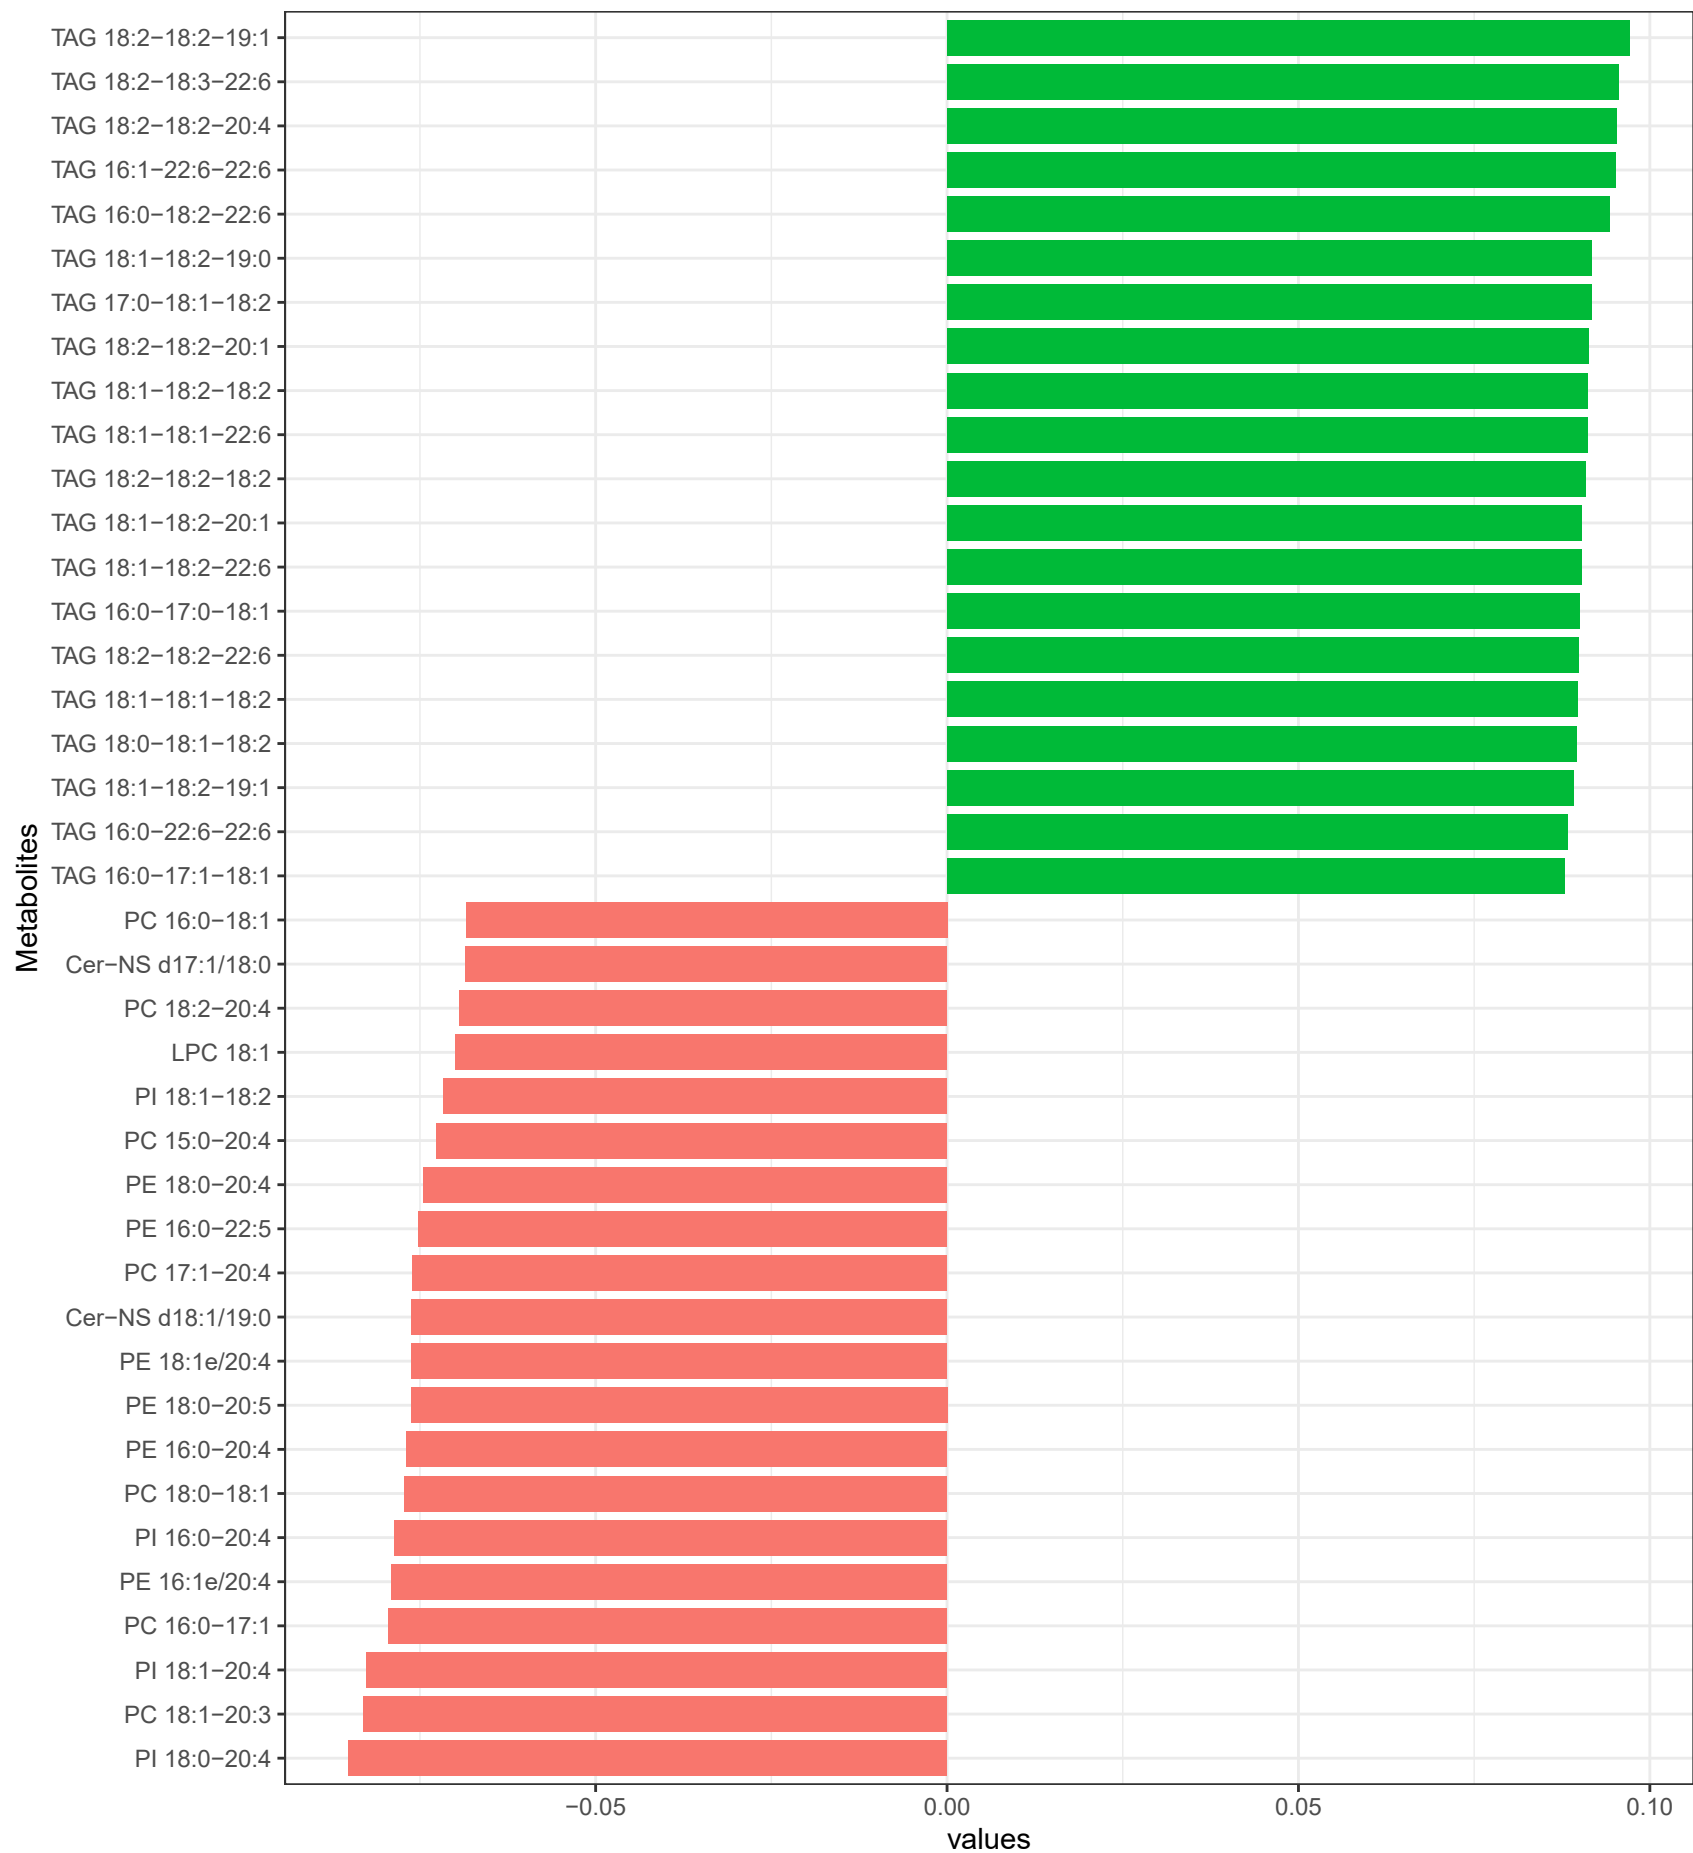

Untargeted: Small intestine PC1 loading plot for Top20 from max/min values

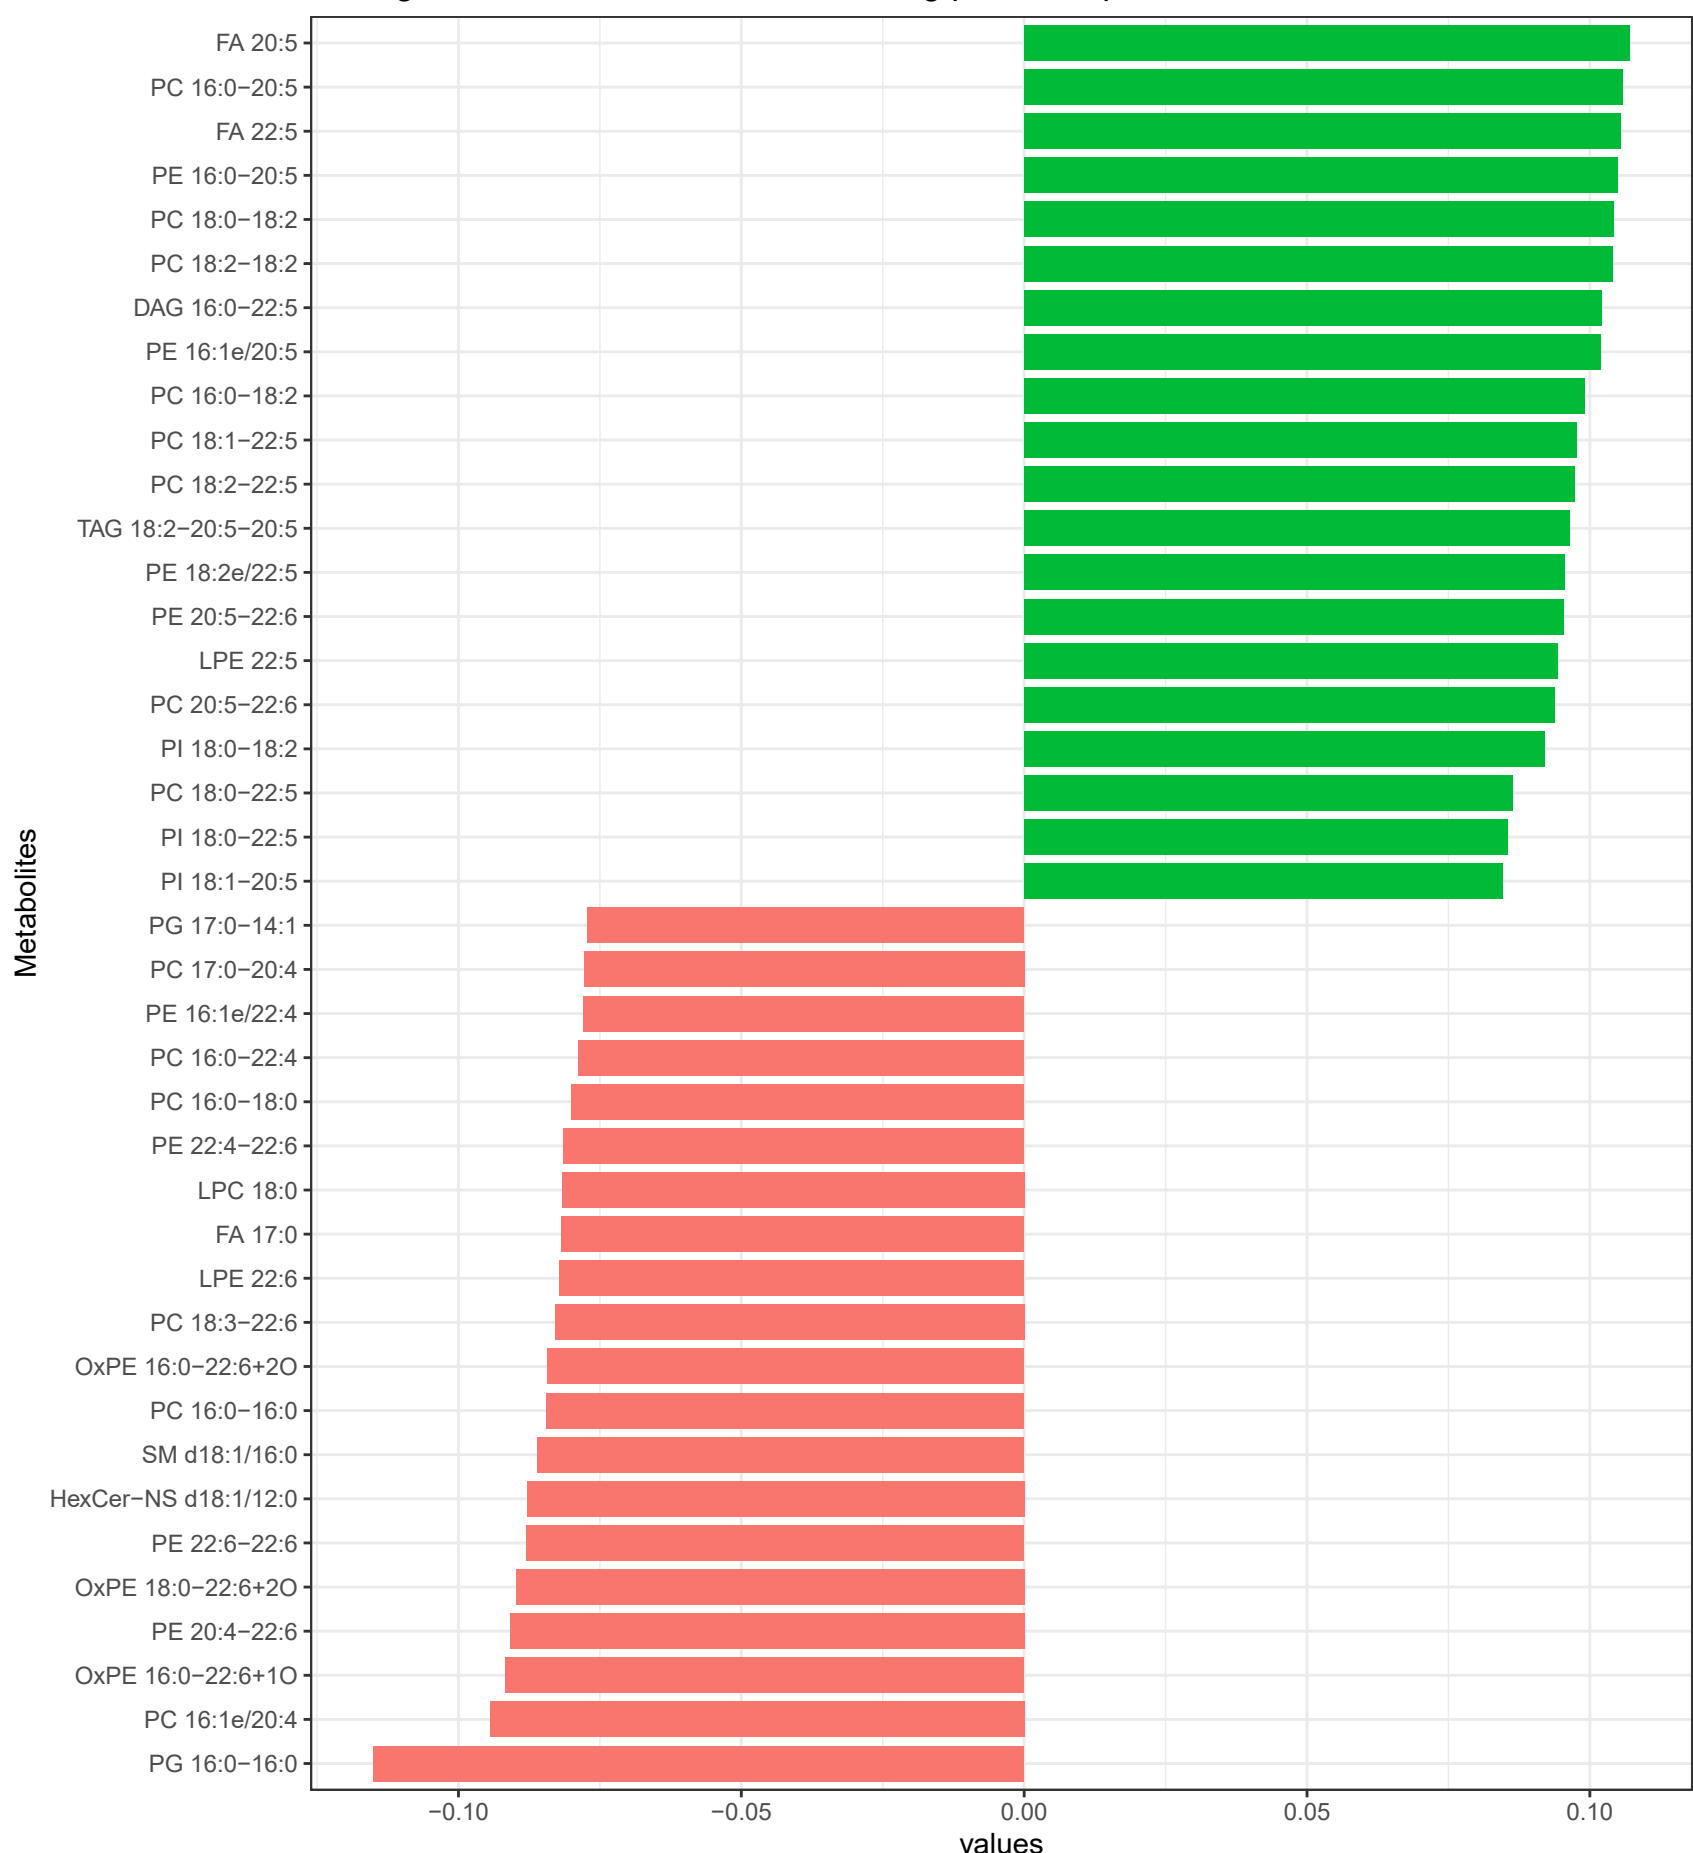

Untargeted: Small intestine PC2 loading plot for Top20 from max/min values

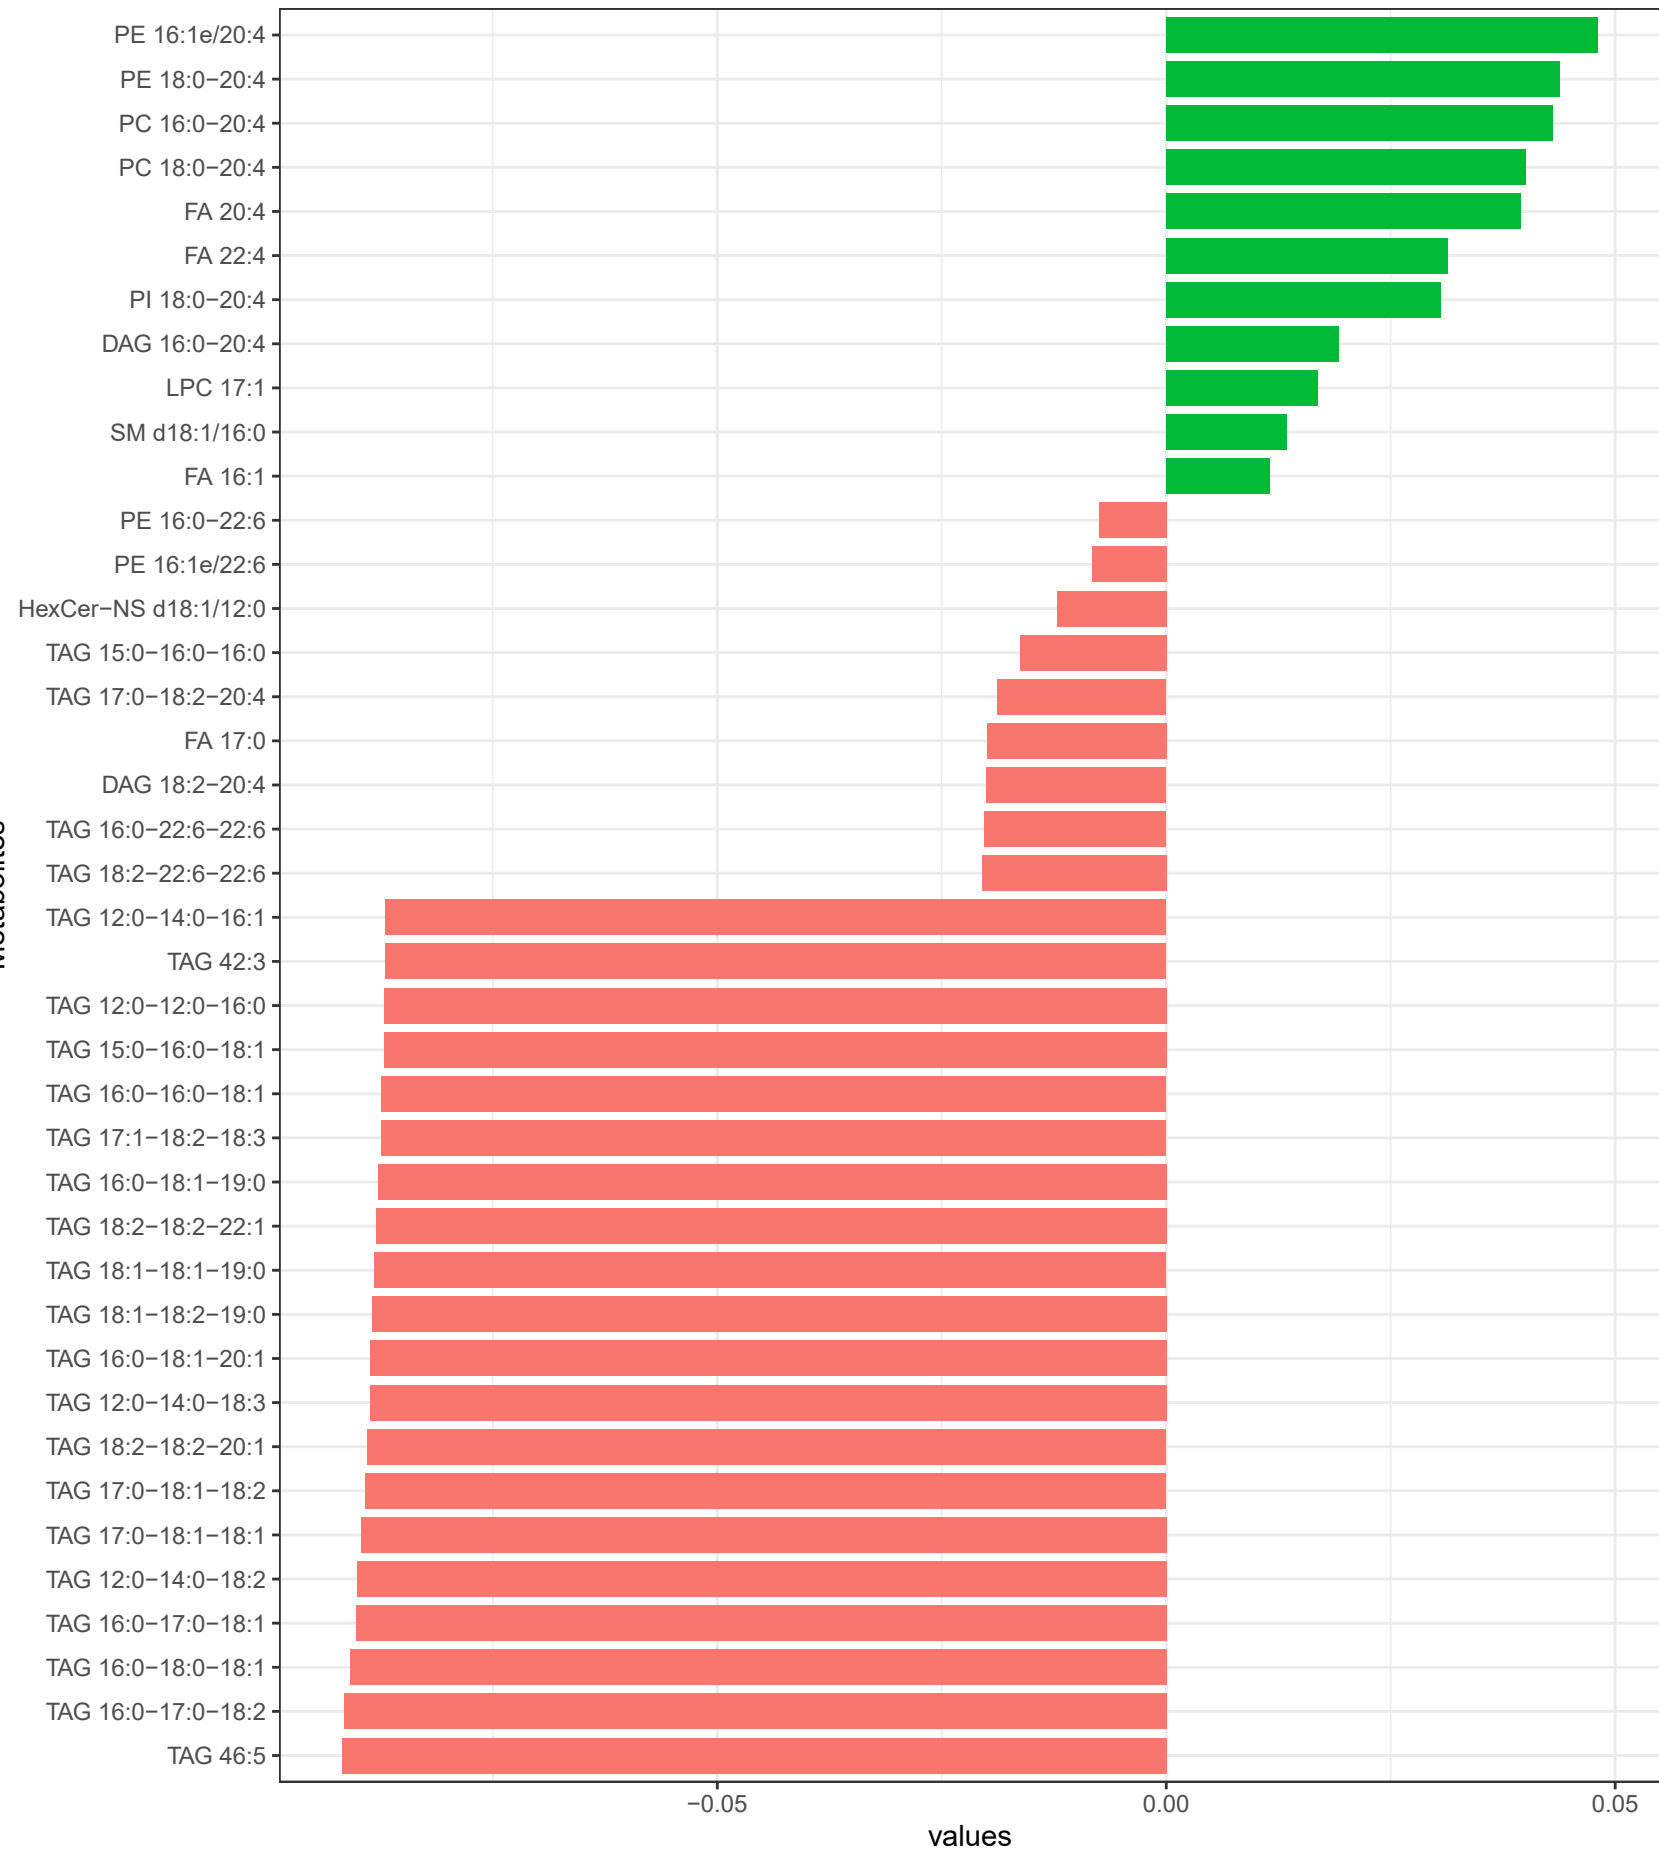

Untargeted: Skeletal muscle PC1 loading plot for Top20 from max/min values

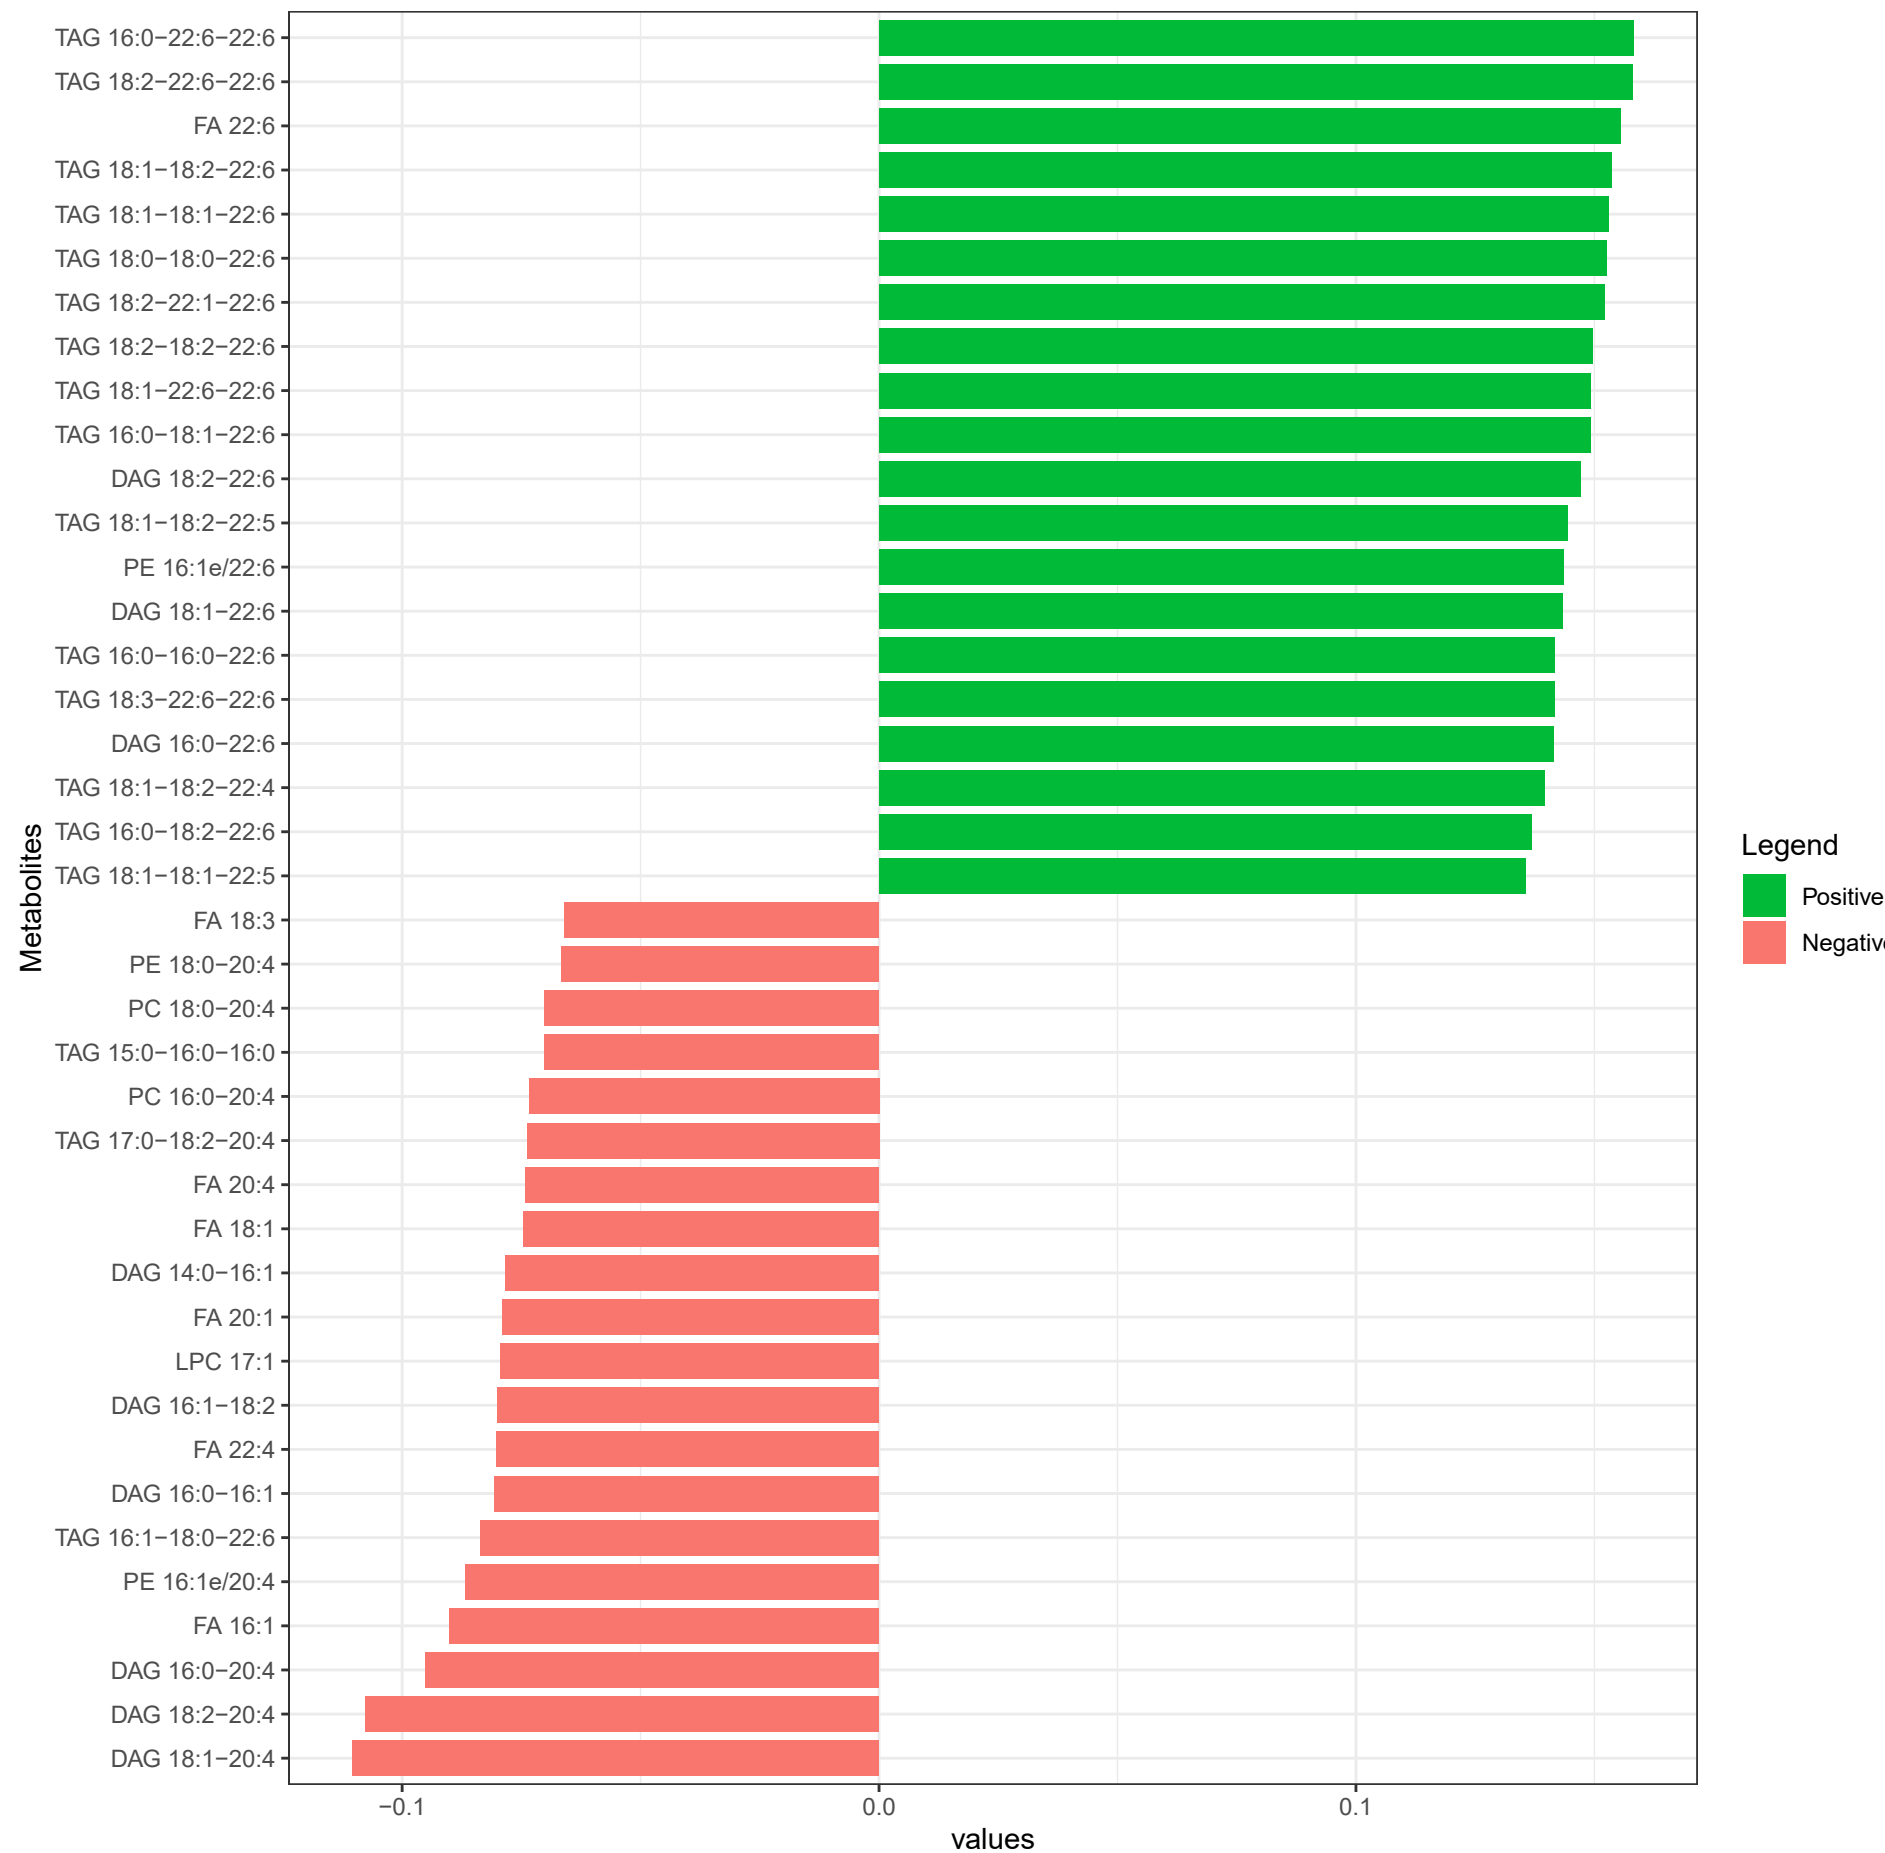

Untargeted: Skeletal muscle PC2 loading plot for Top20 from max/min values

Untargeted: Adipose PC1 loading plot for Top20 from max/min values

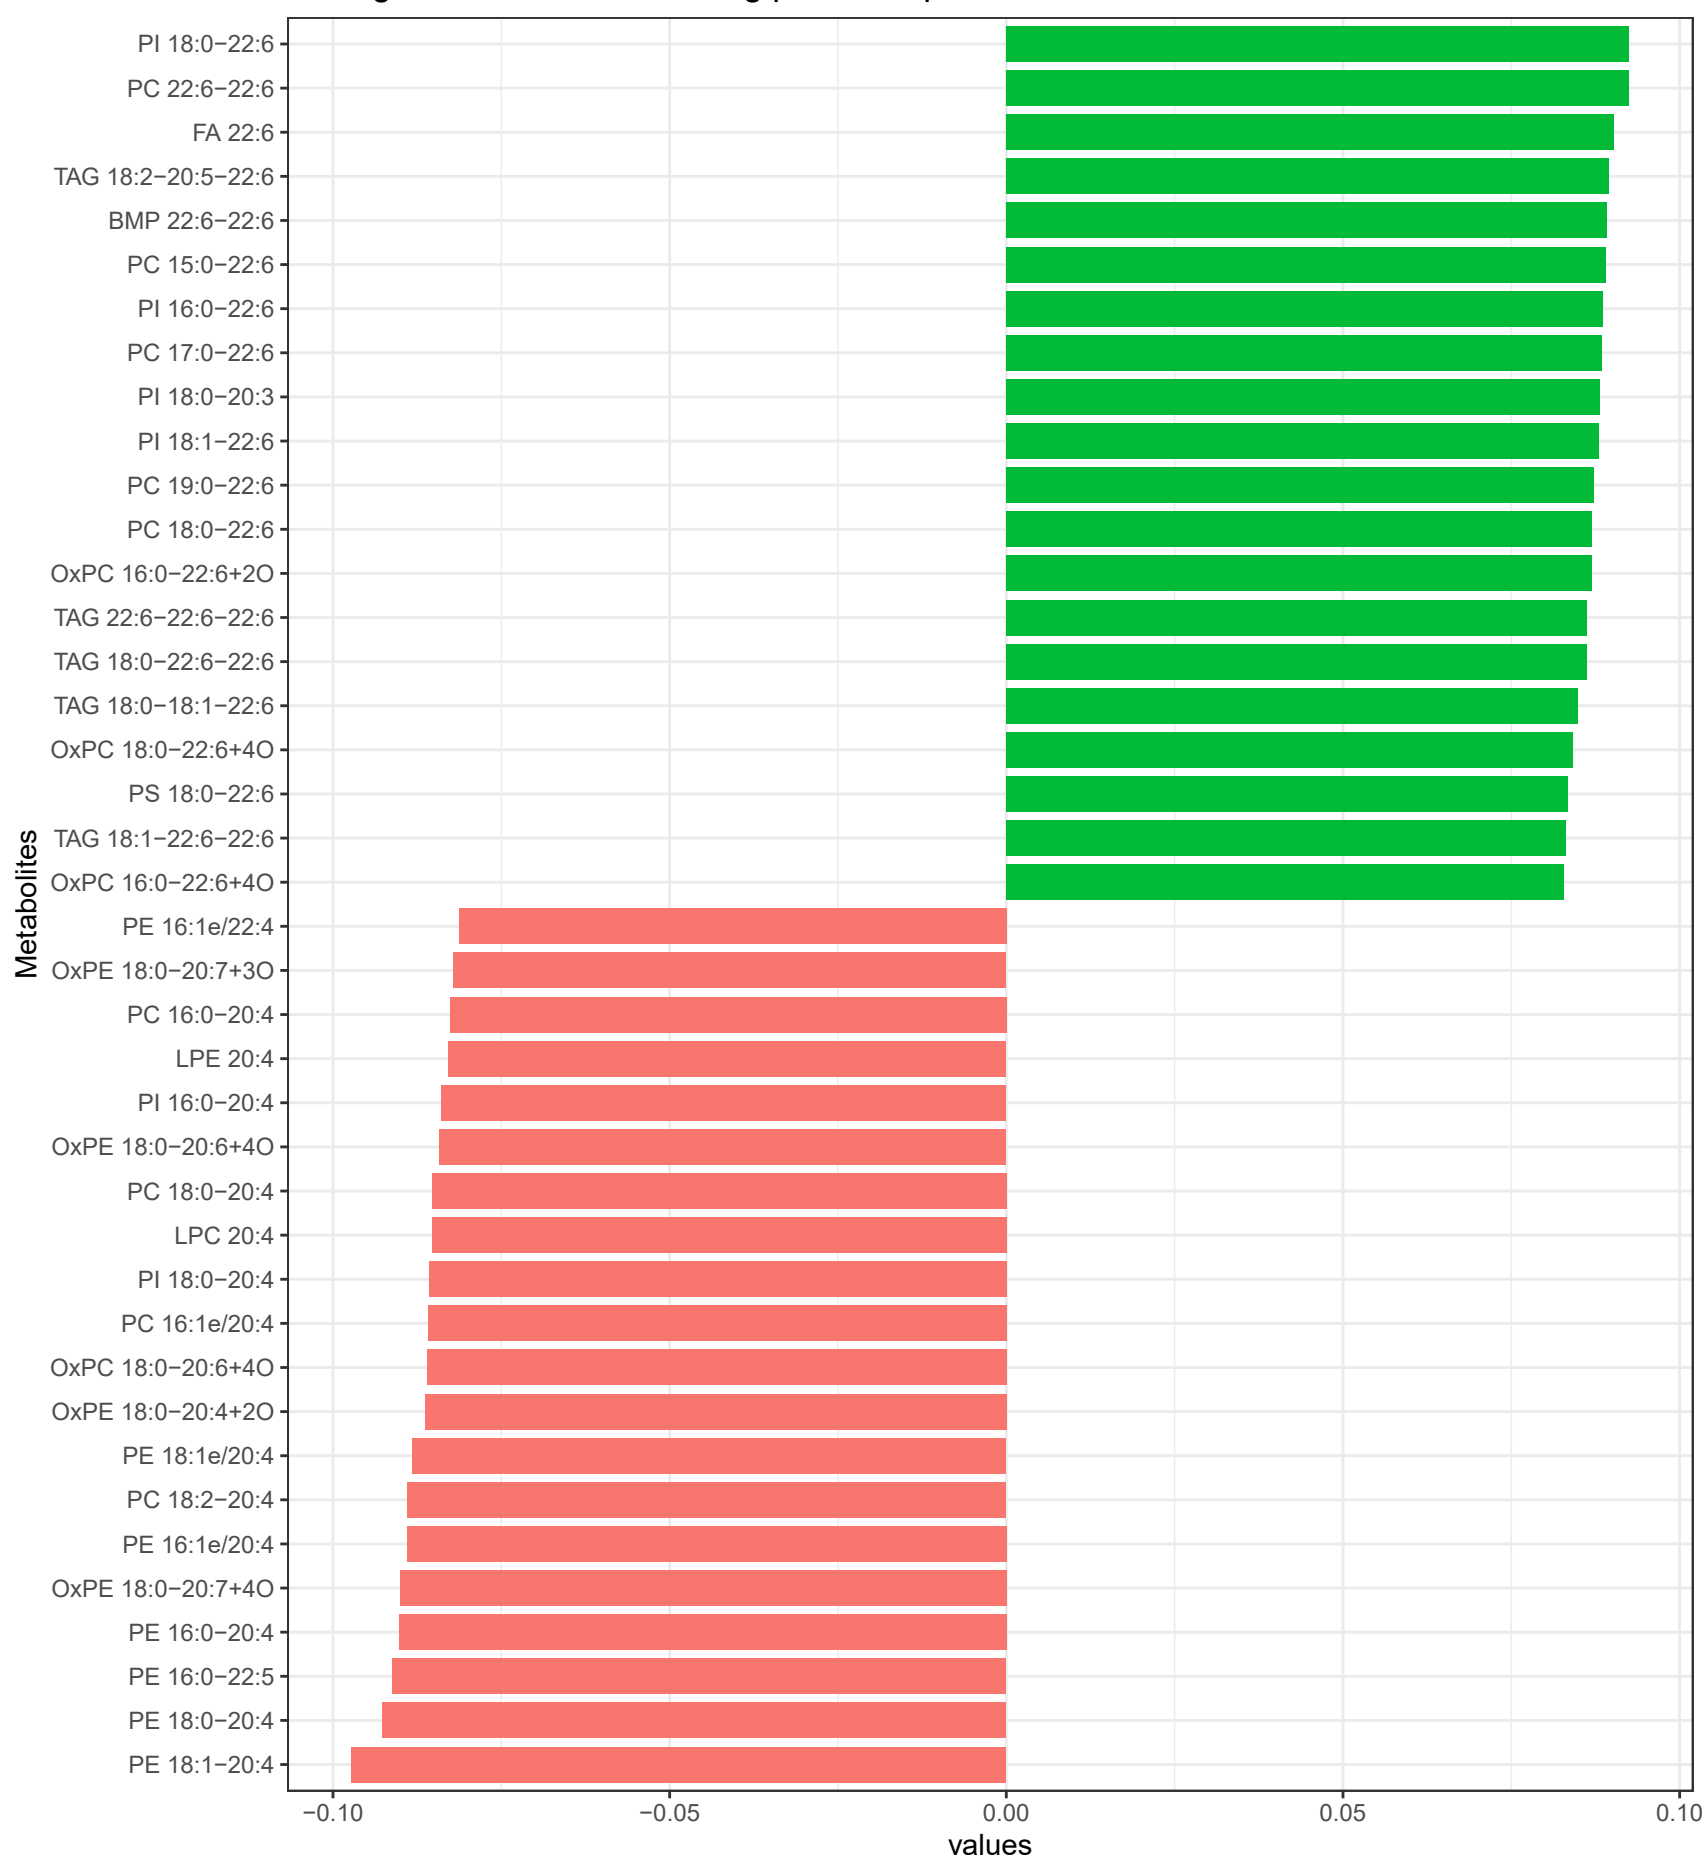

Untargeted: Adipose PC2 loading plot for Top20 from max/min values

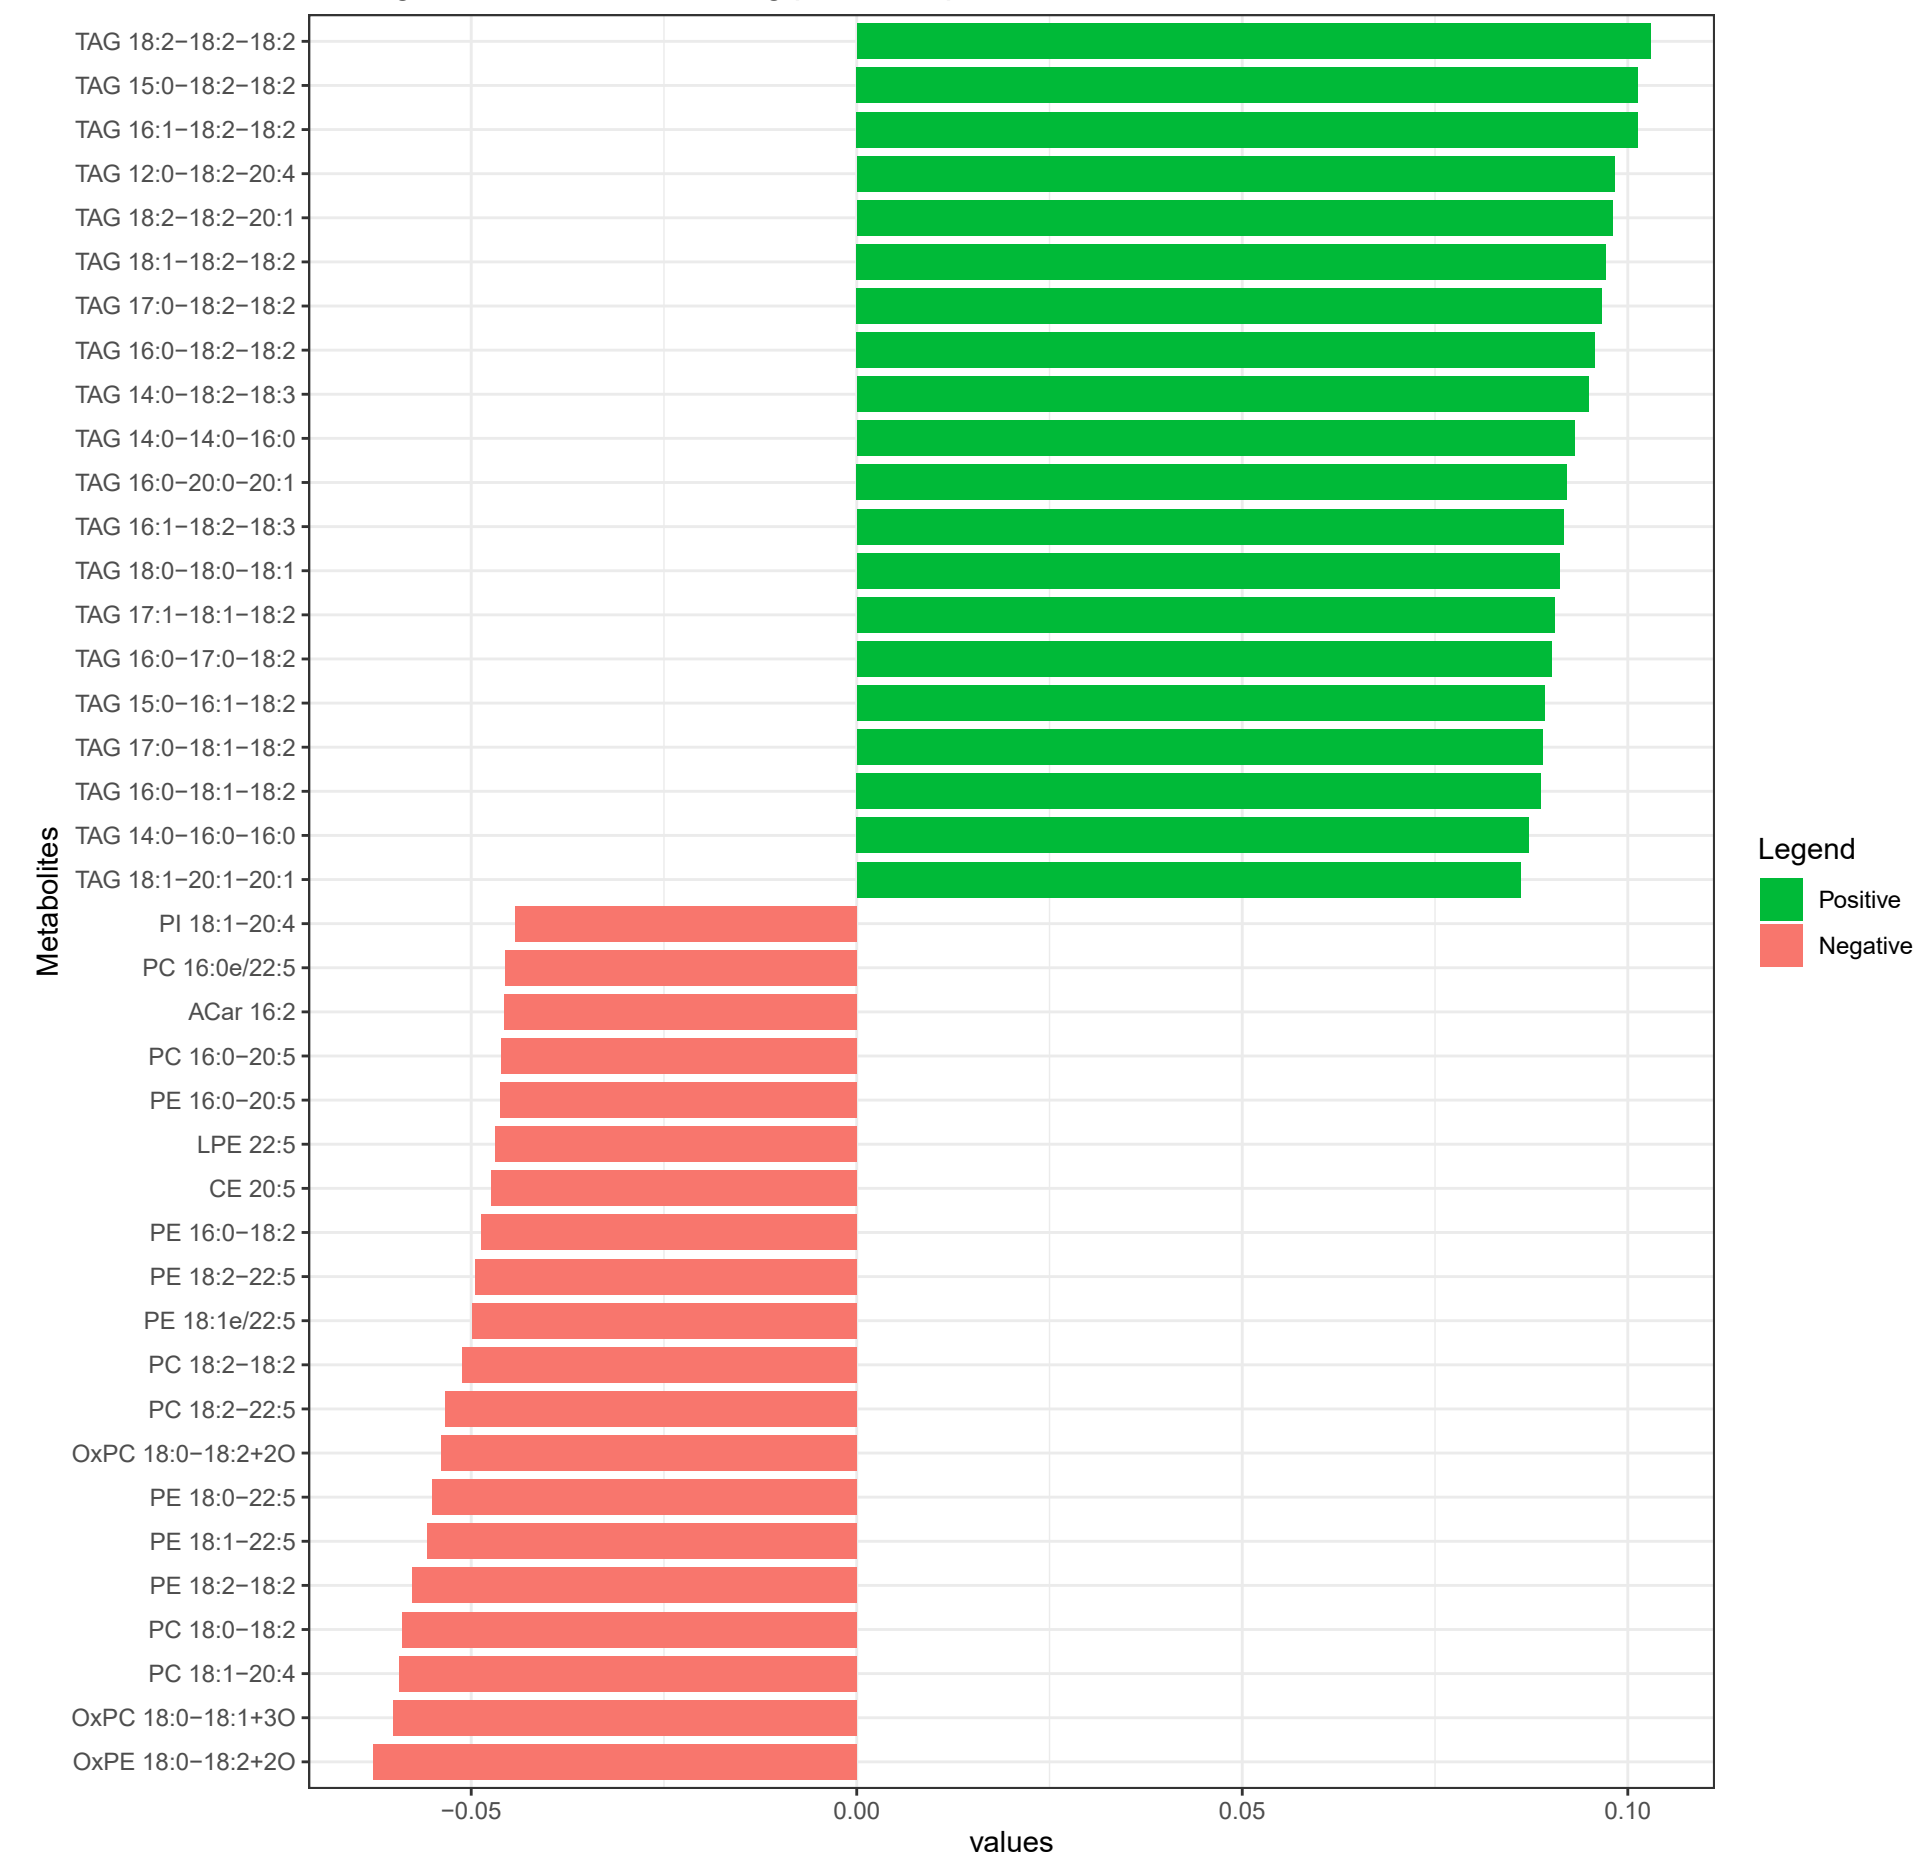

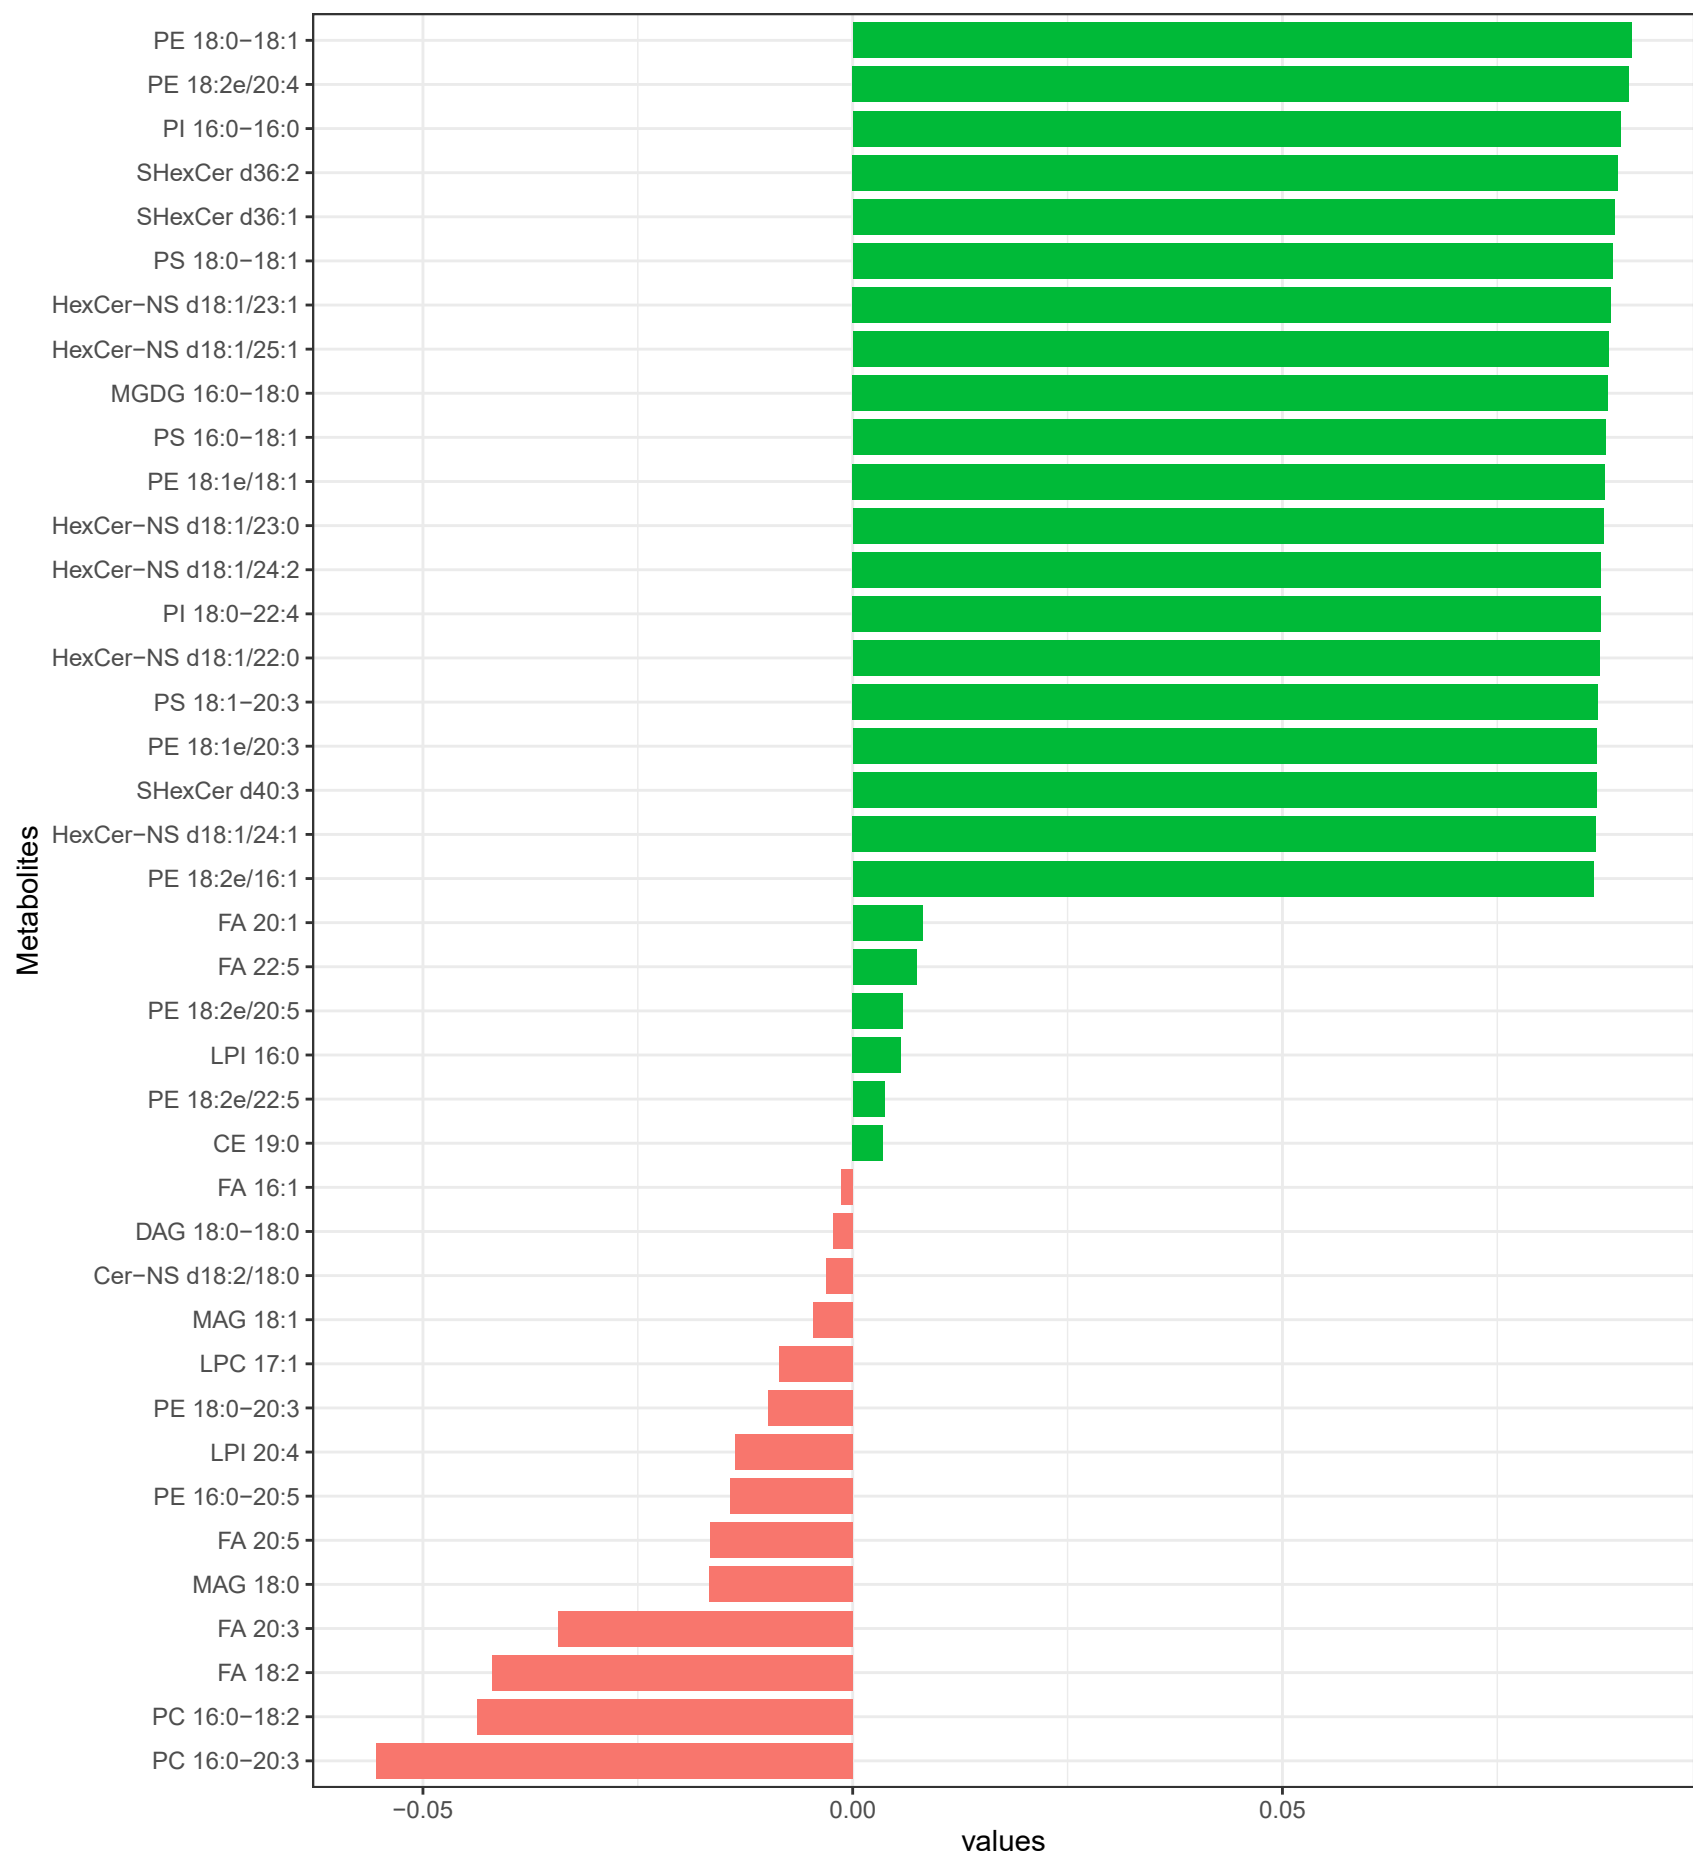

Untargeted: Heart PC1 loading plot for Top20 from max/min values

Untargeted: Heart PC2 loading plot for Top20 from max/min values

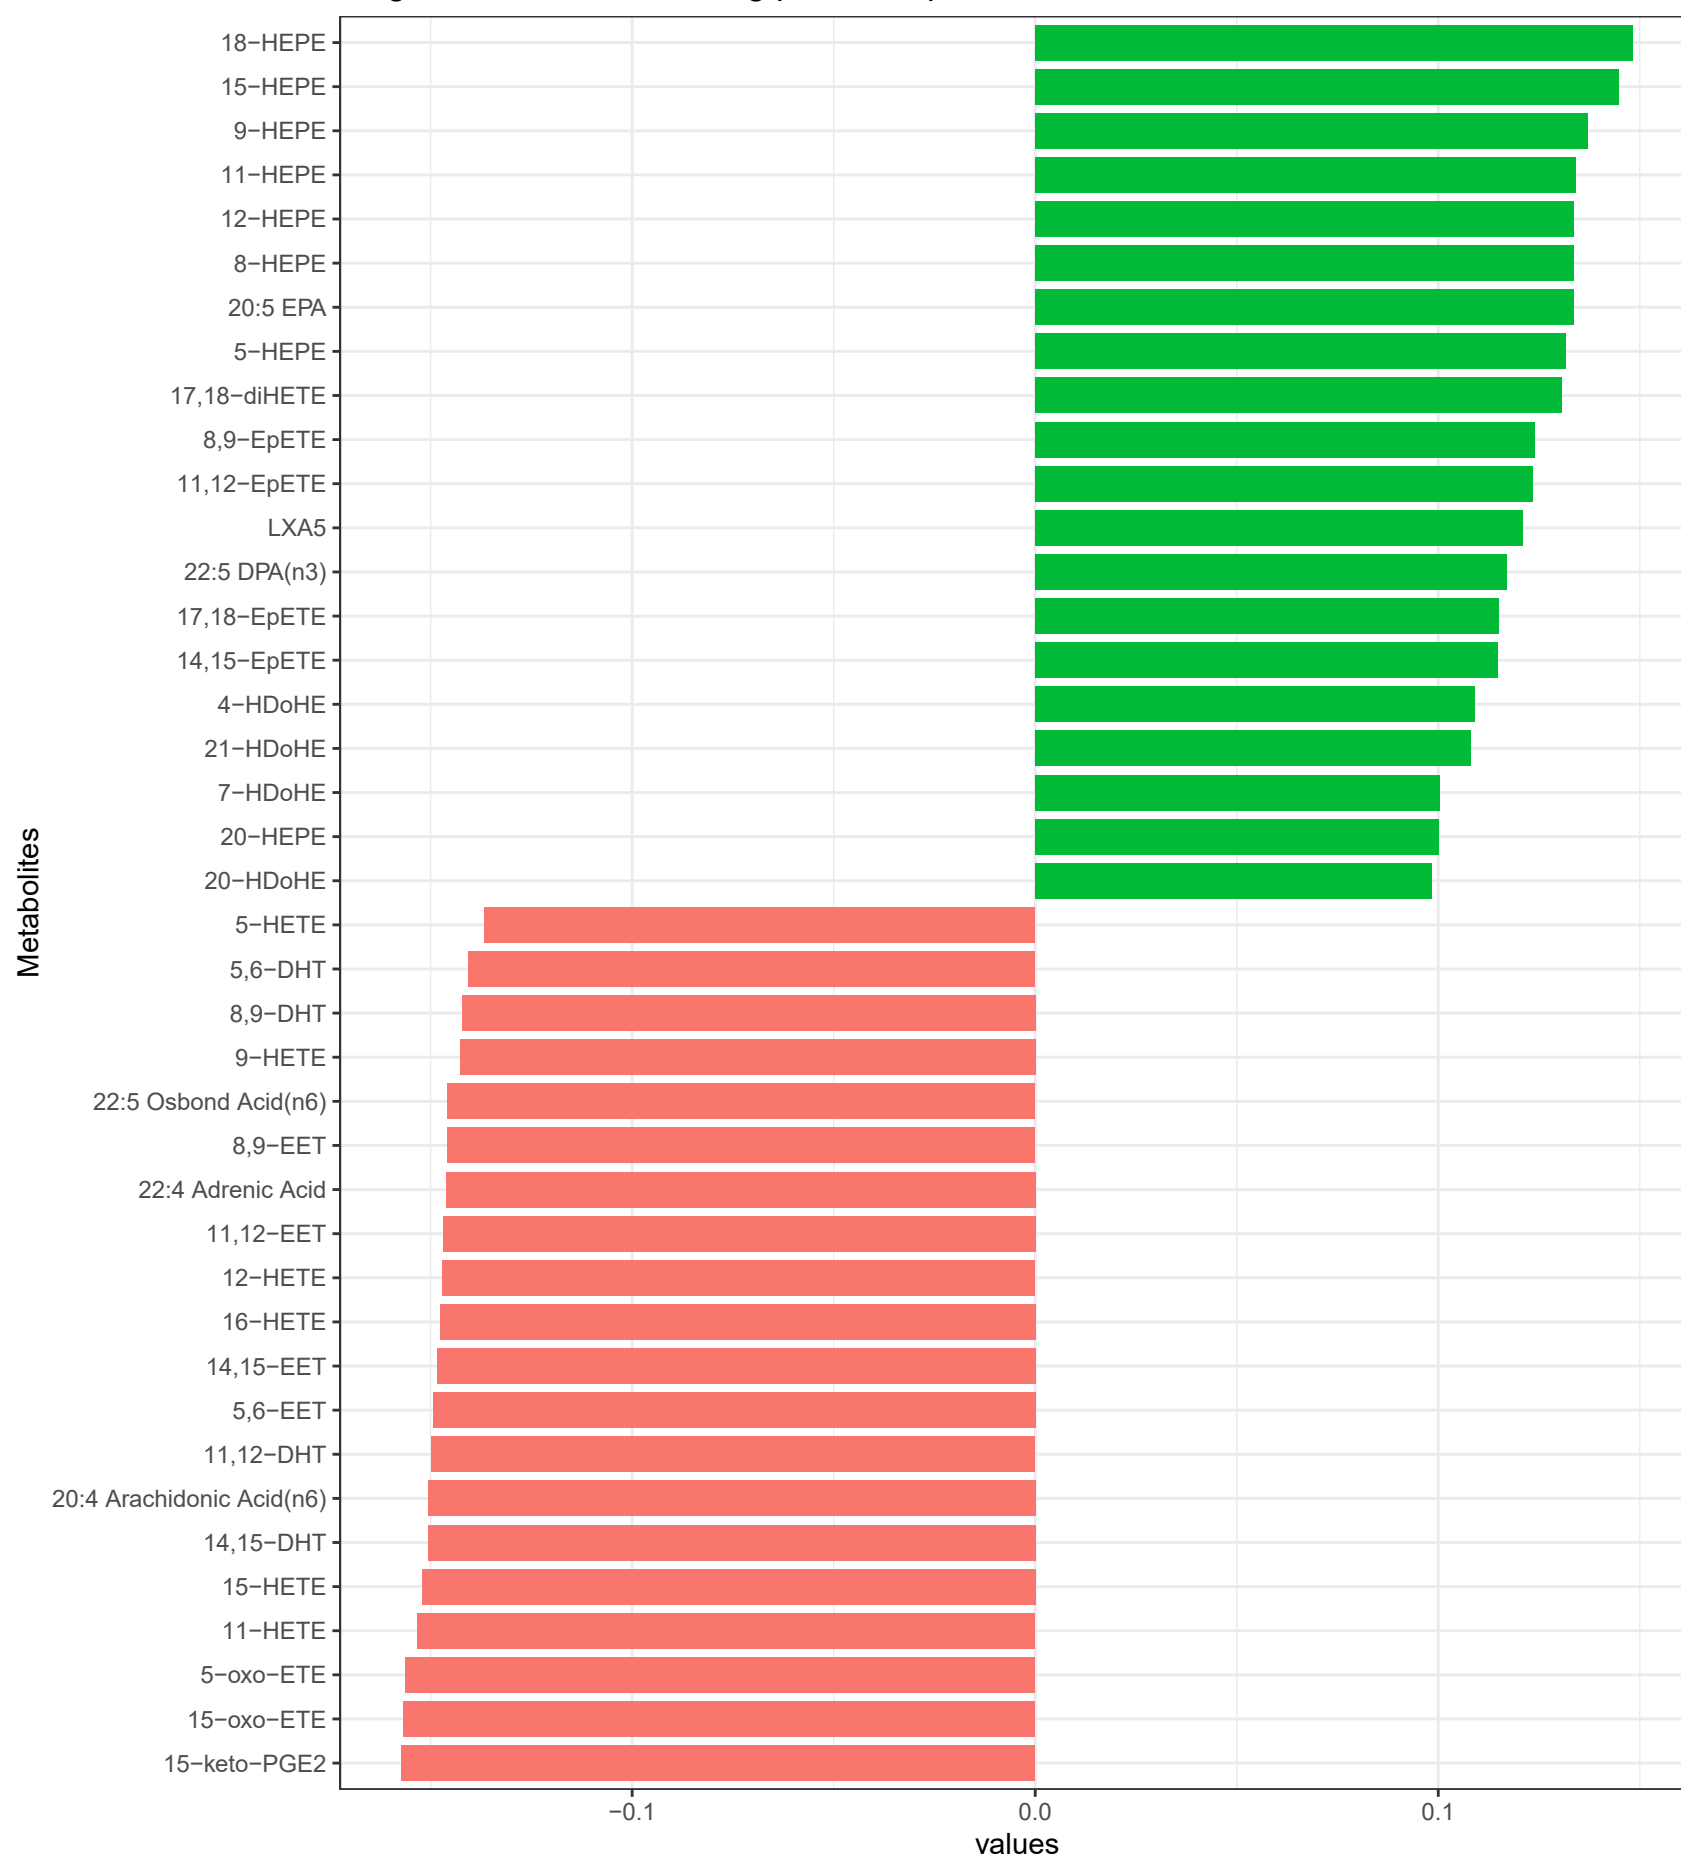

Untargeted: Brain PC1 loading plot for Top20 from max/min values

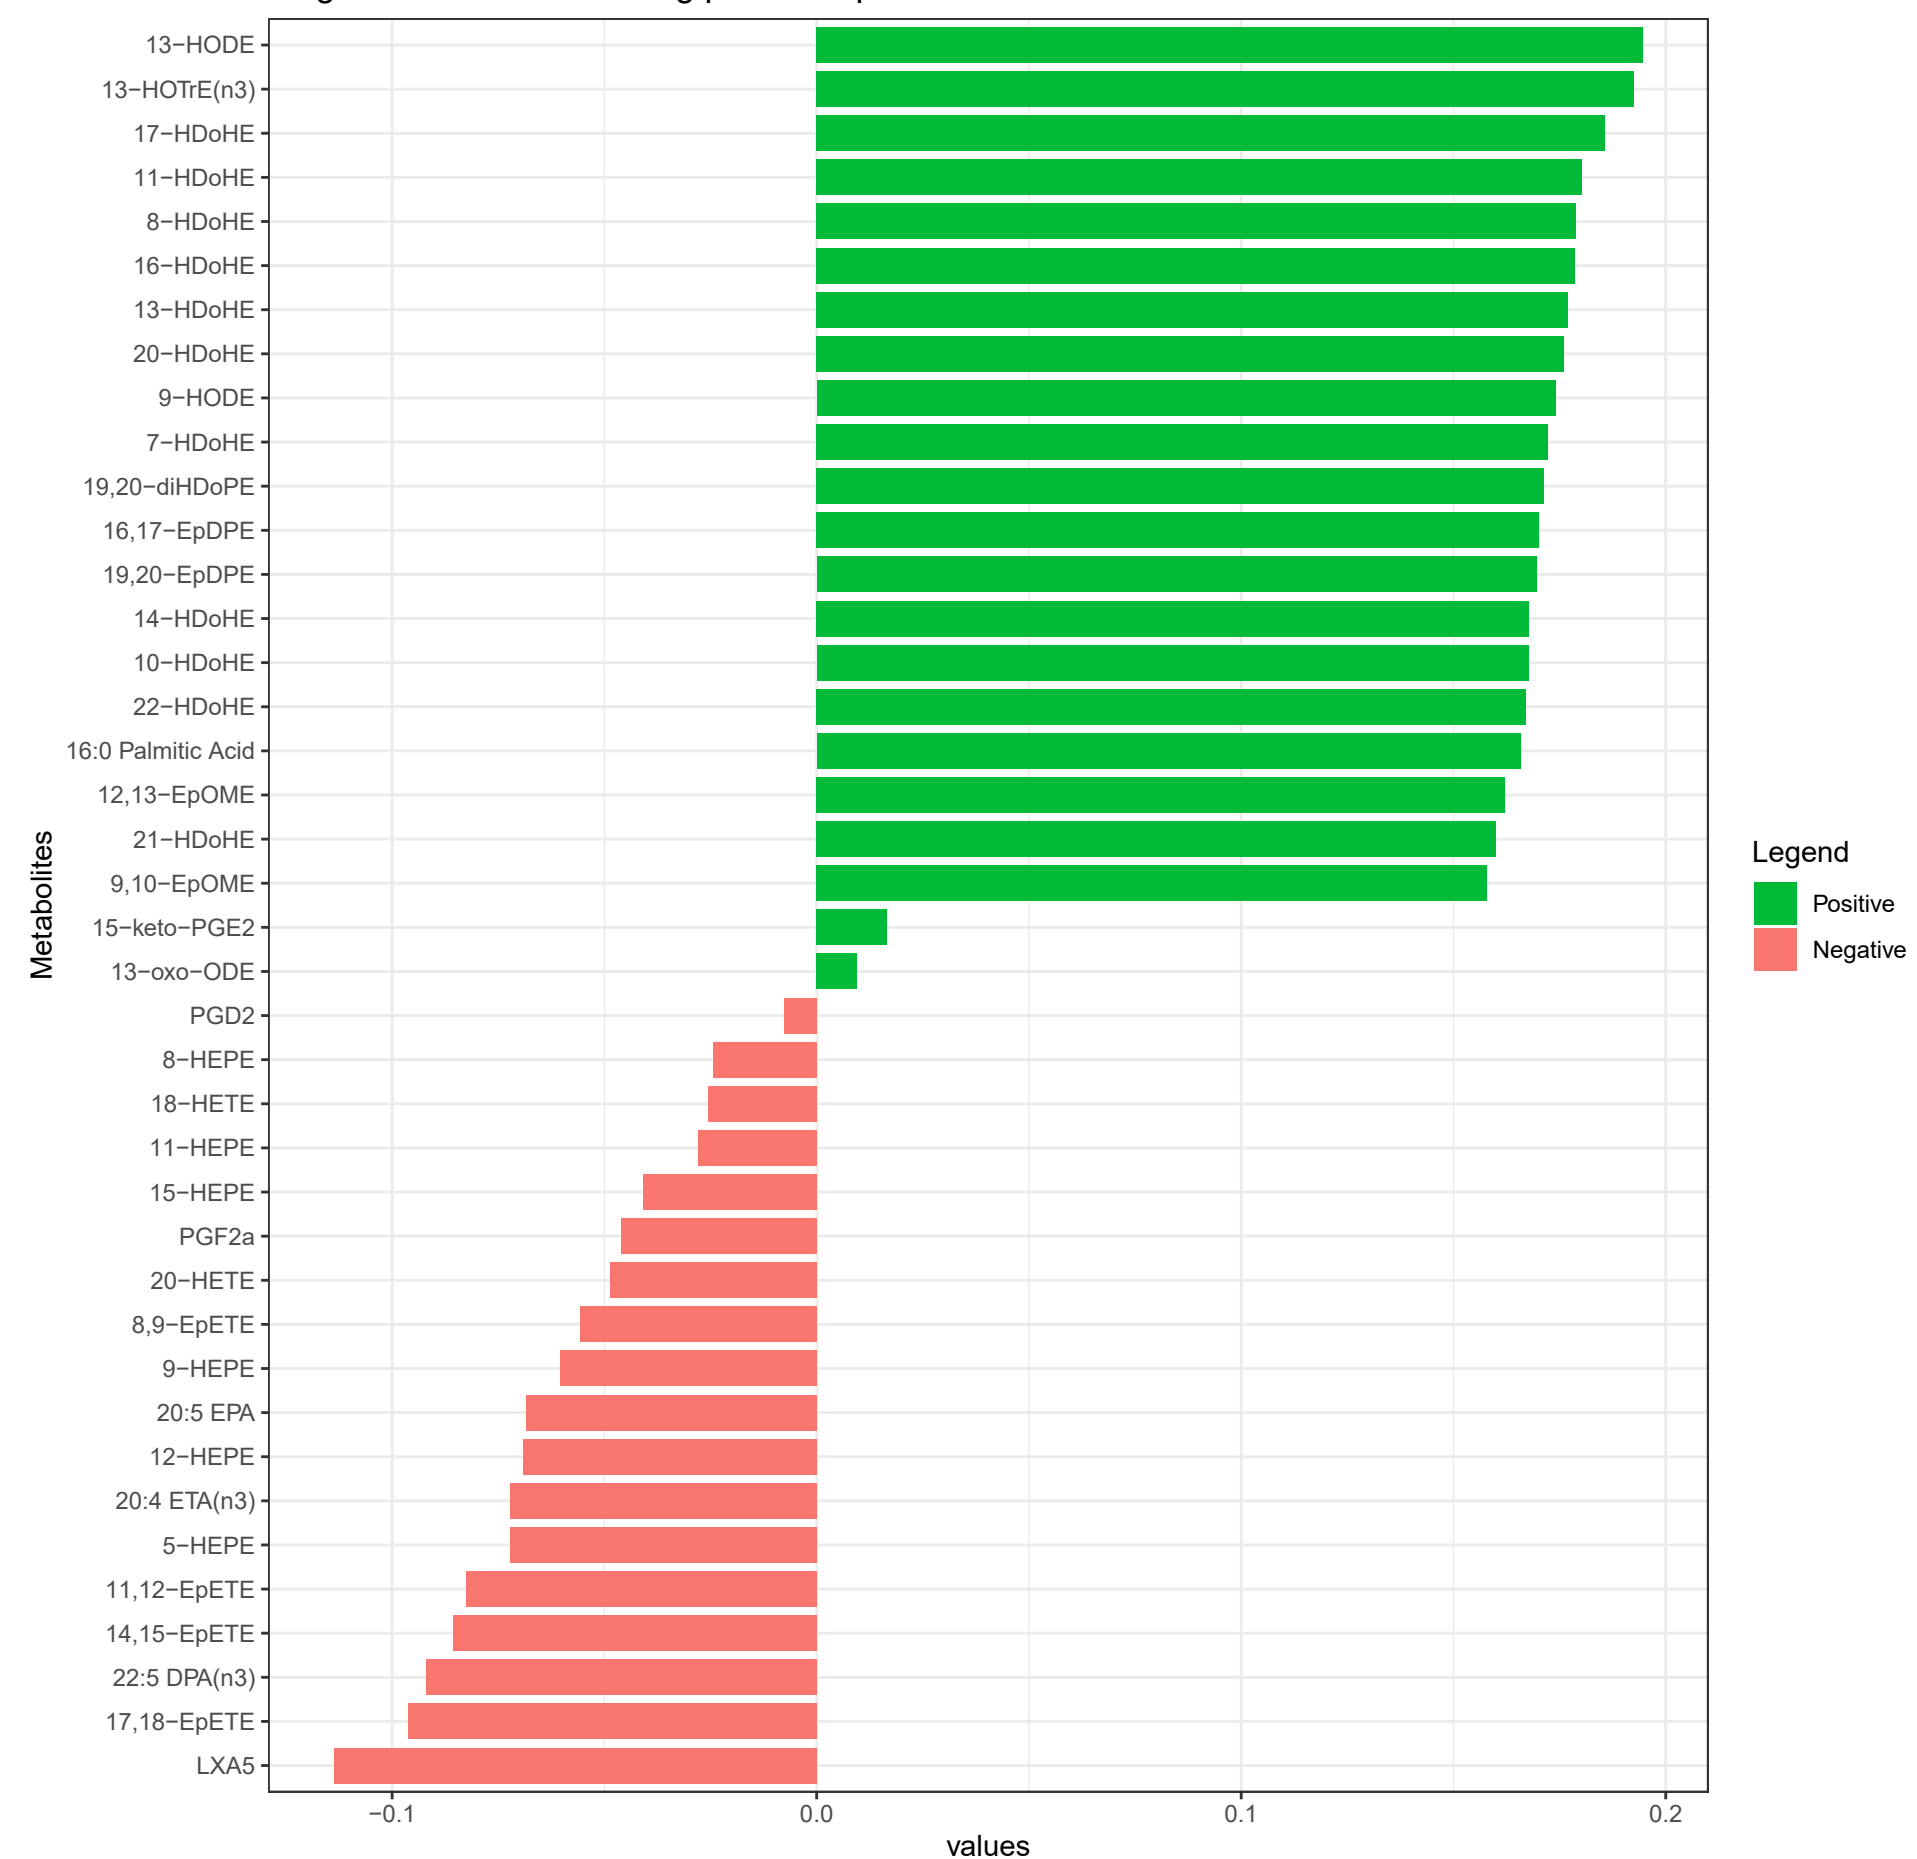

Untargeted: Brain PC2 loading plot for Top20 from max/min values

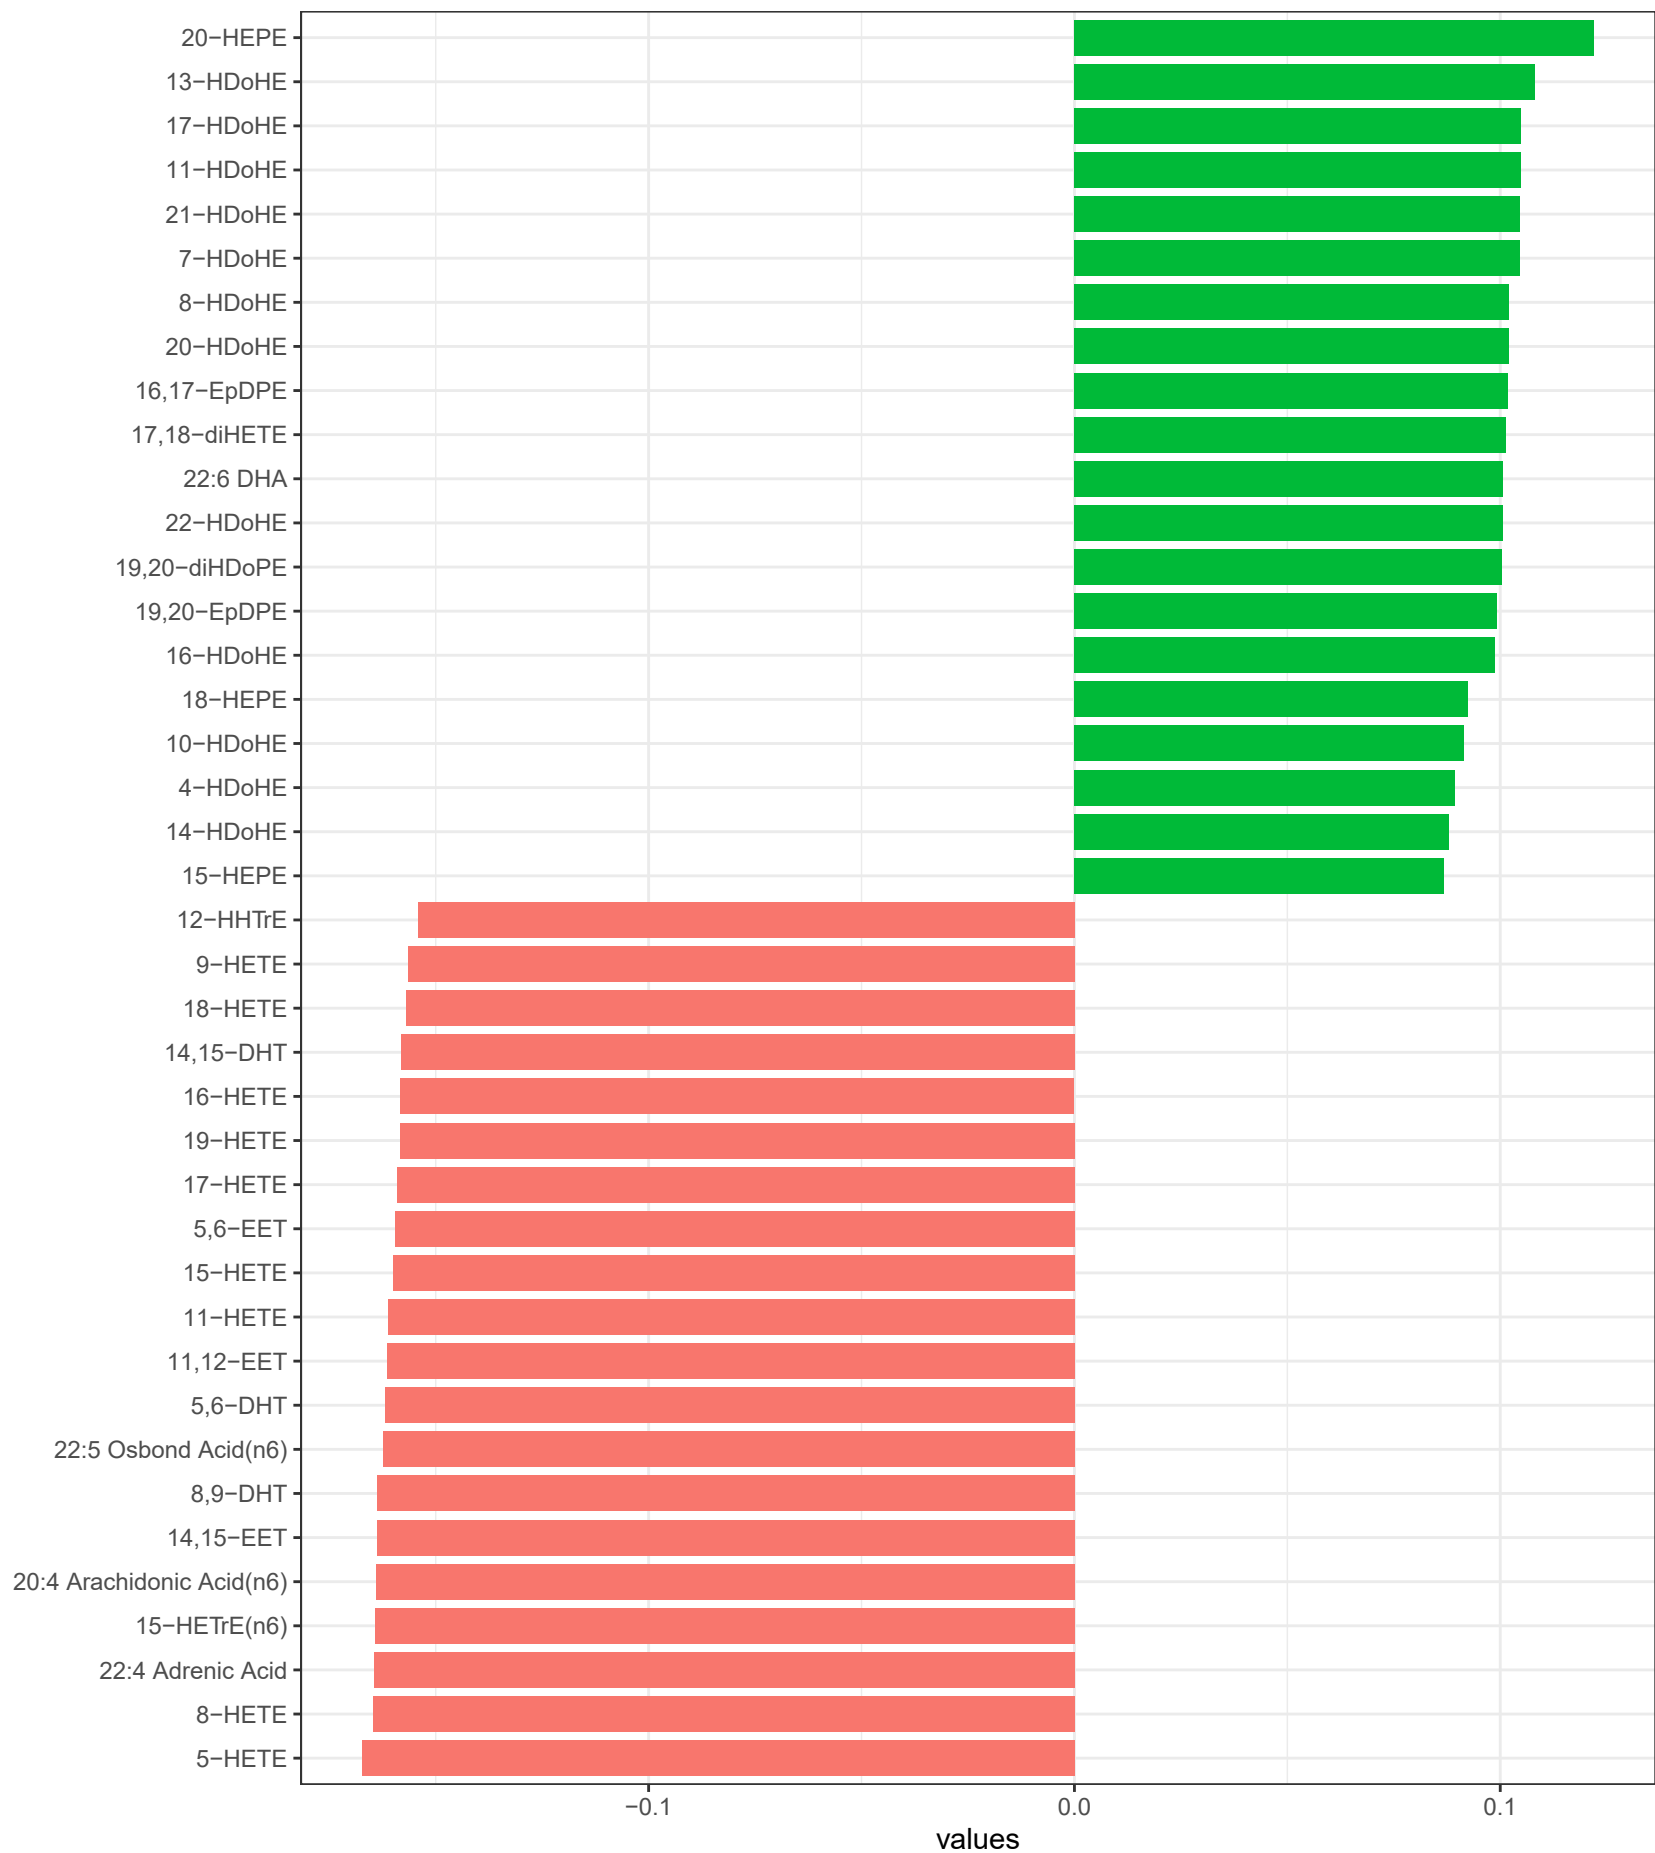

Targeted: Liver PC1 loading plot for Top20 from max/min values

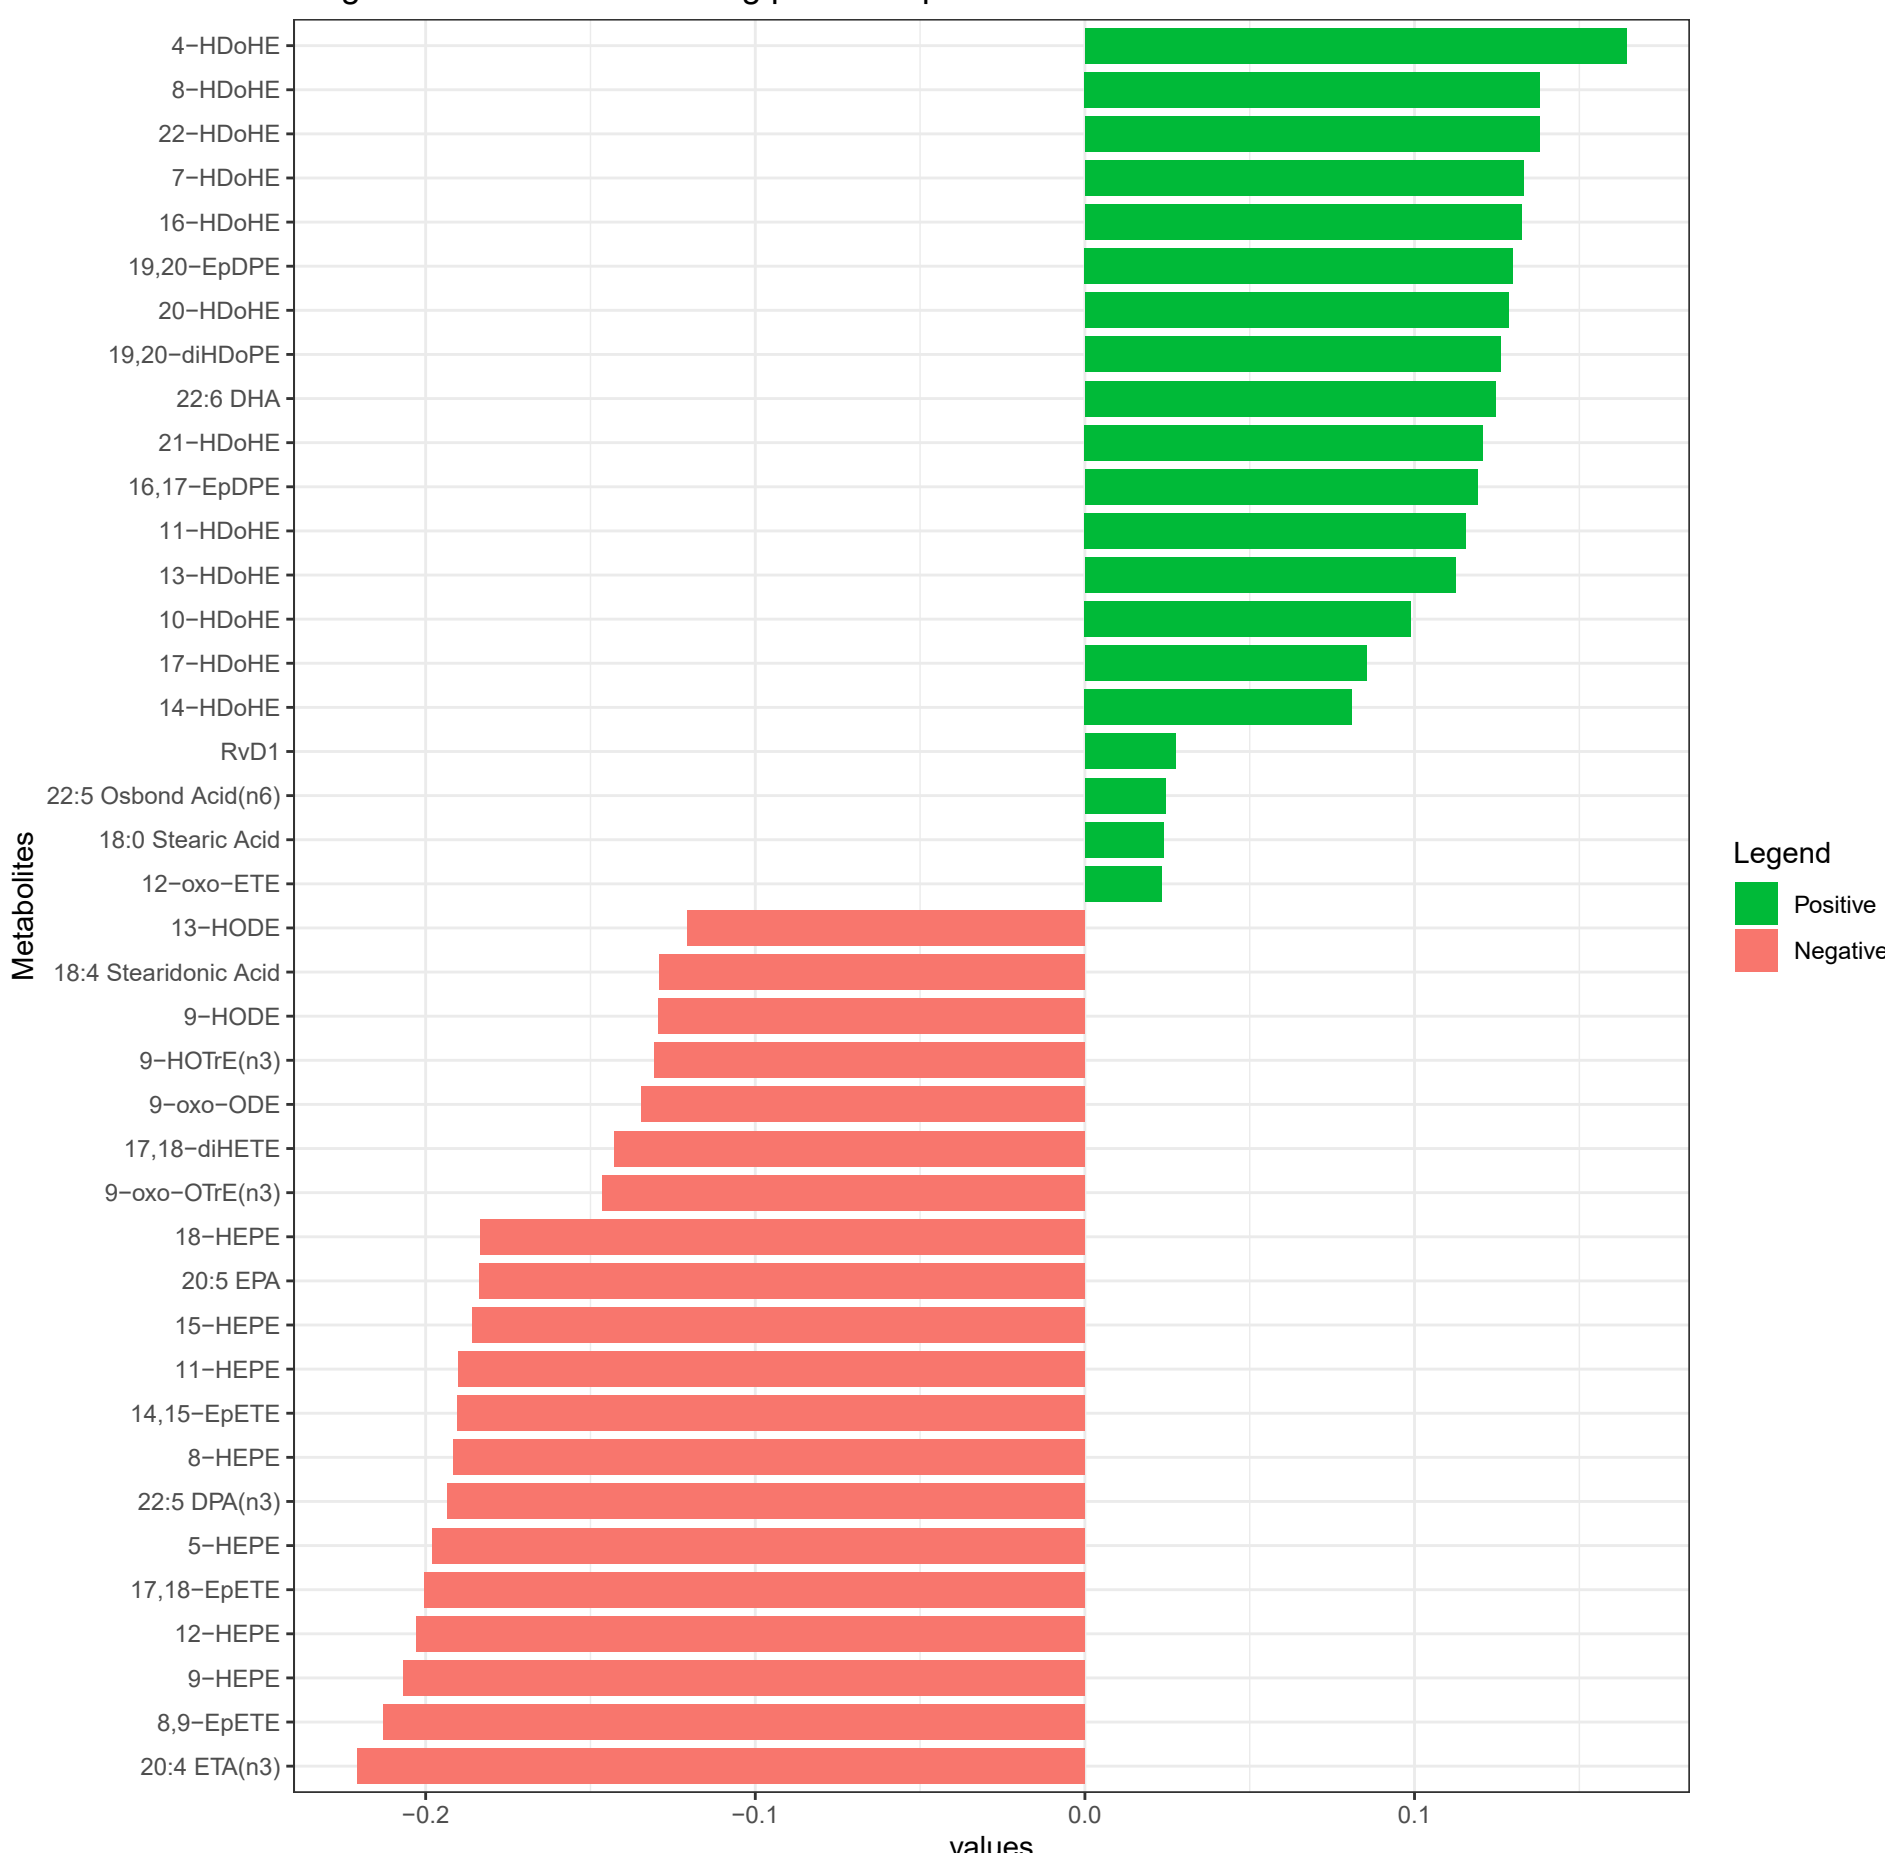

Targeted: Liver PC2 loading plot for Top20 from max/min values

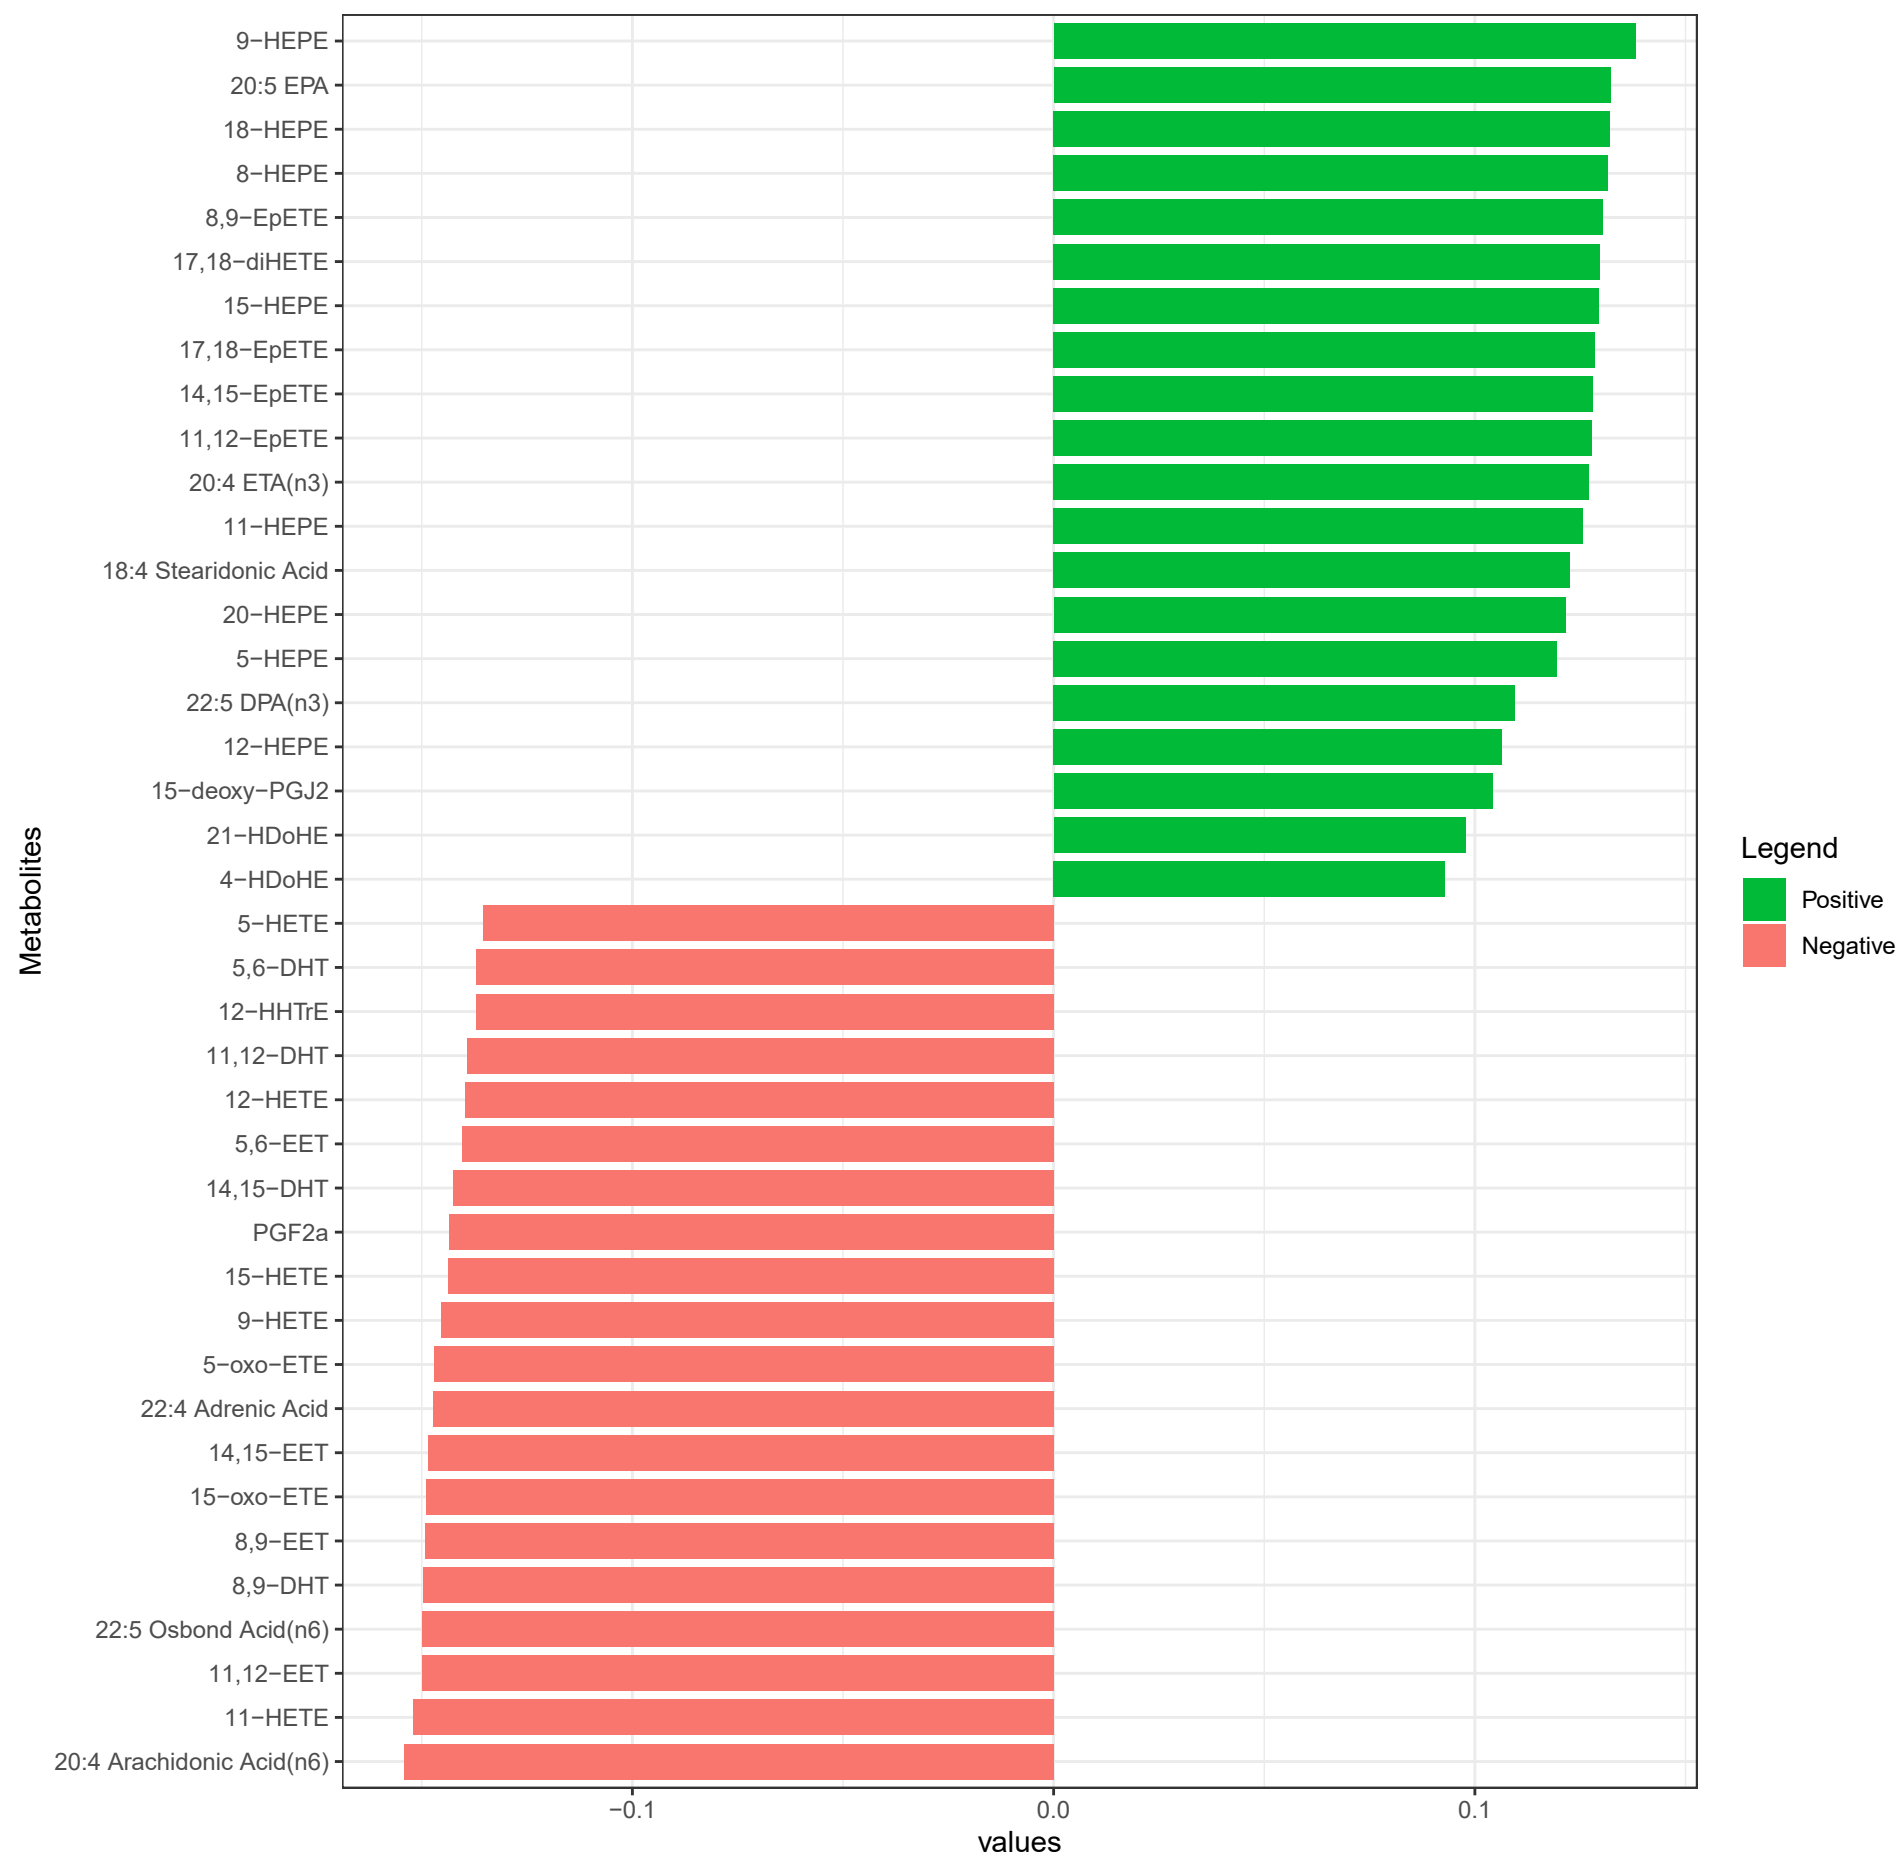

Targeted: Plasma PC1 loading plot for Top20 from max/min values

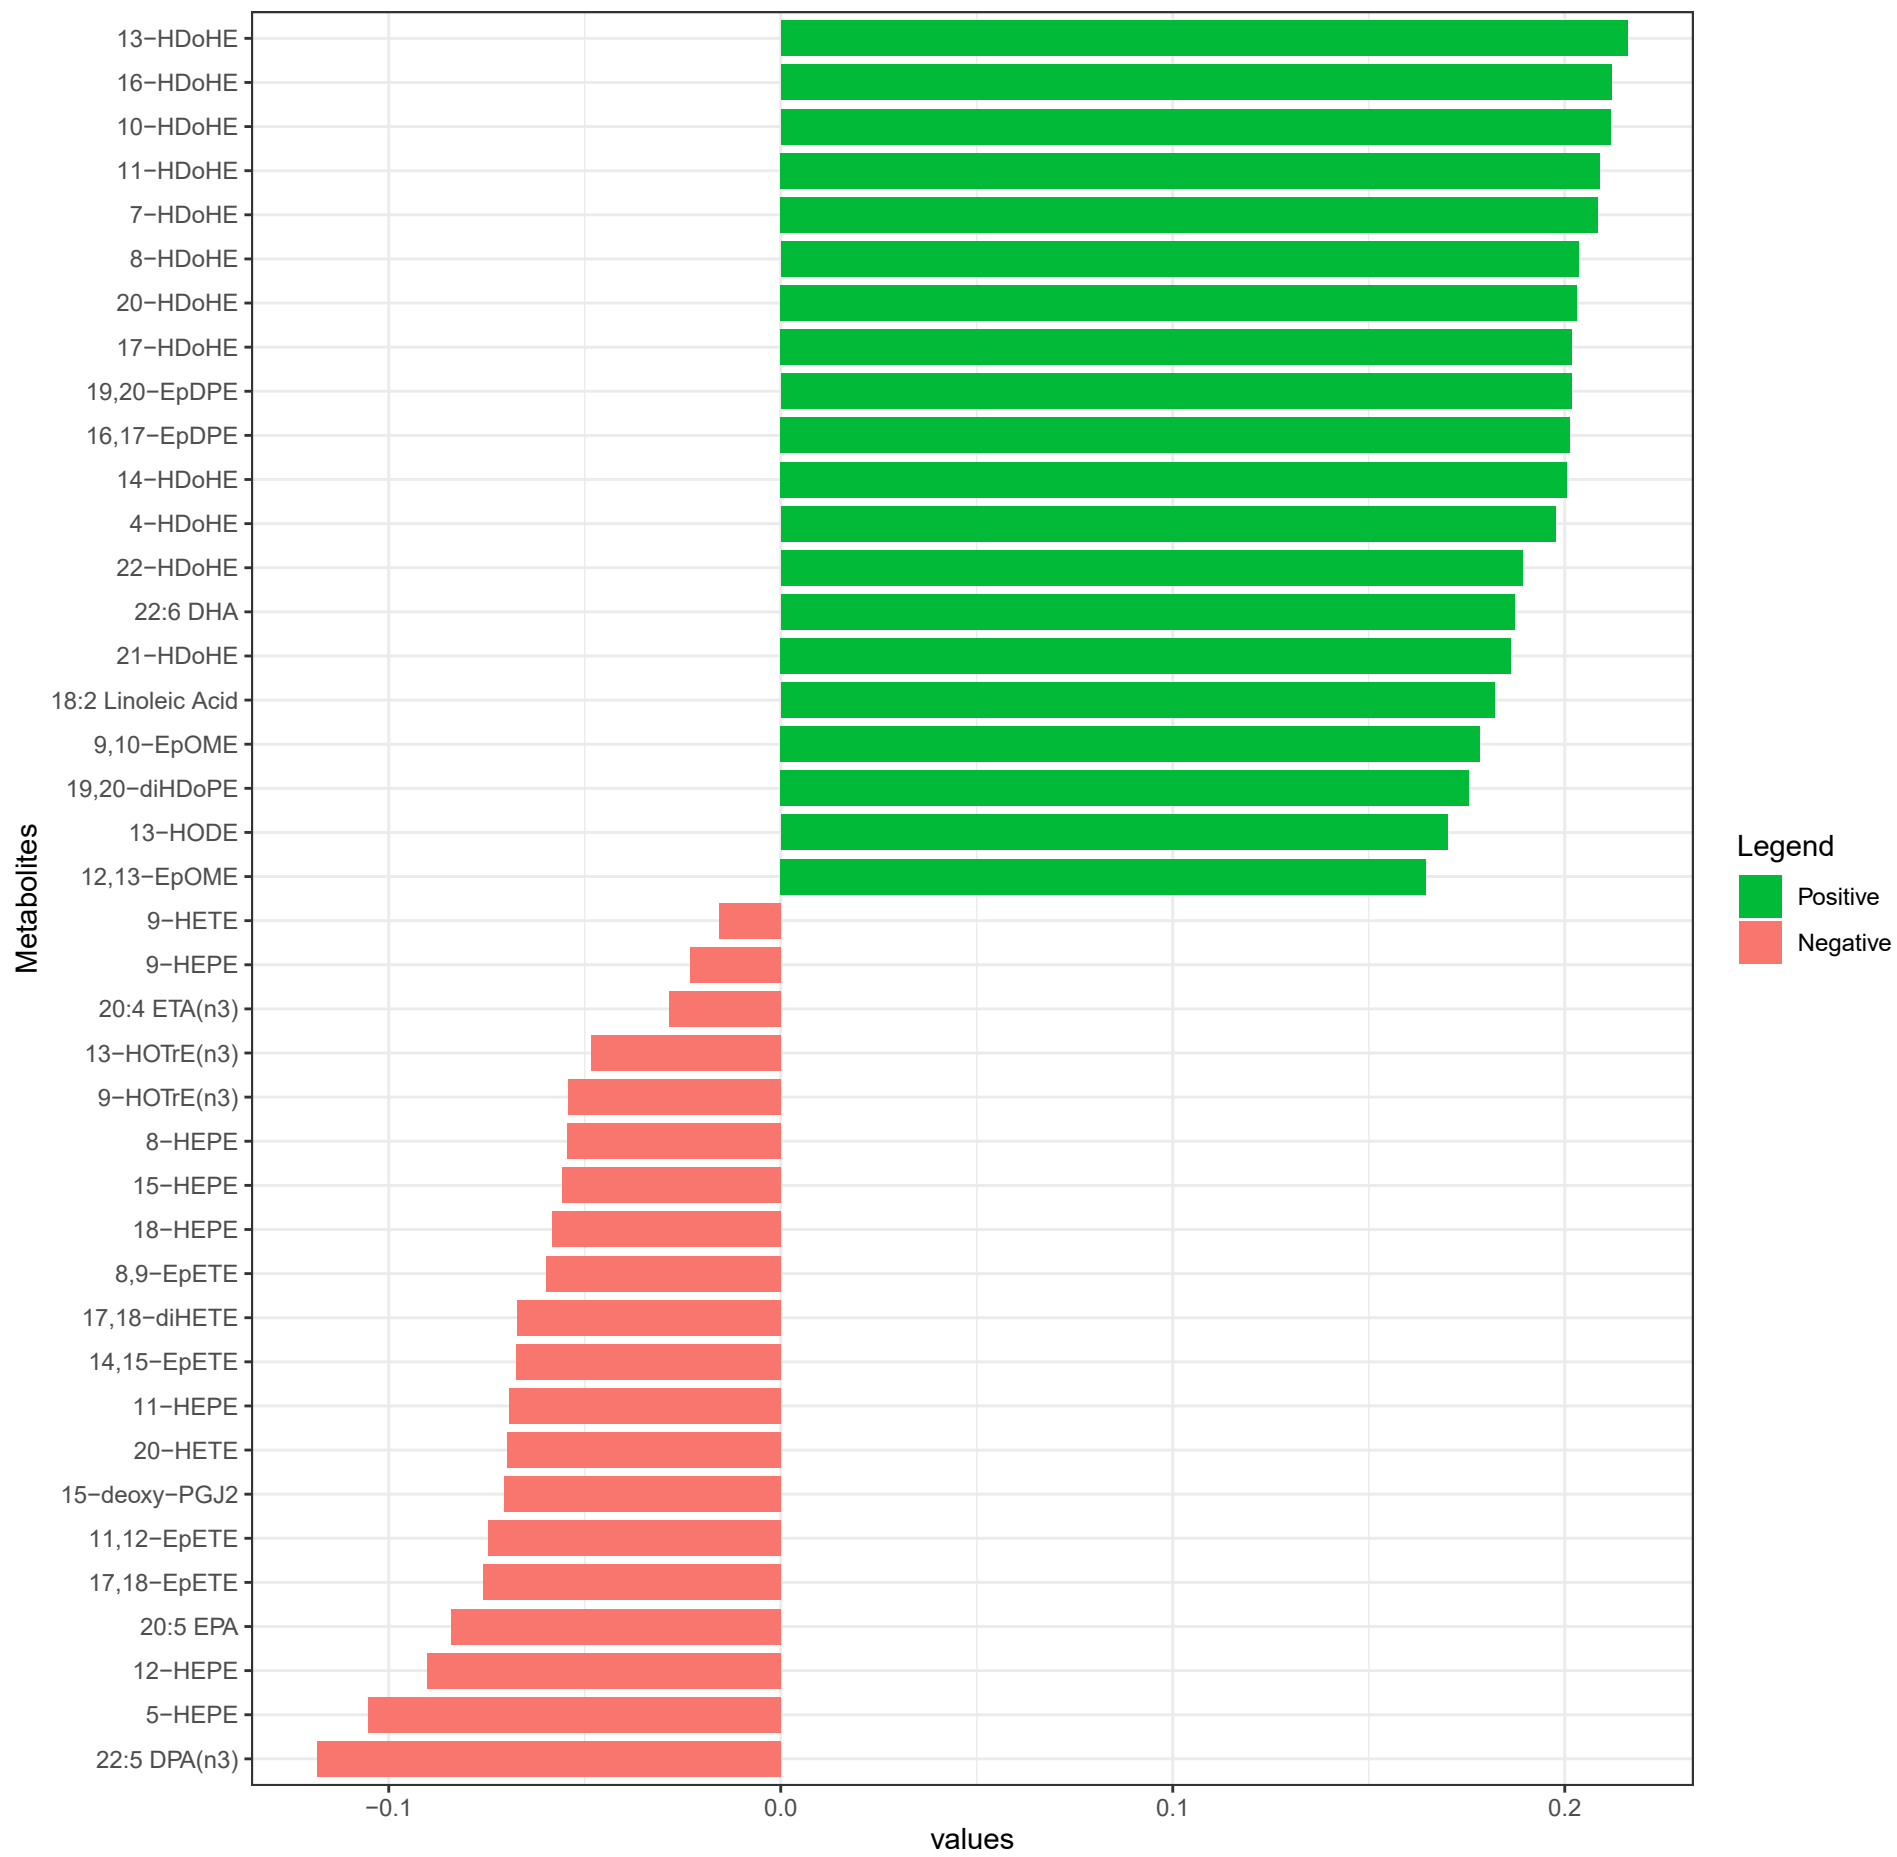

Targeted: Plasma PC2 loading plot for Top20 from max/min values

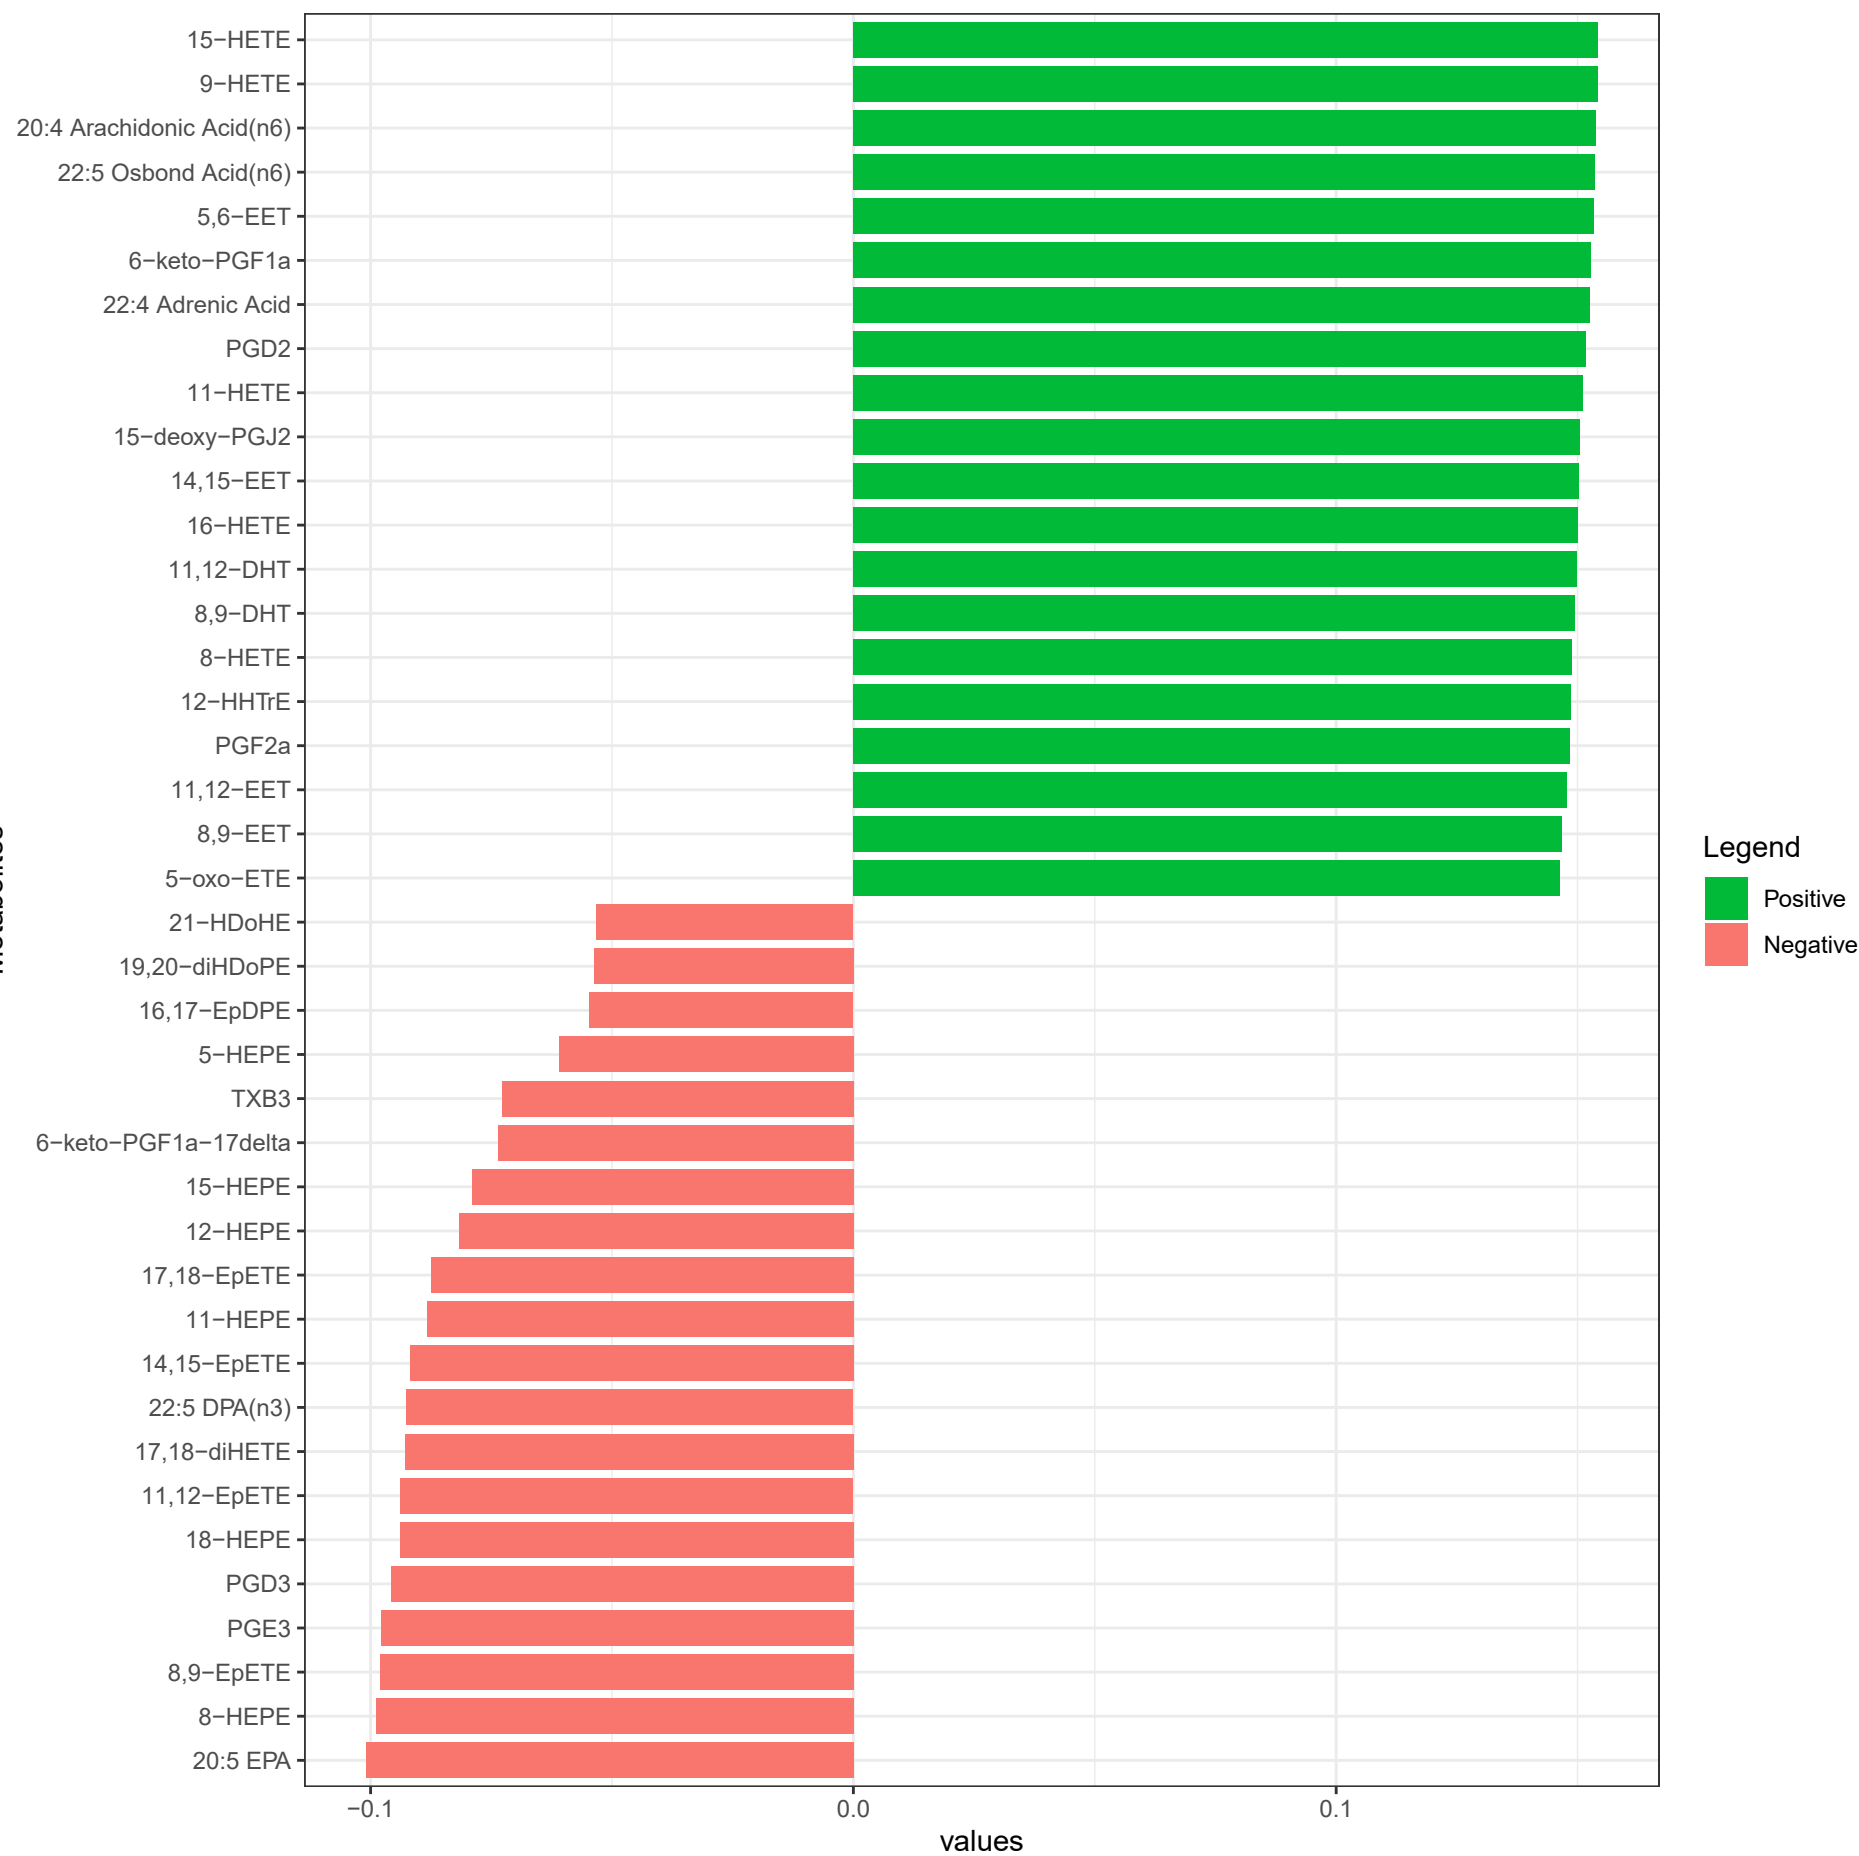

Targeted: Kidney PC1 loading plot for Top20 from max/min values

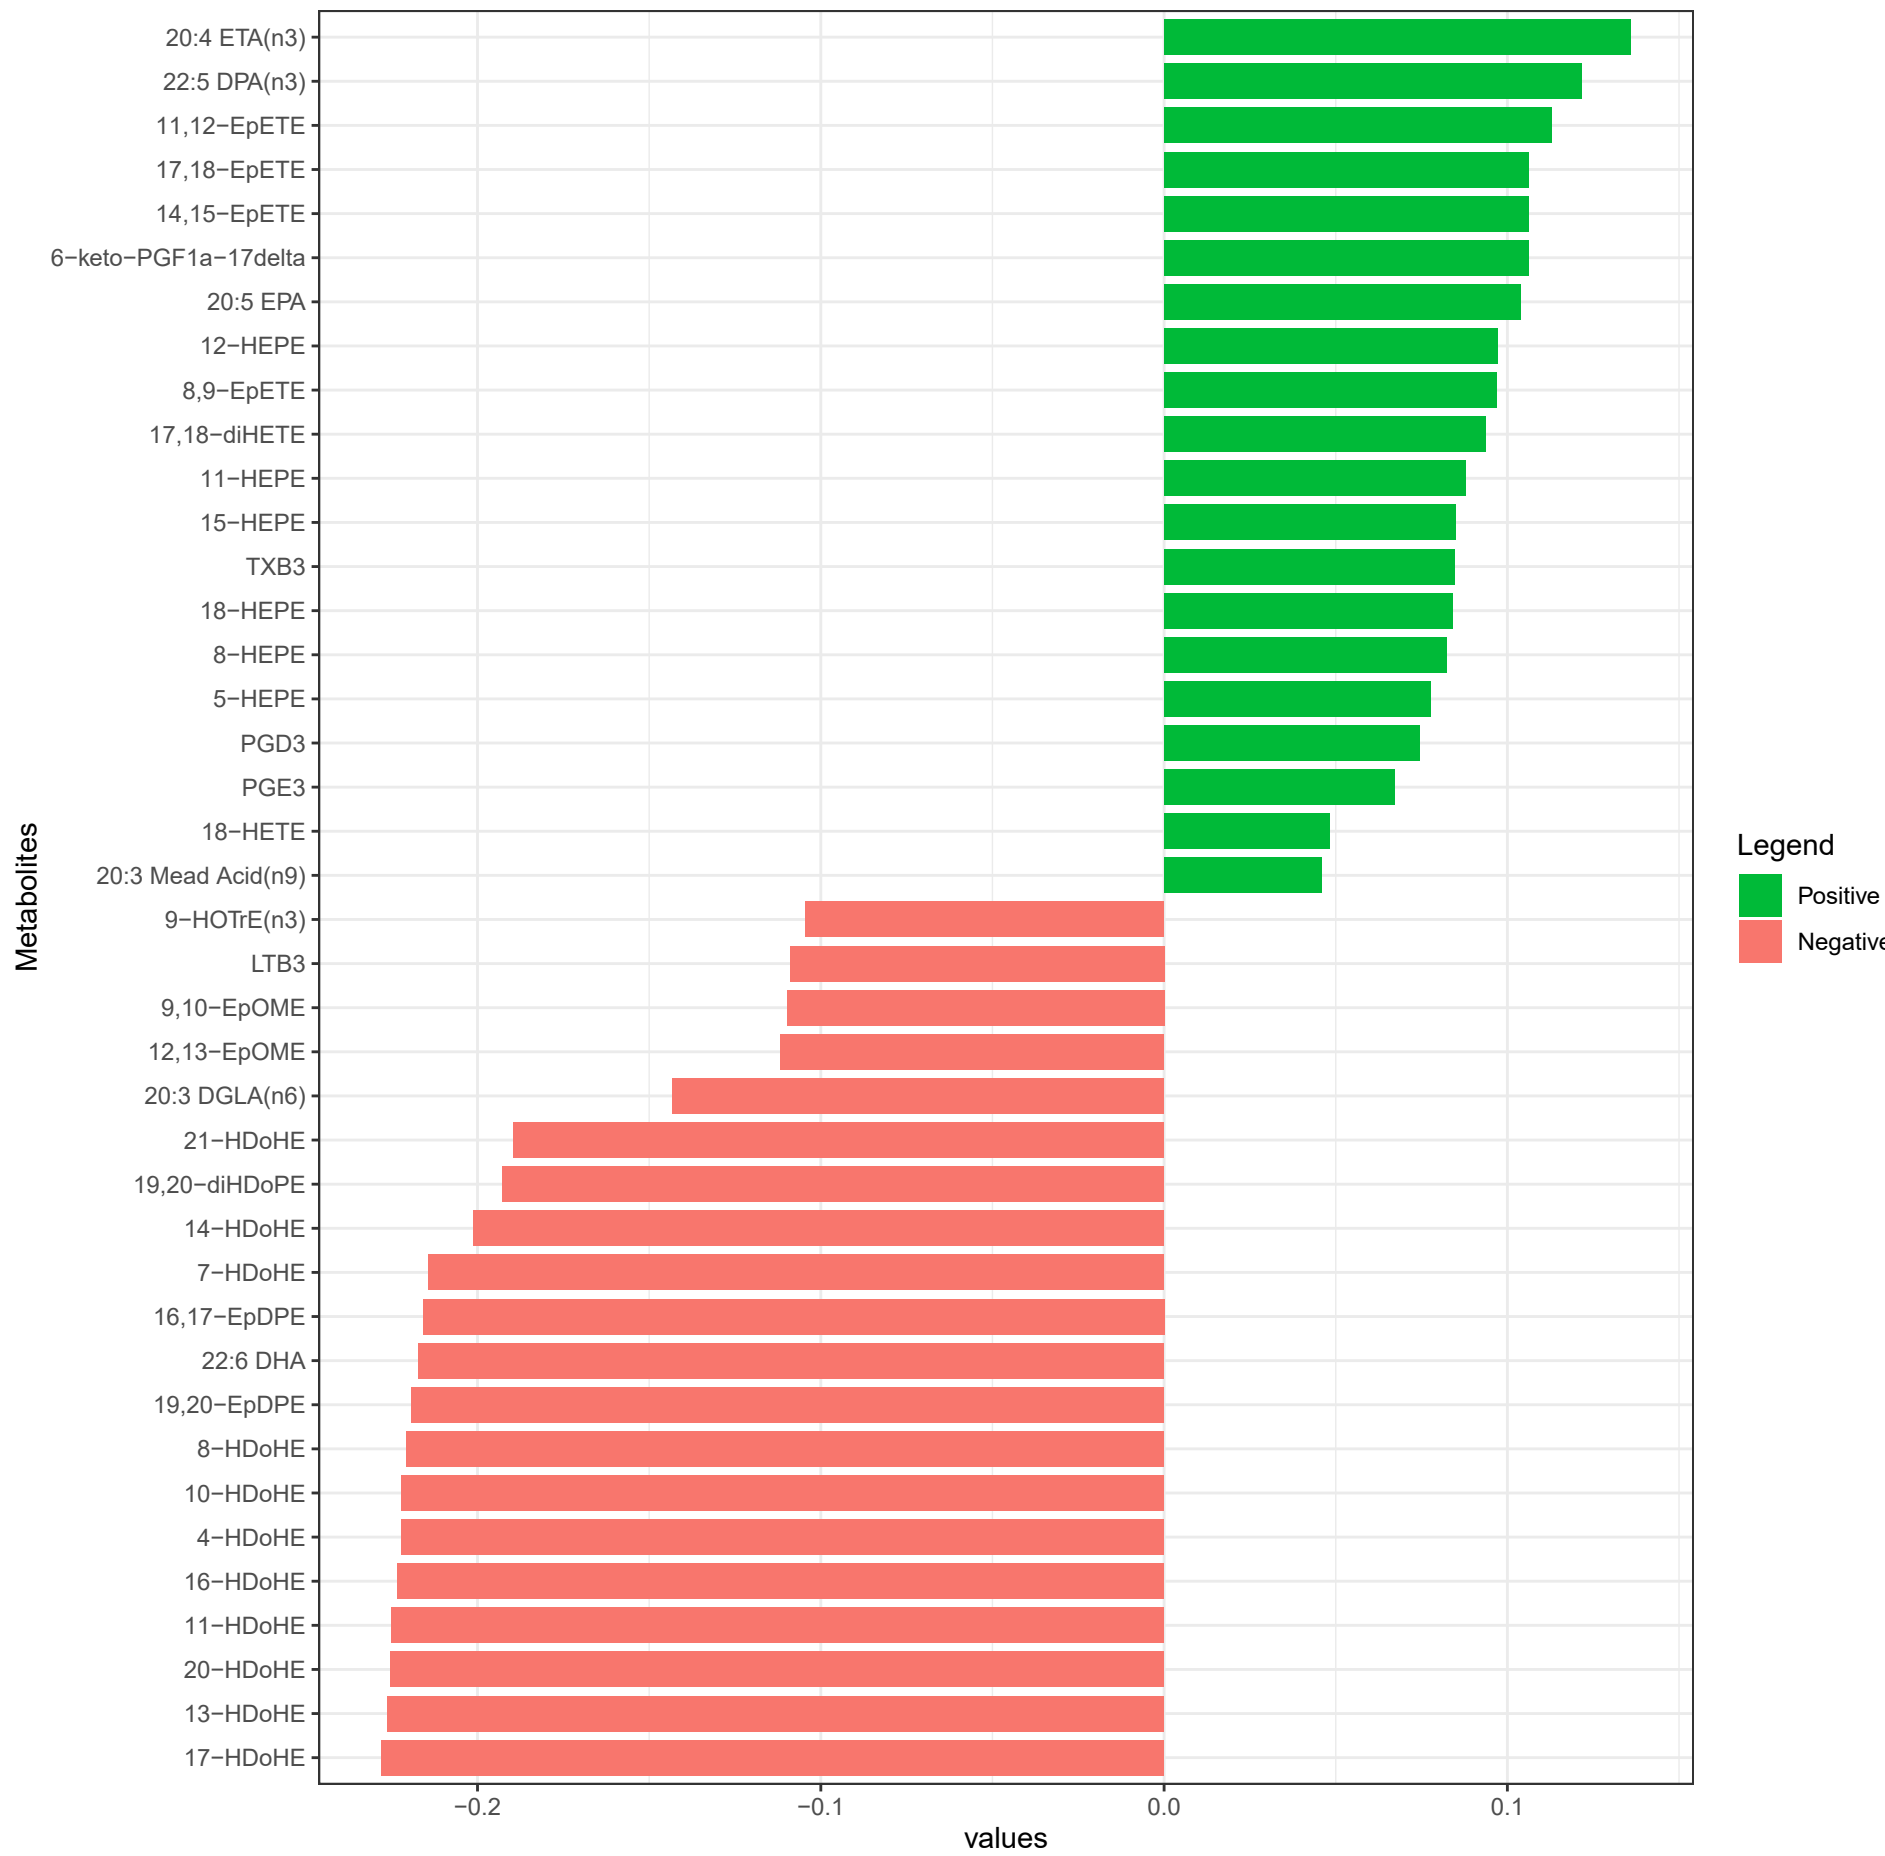

Targeted: Kidney PC2 loading plot for Top20 from max/min values

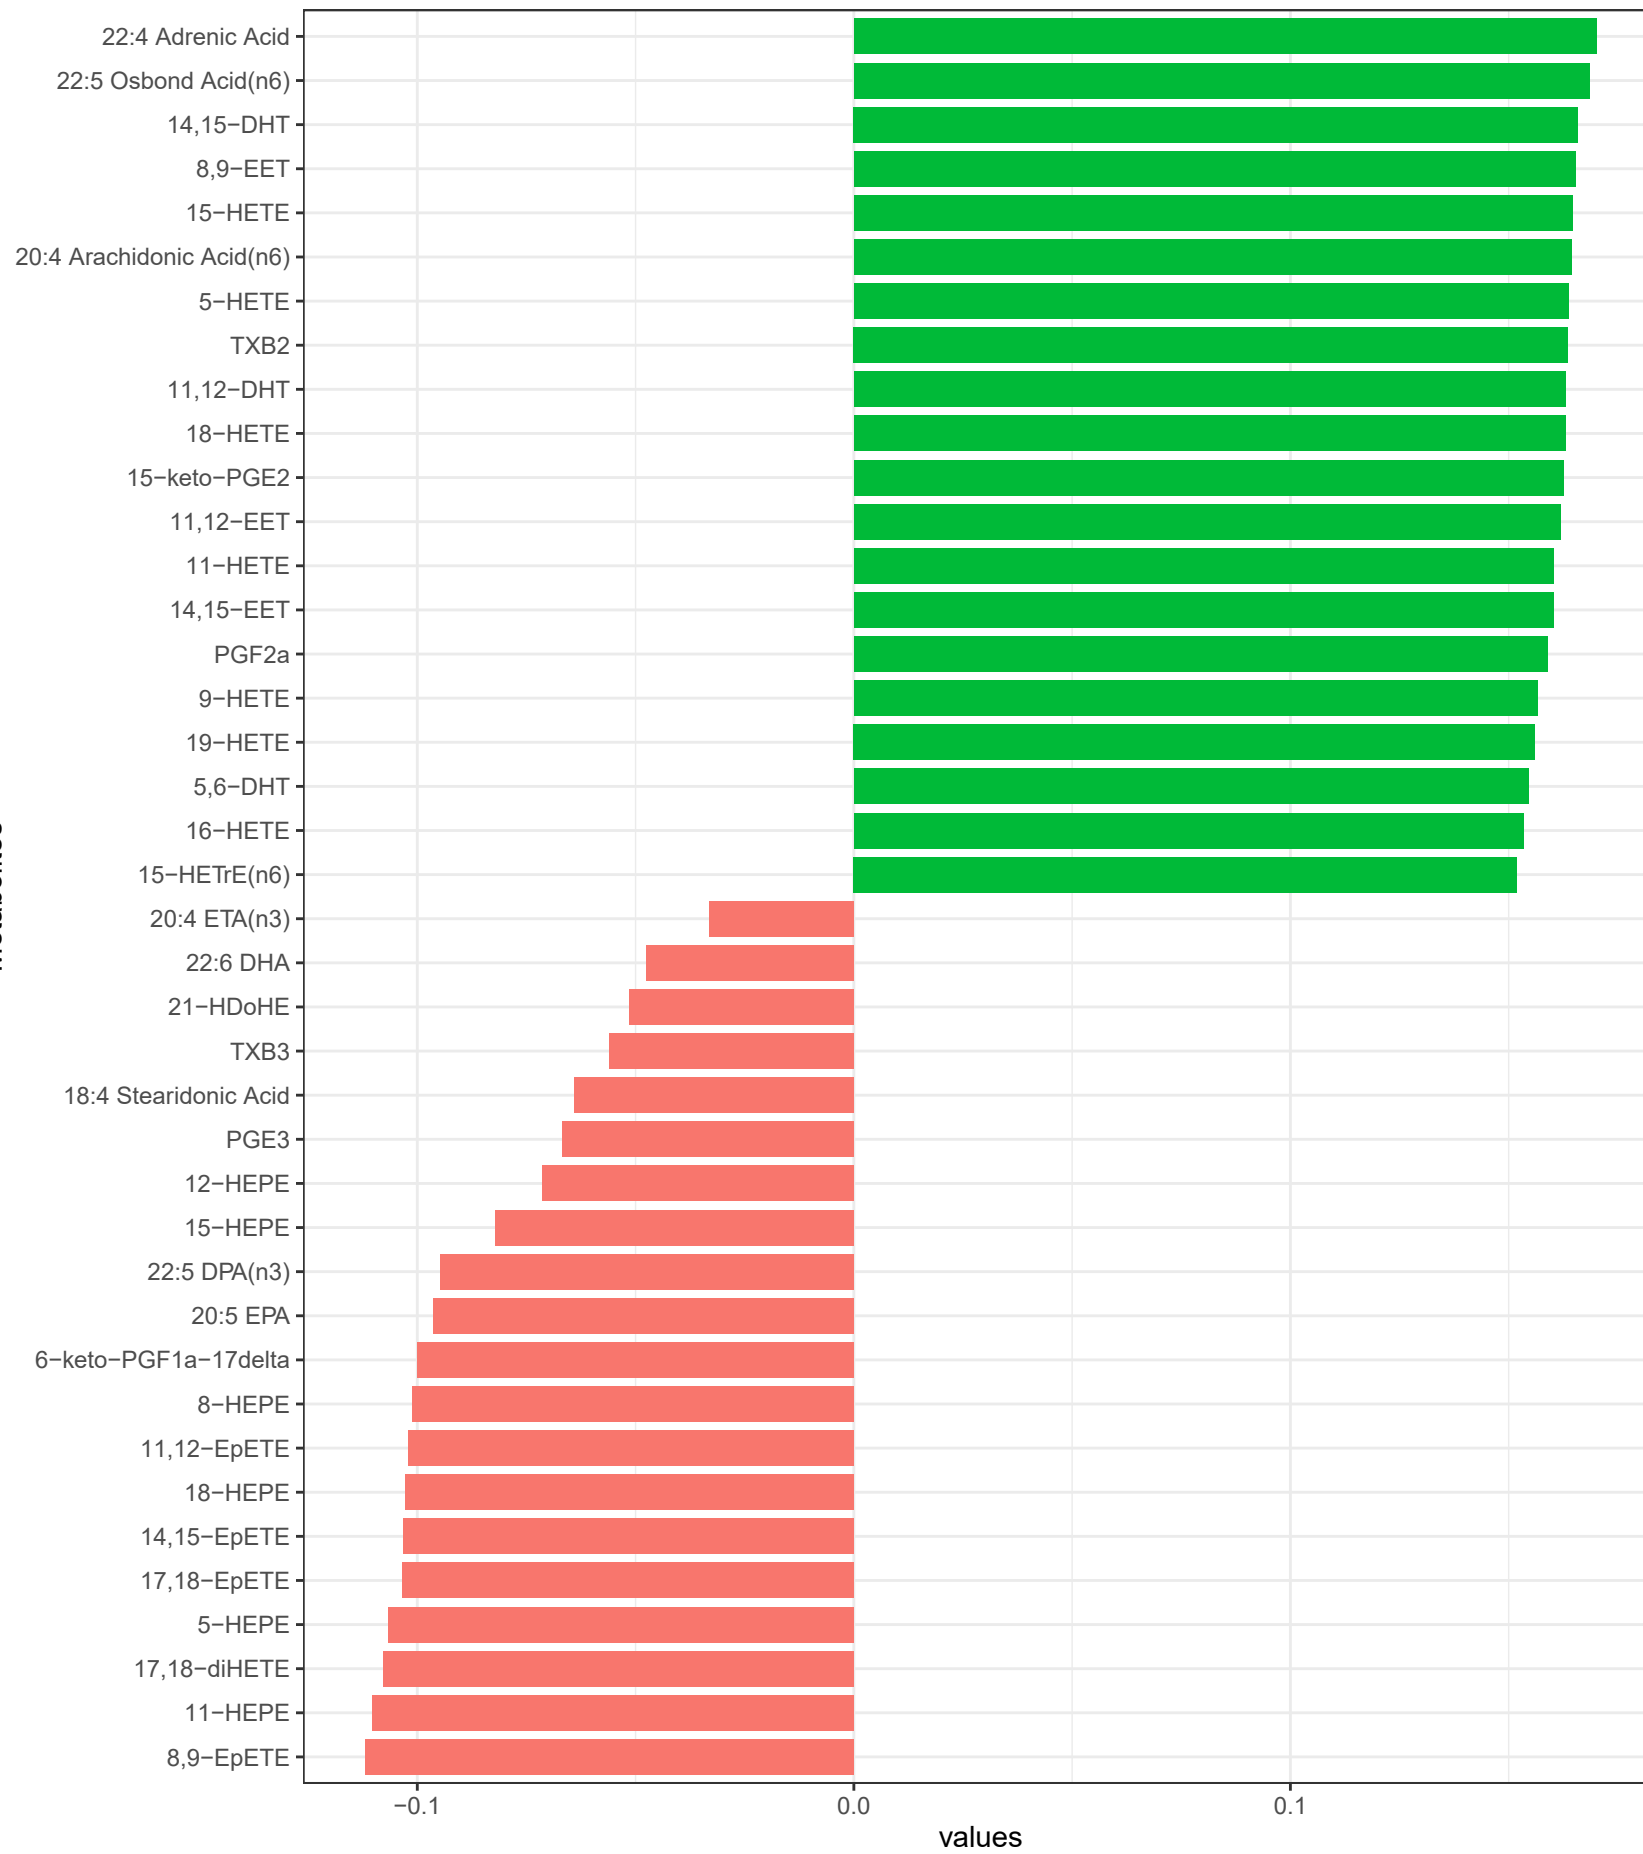

Targeted: Spleen PC1 loading plot for Top20 from max/min values

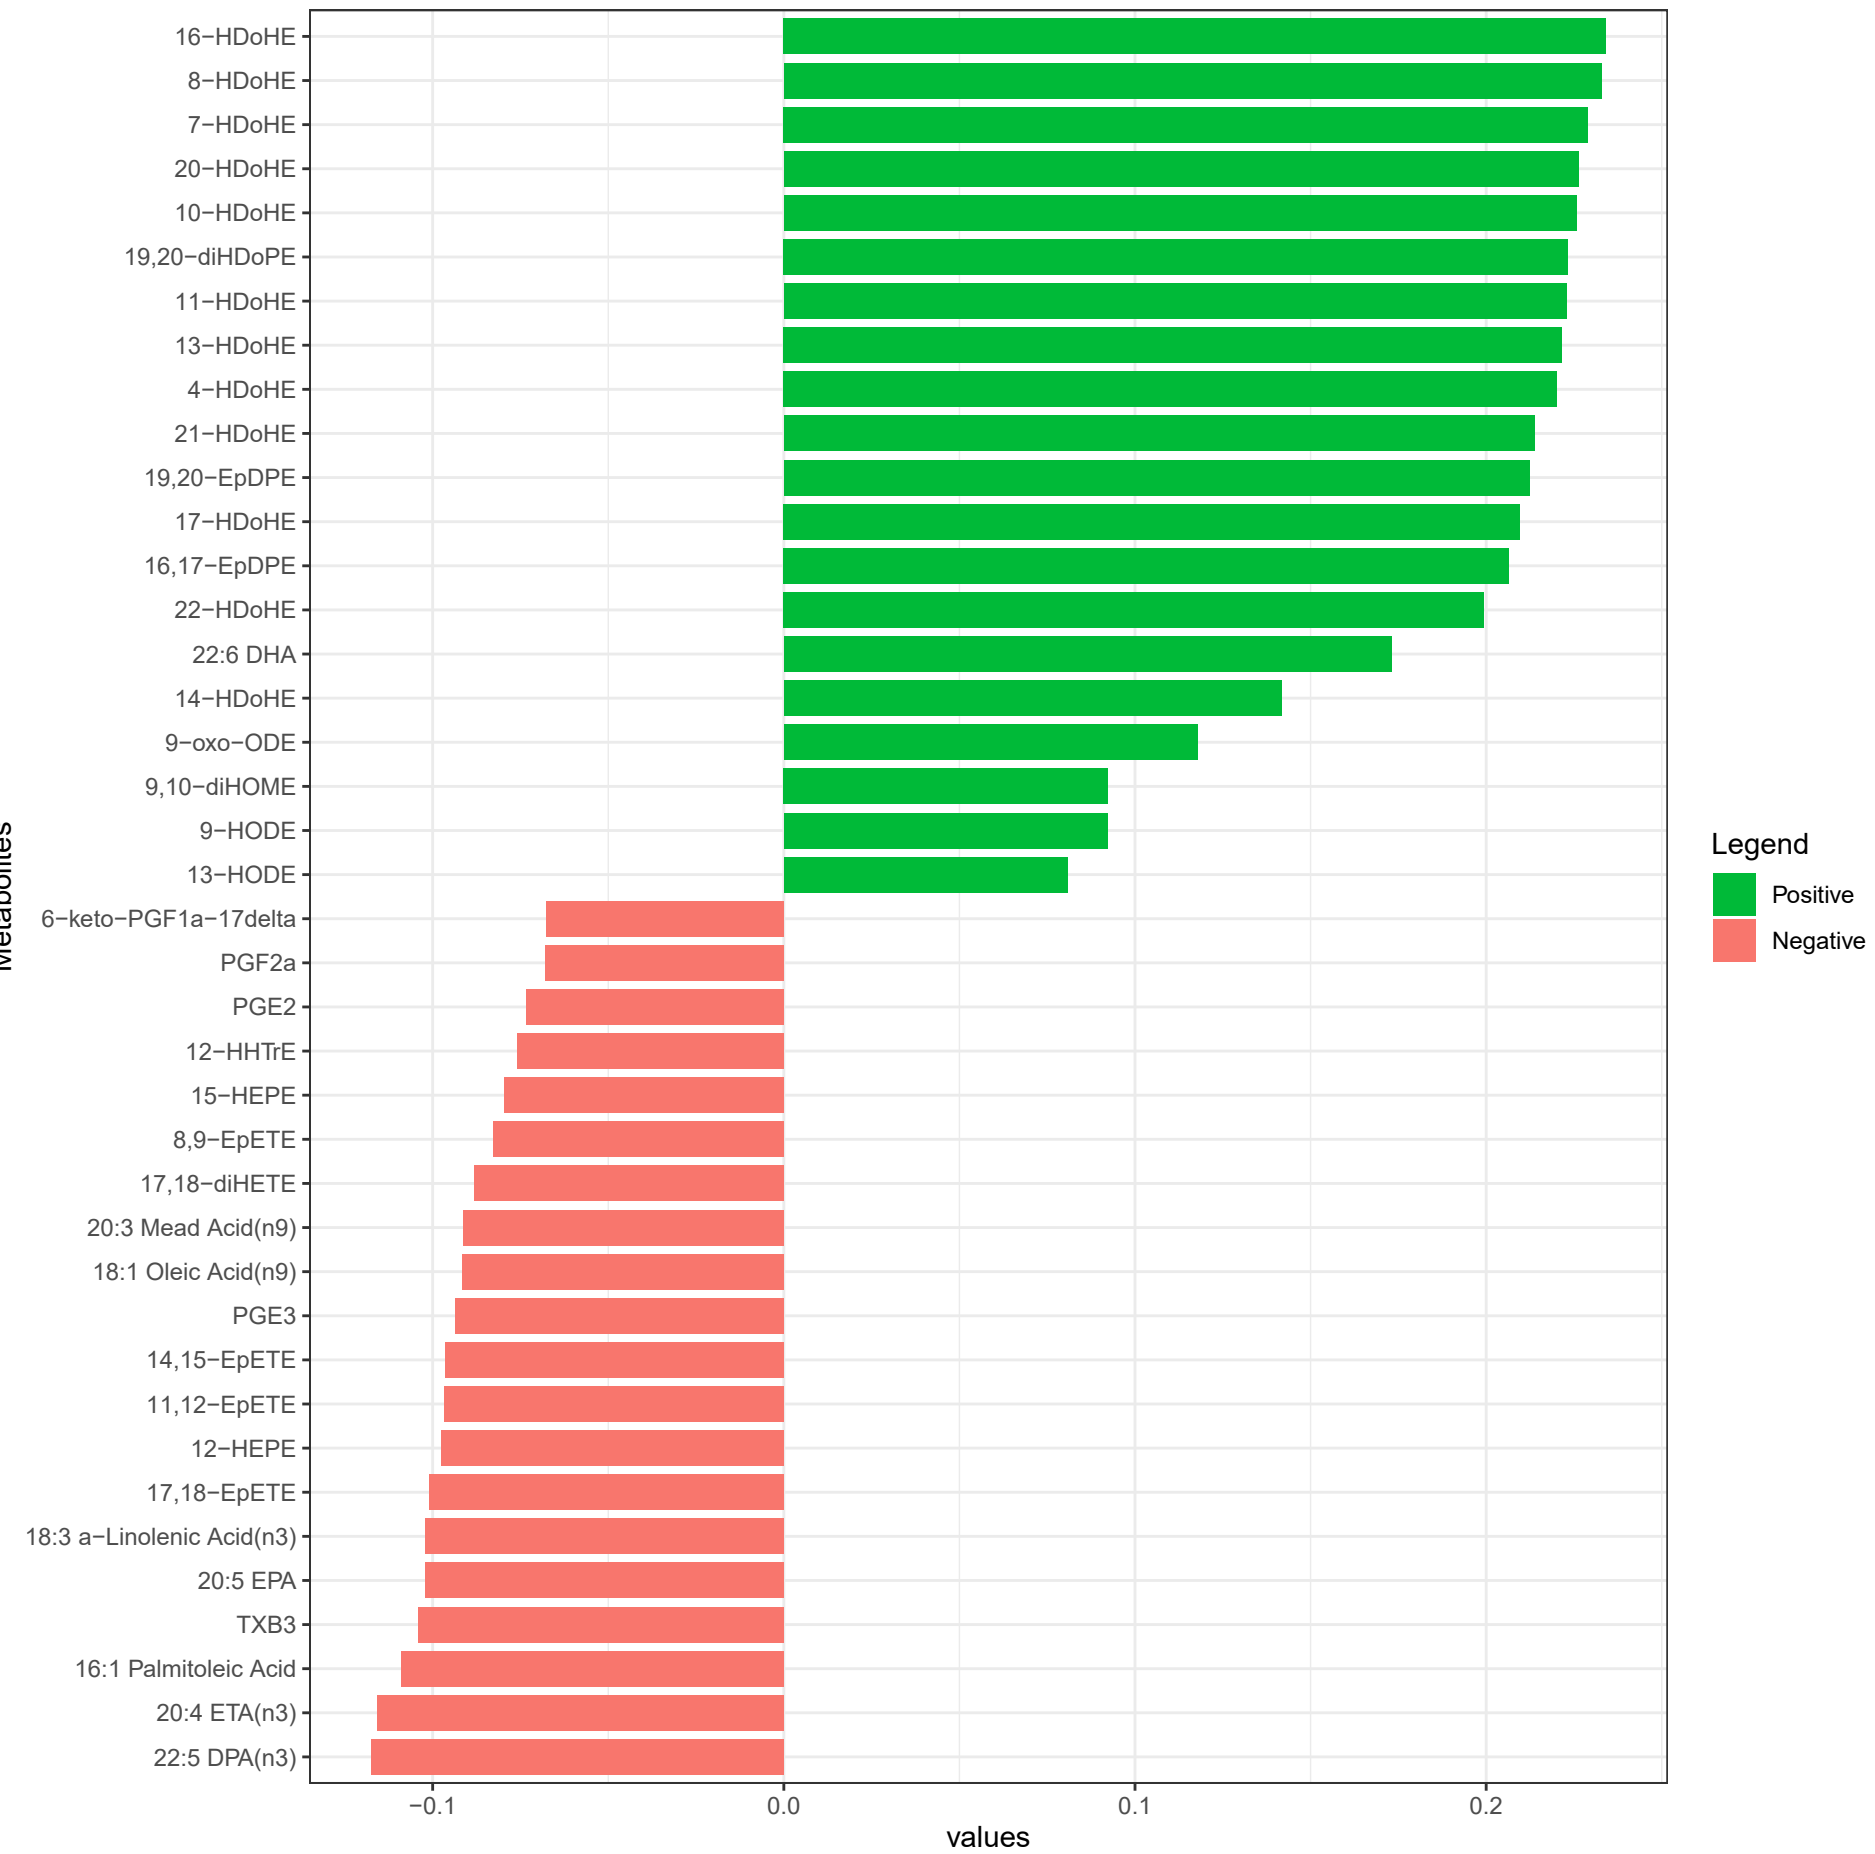

Targeted: Spleen PC2 loading plot for Top20 from max/min values

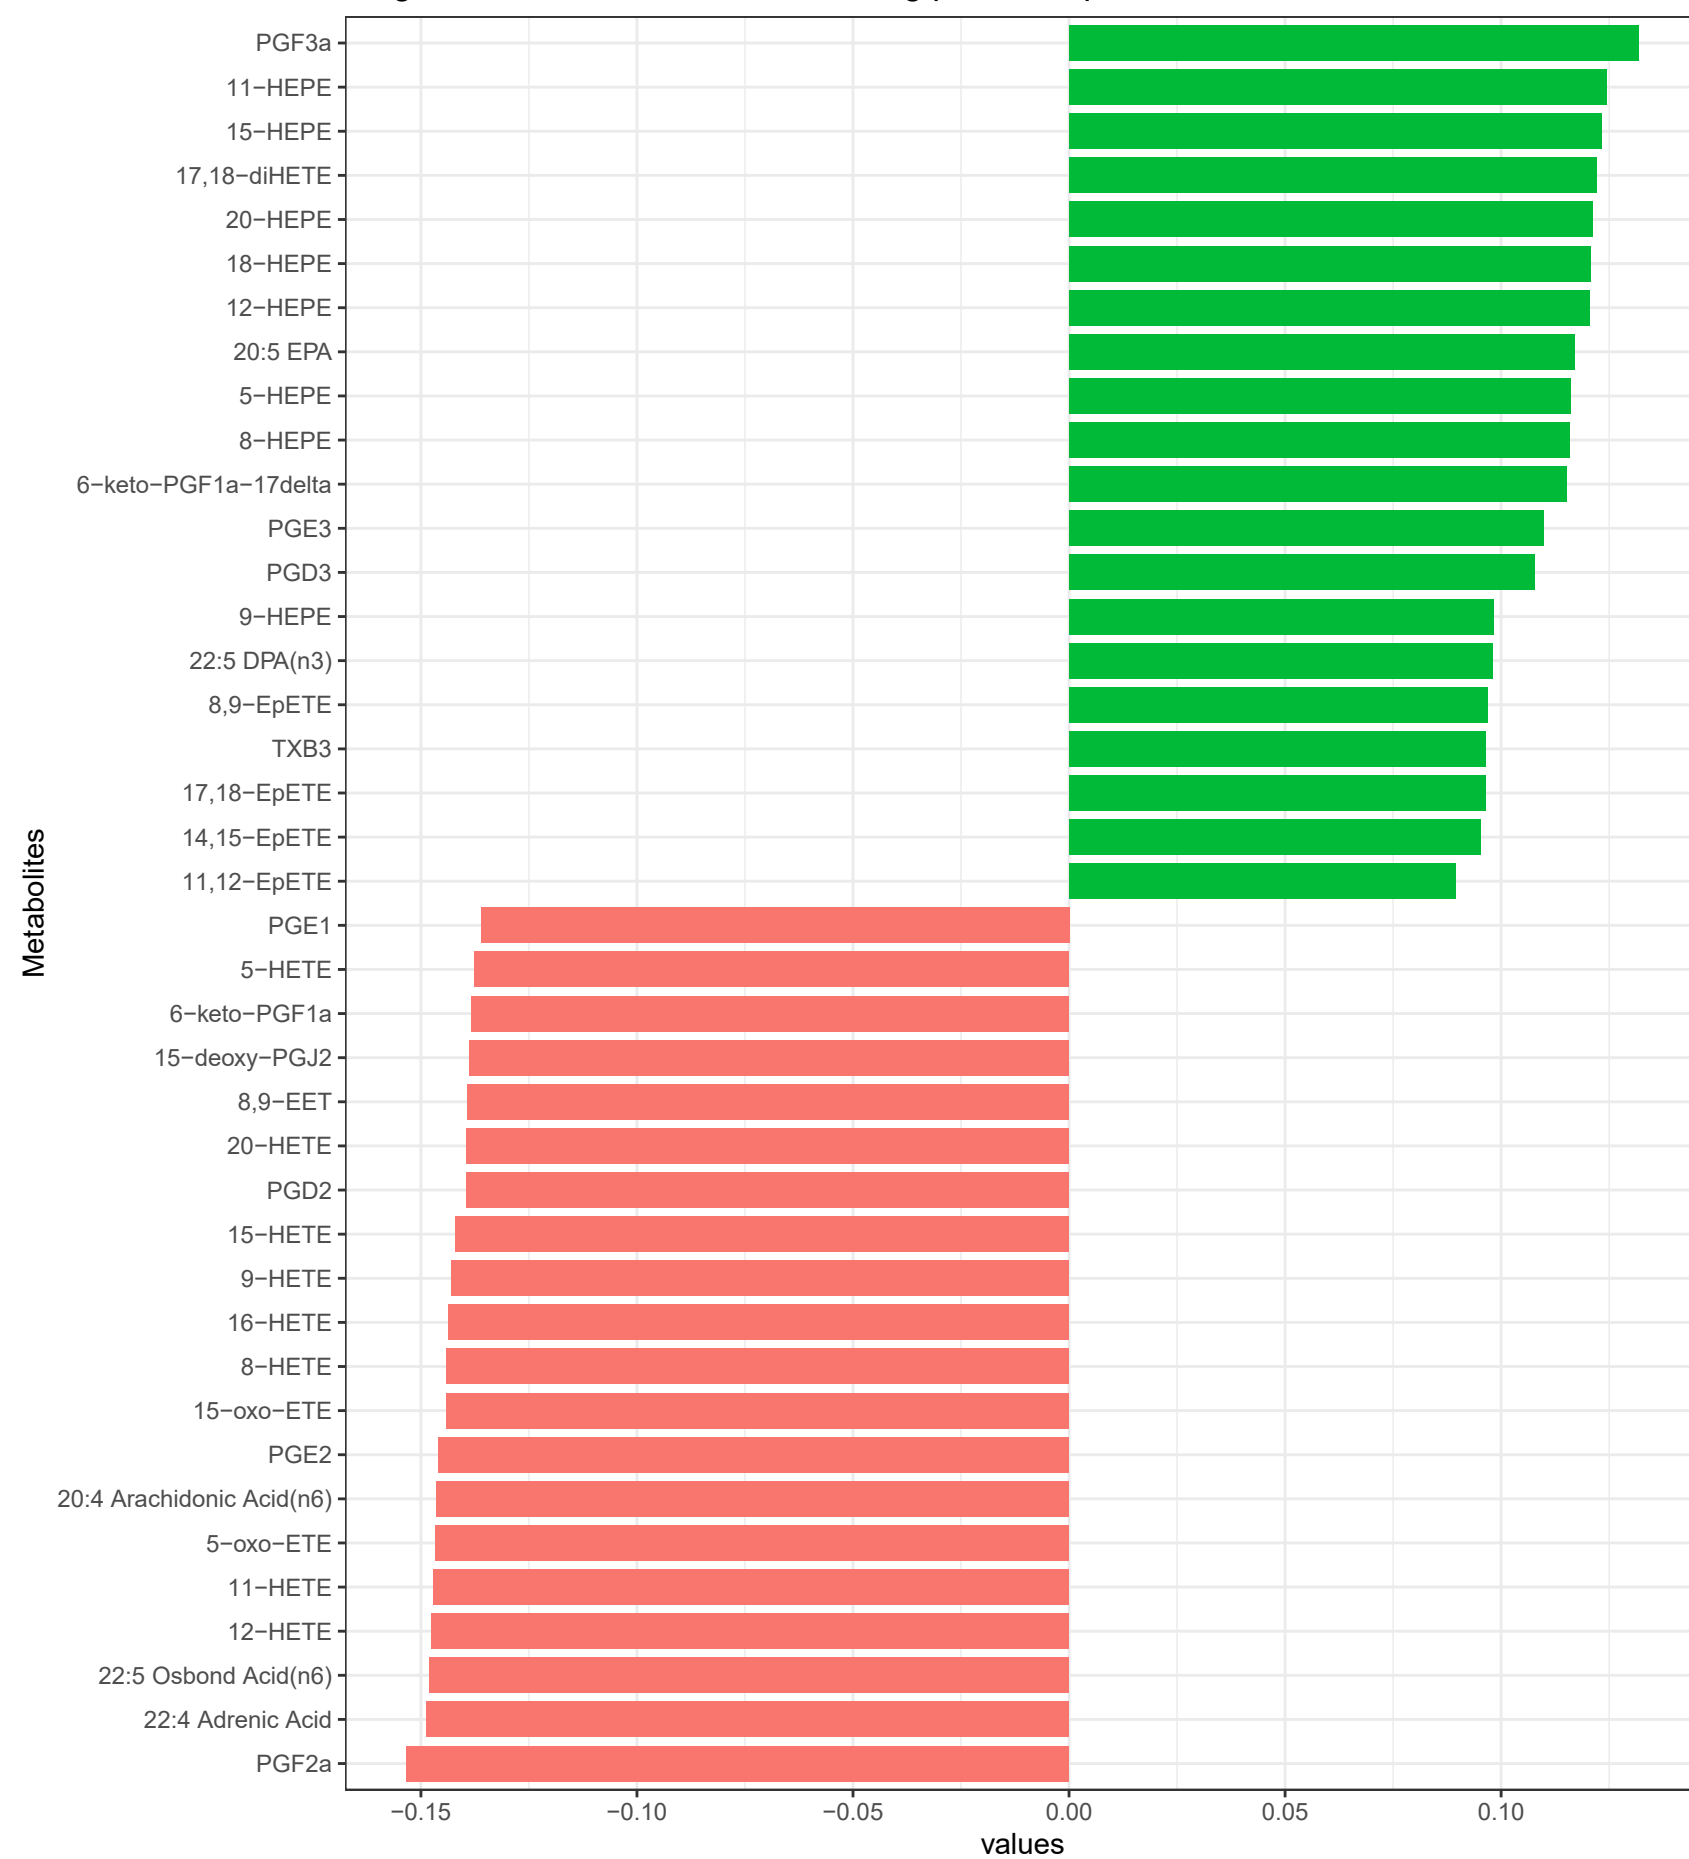

Targeted: Lung PC1 loading plot for Top20 from max/min values

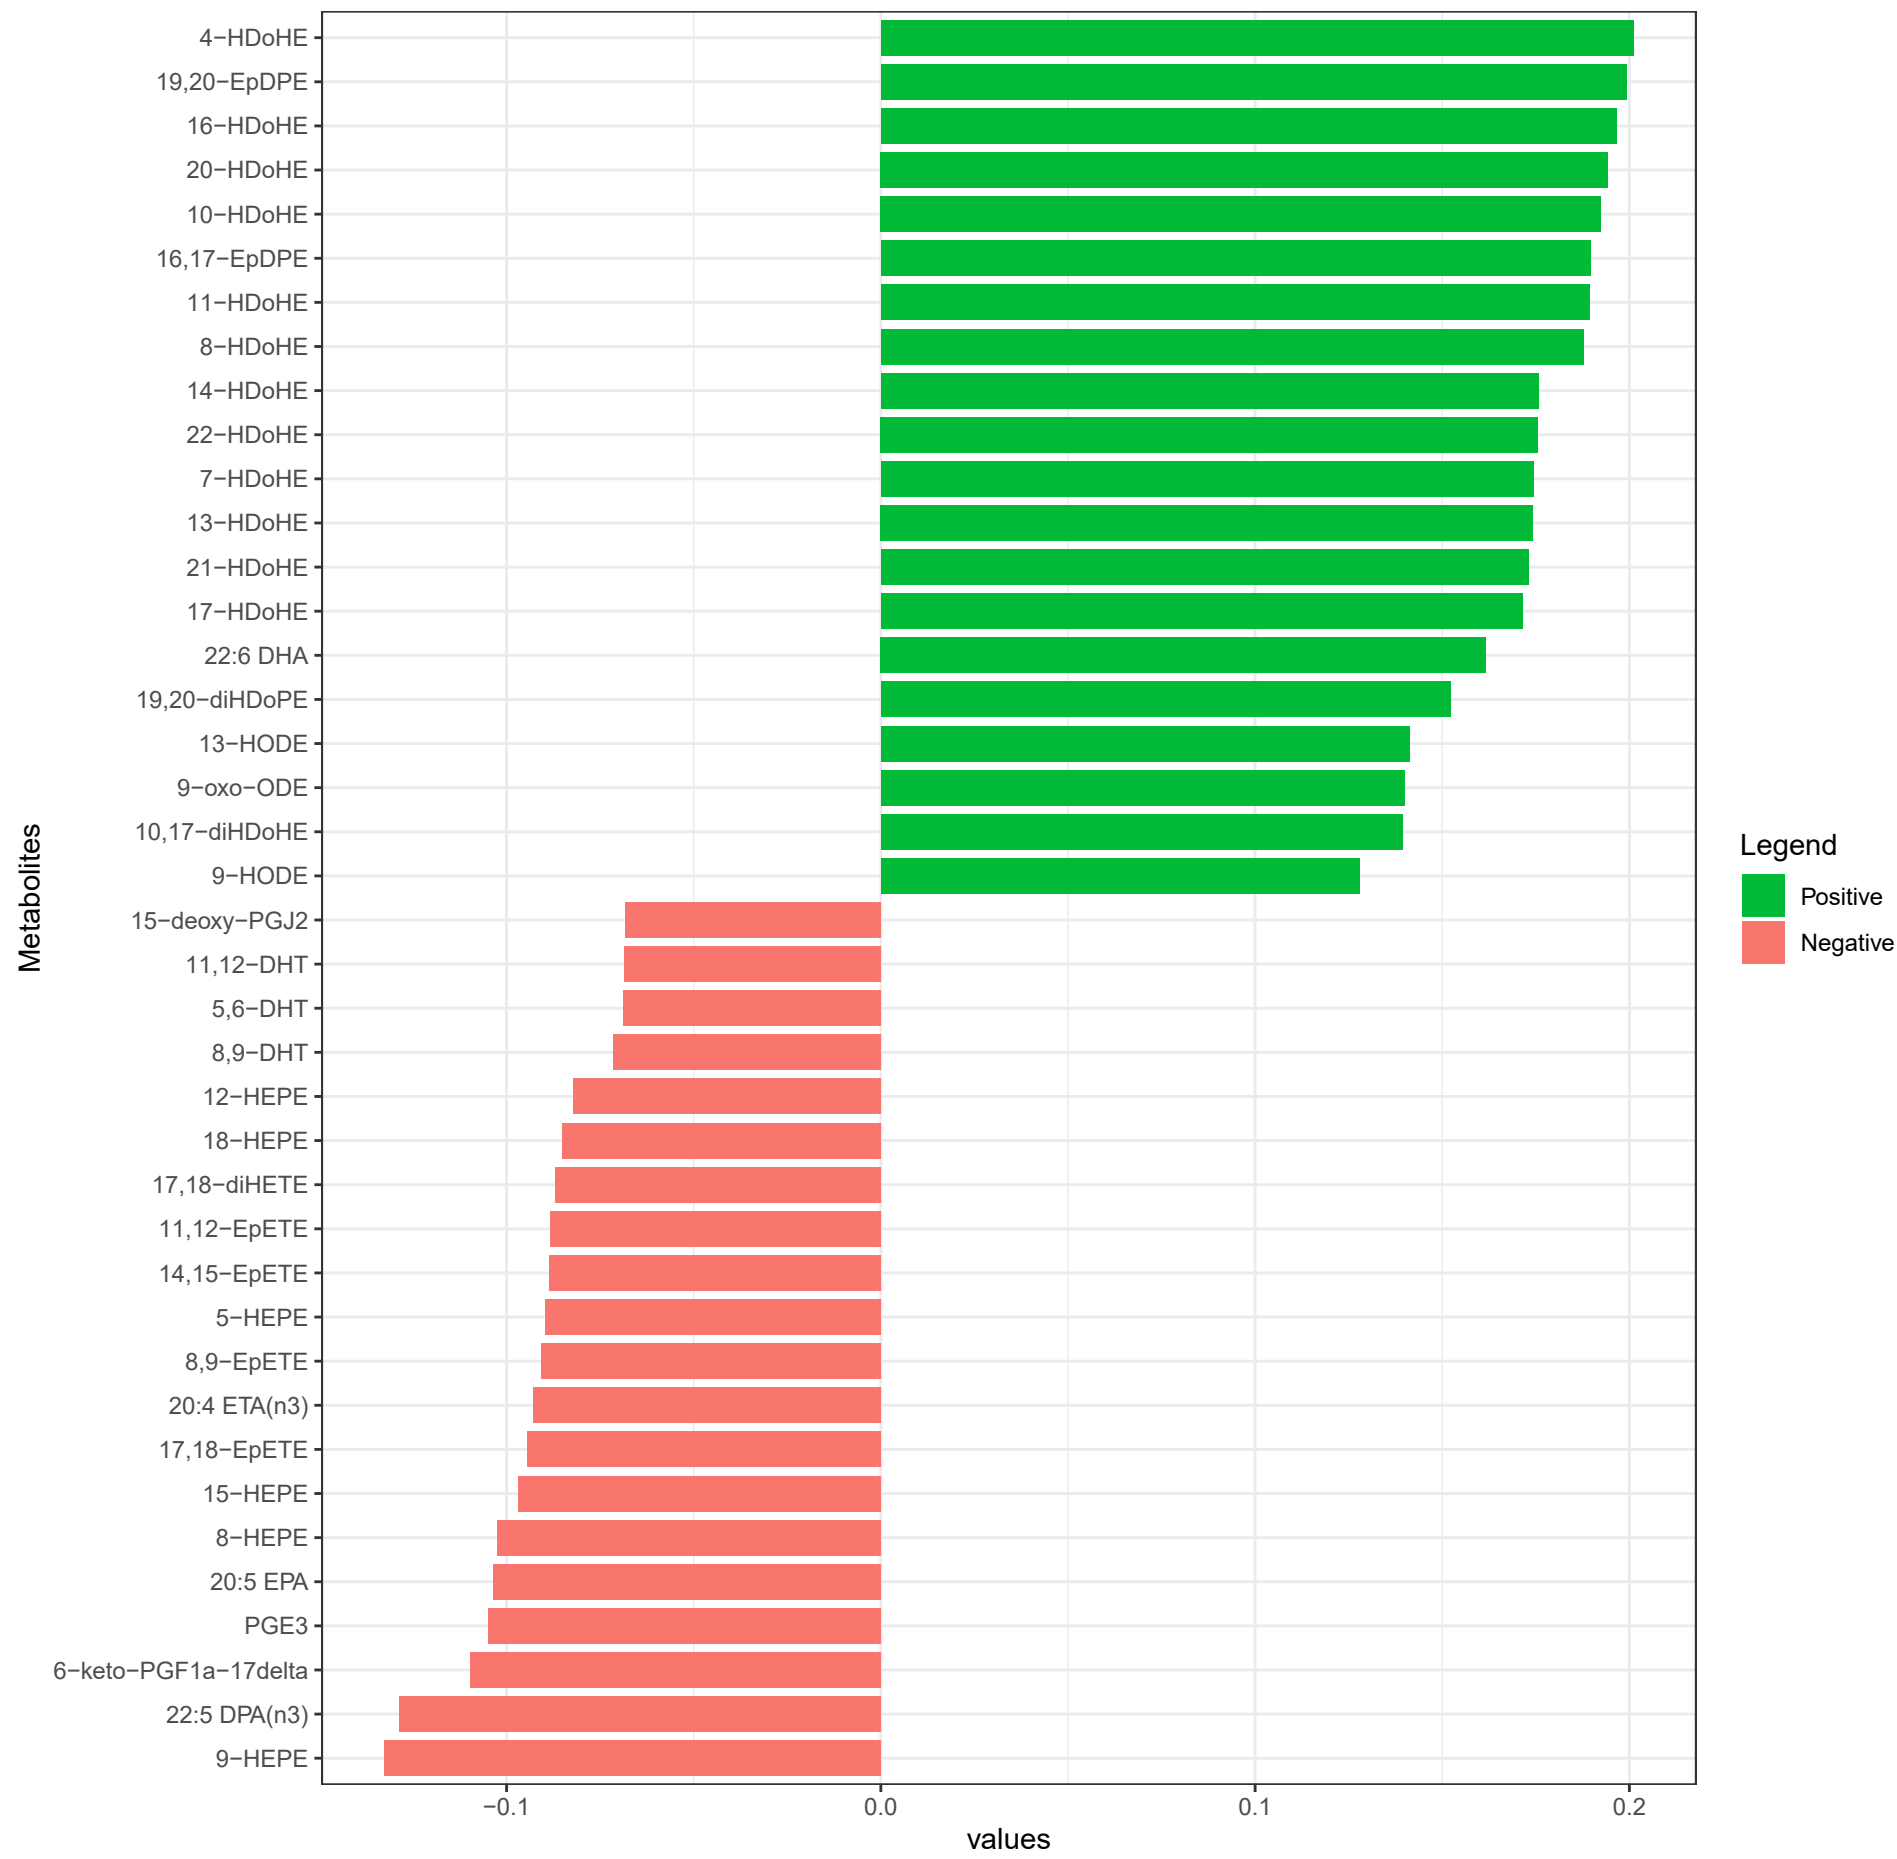

Targeted: Lung PC2 loading plot for Top20 from max/min values

Targeted: Small intestine PC1 loading plot for Top20 from max/min values

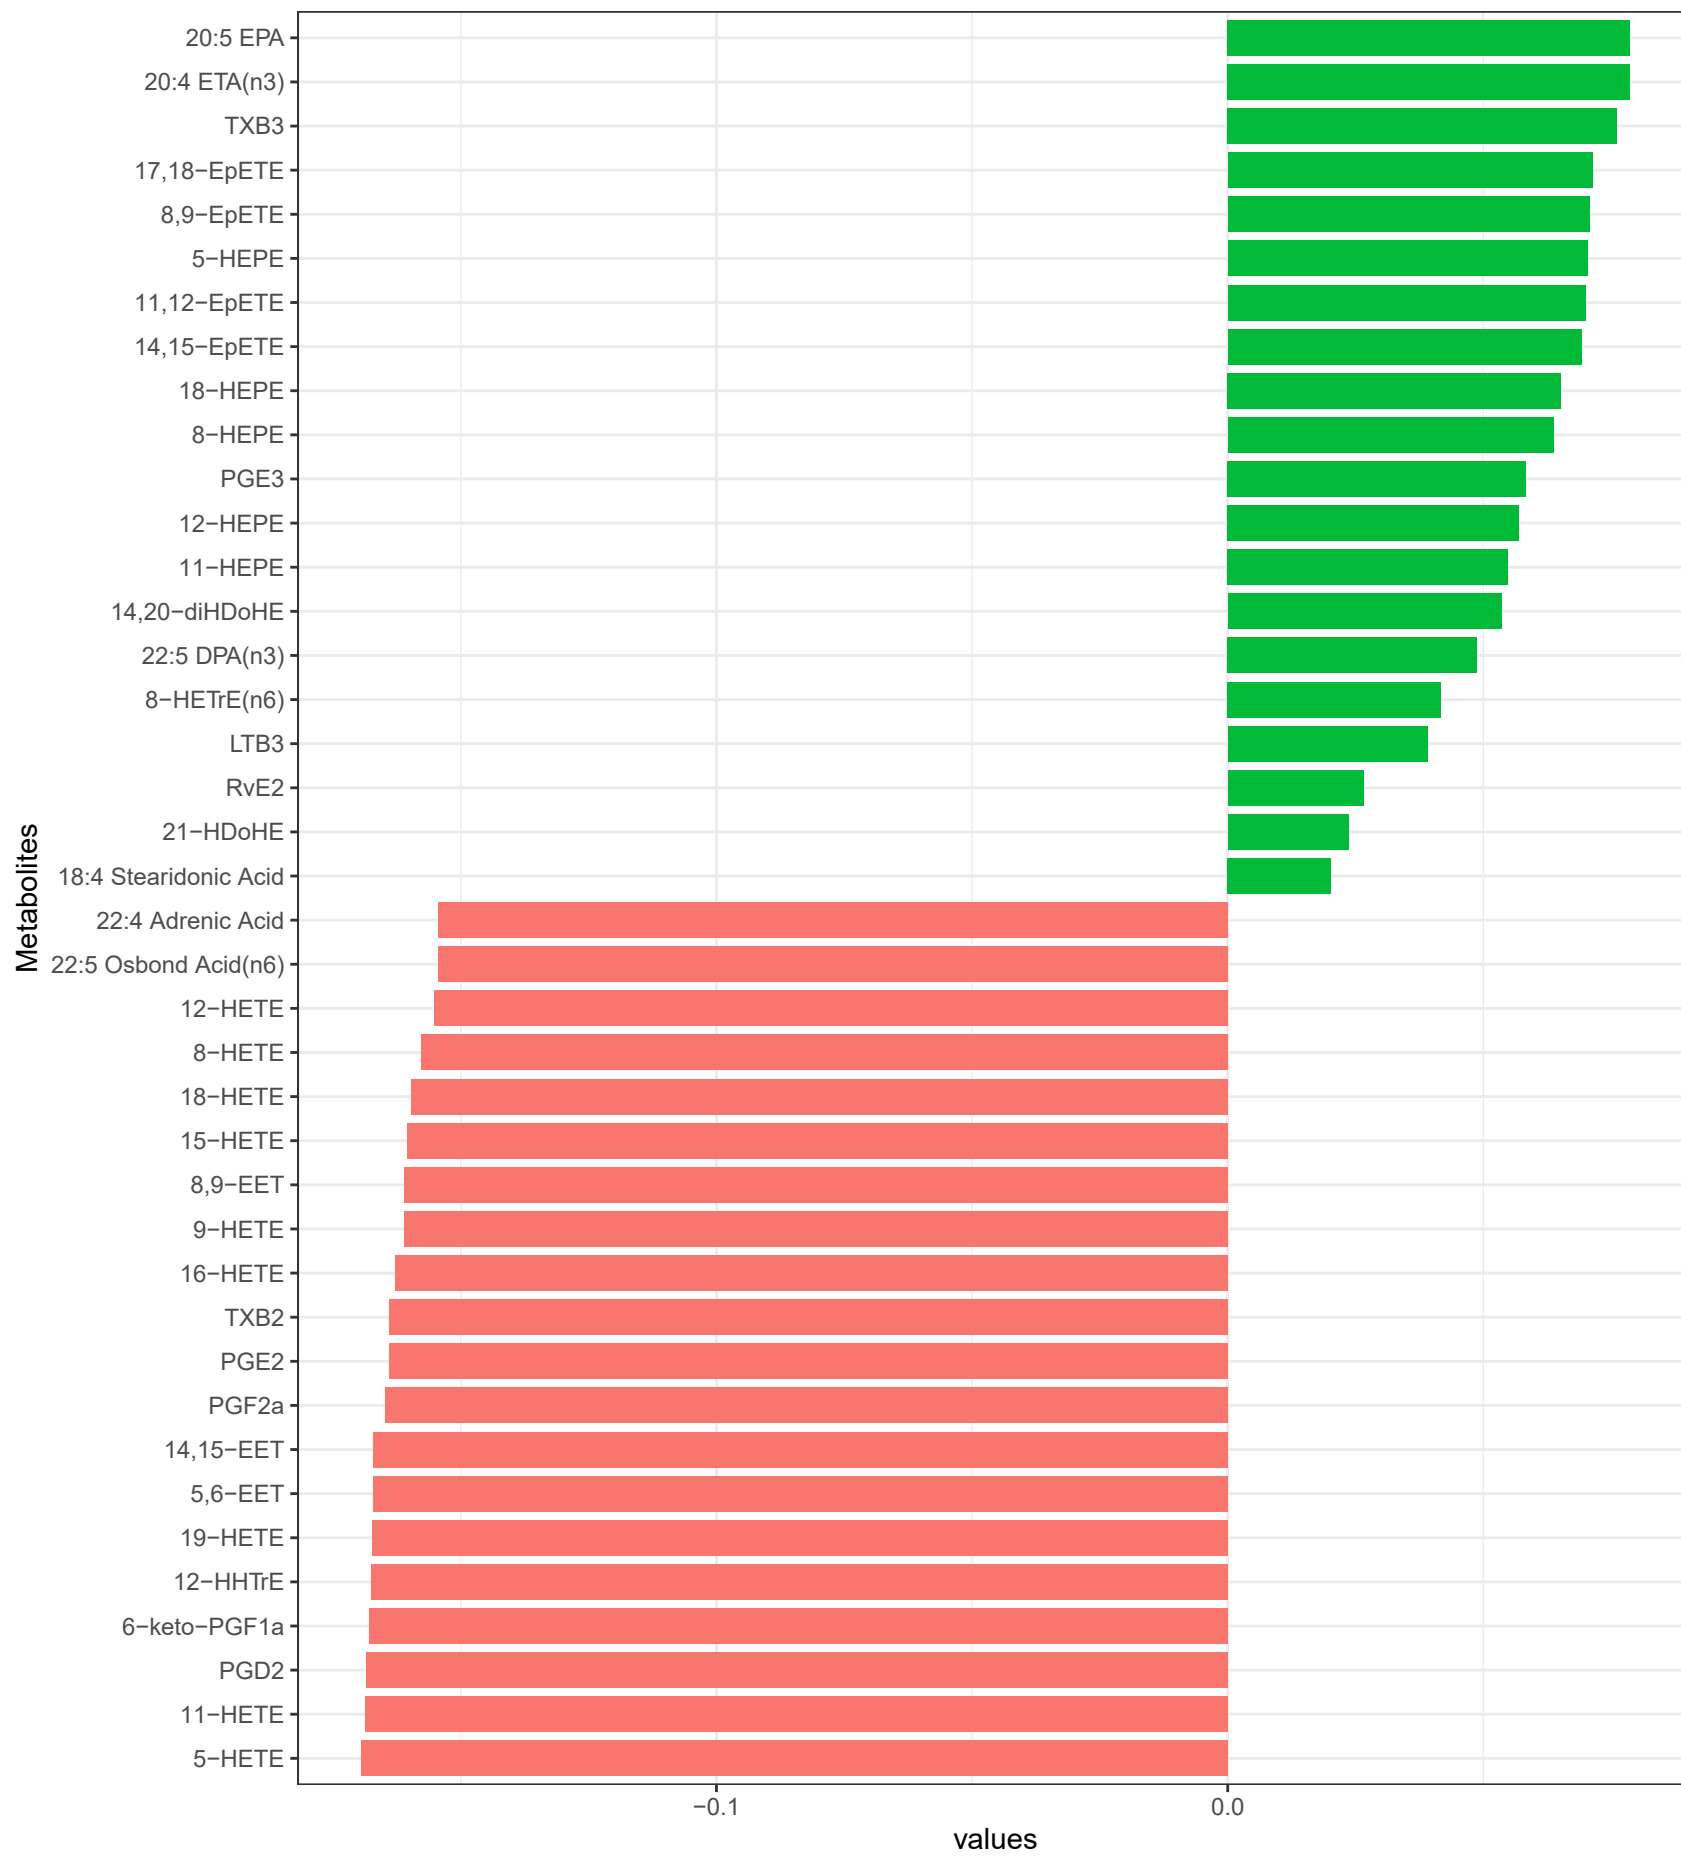

Targeted: Small intestine PC2 loading plot for Top20 from max/min values

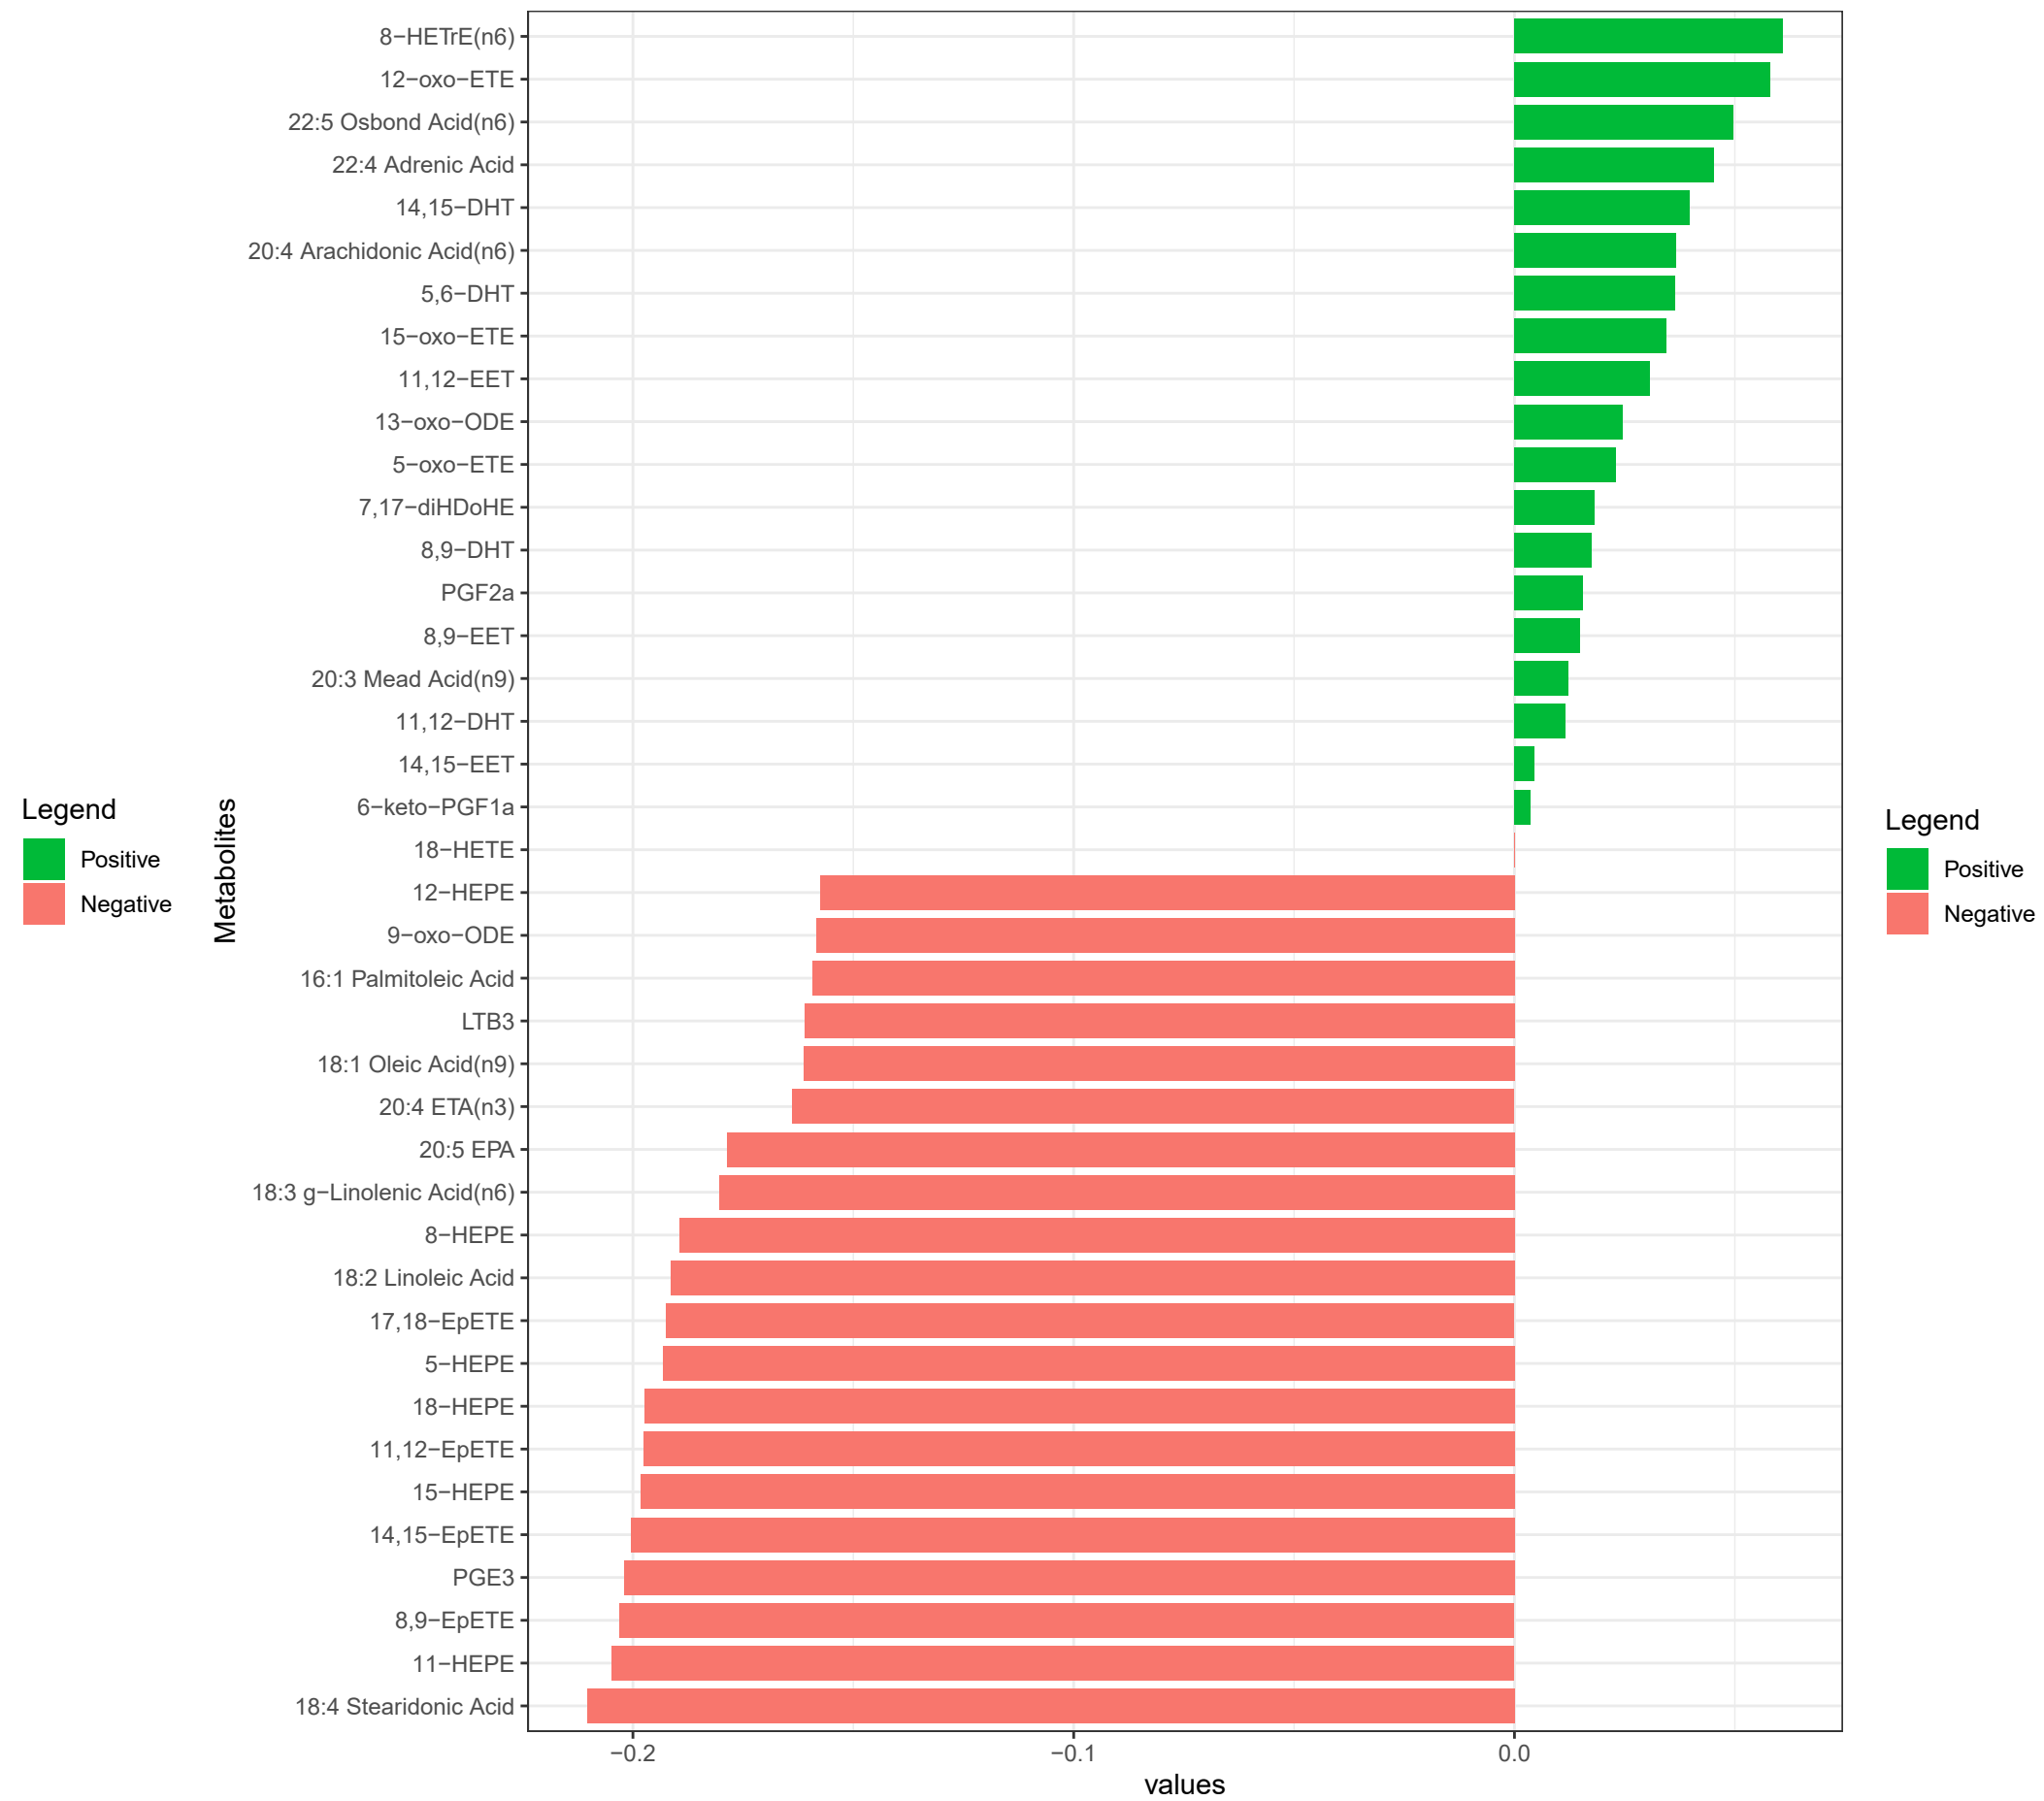

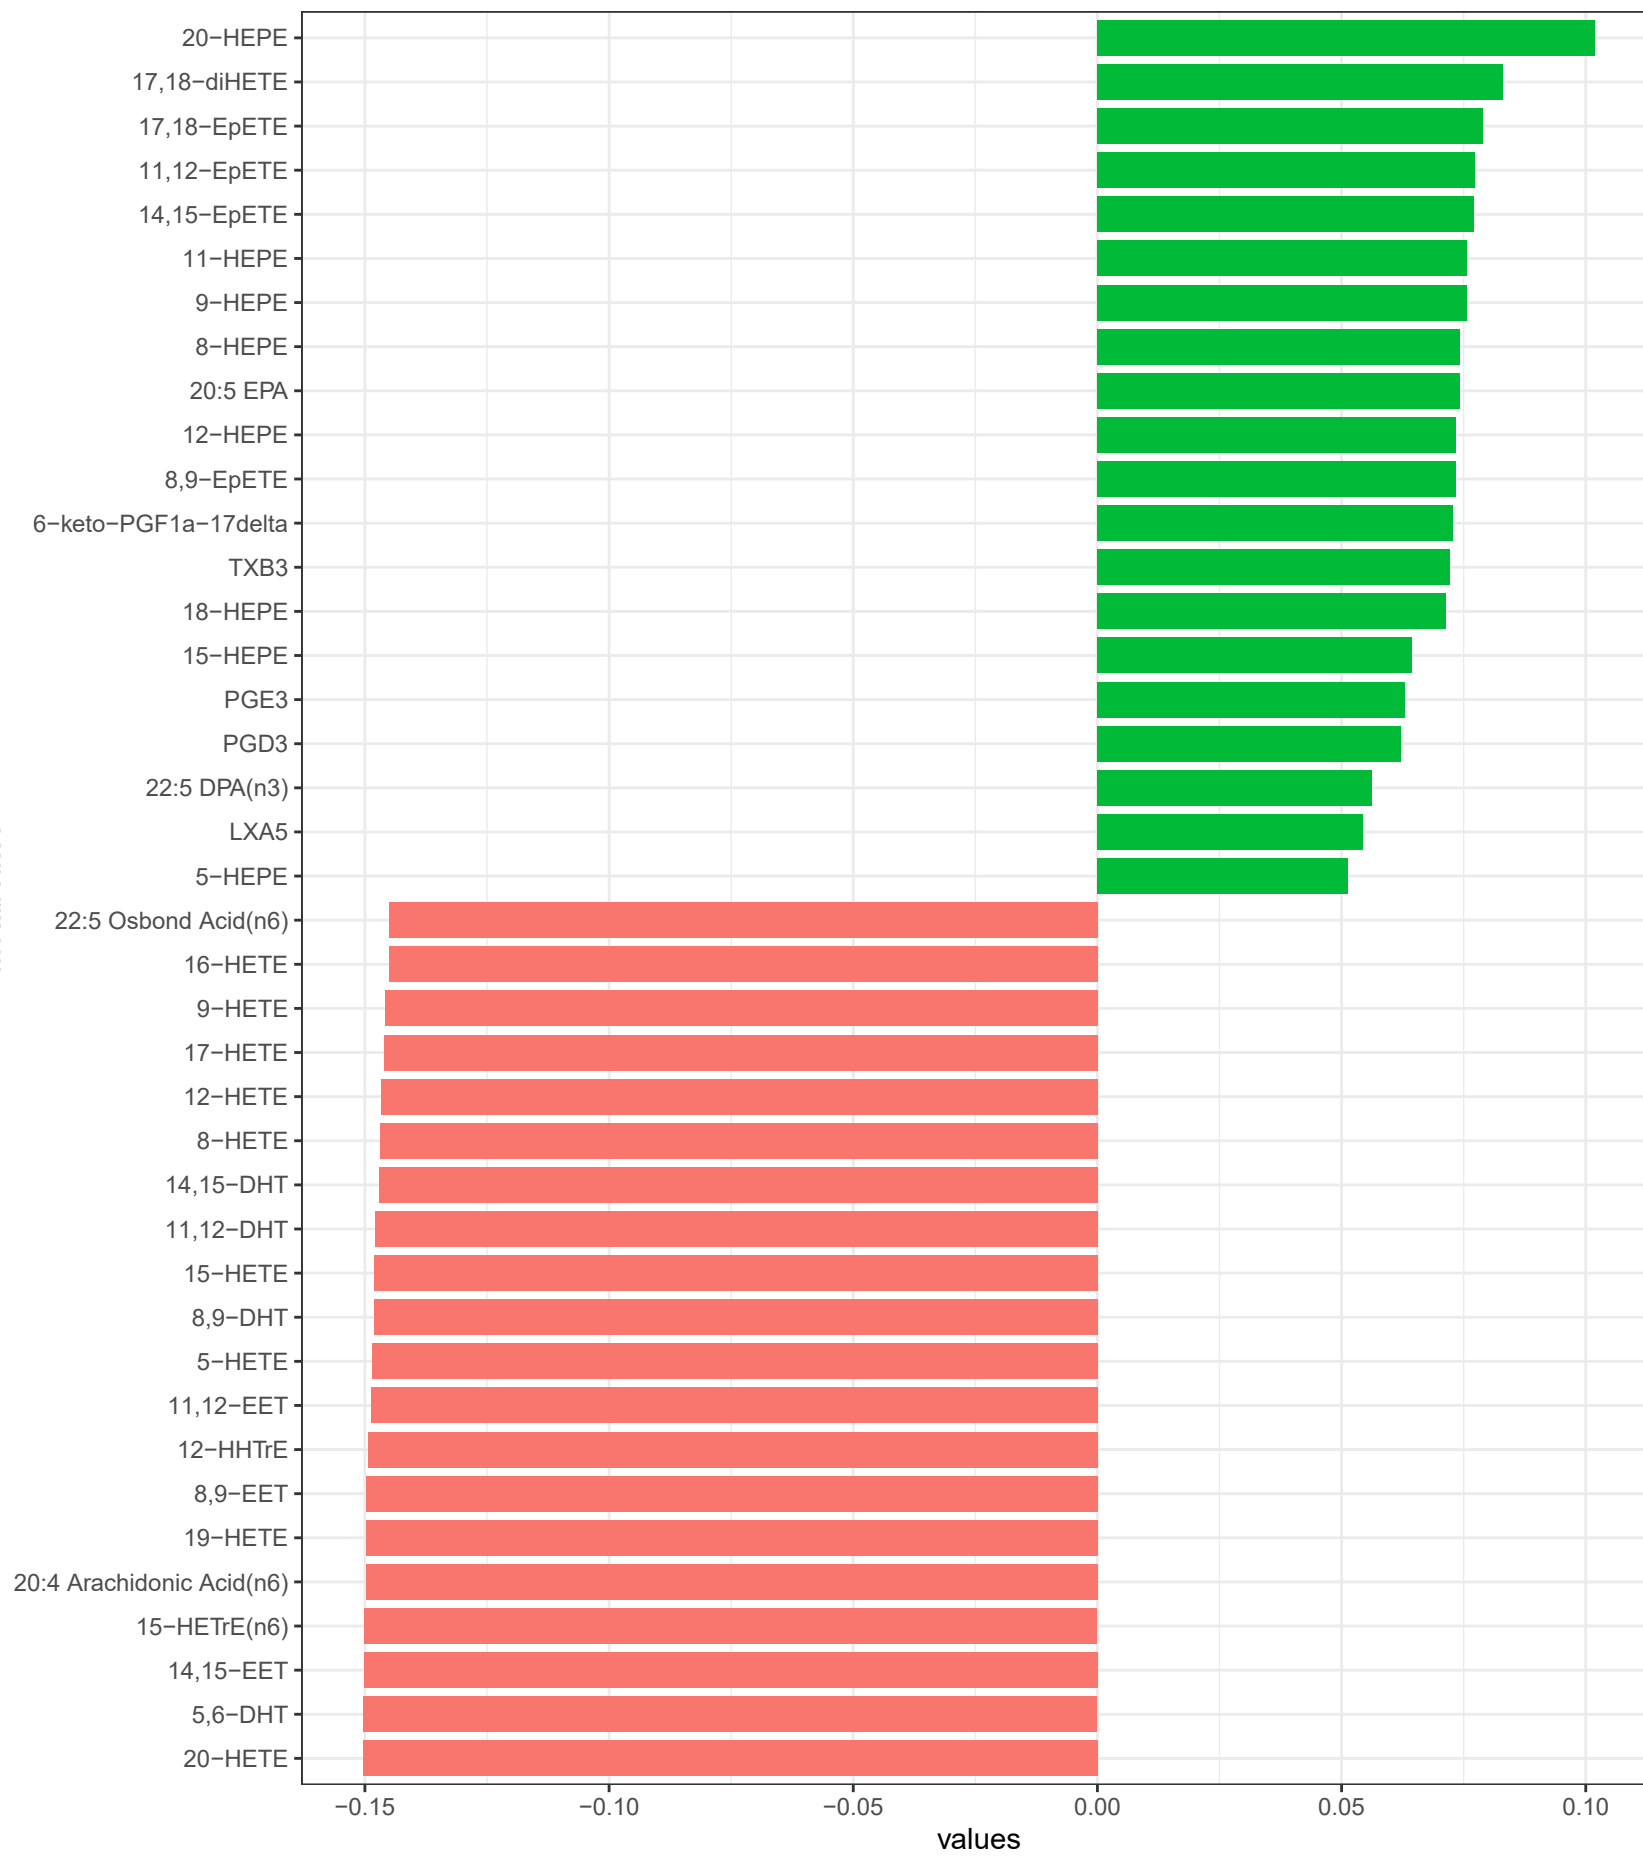

Targeted: Skeletal muscle PC1 loading plot for Top20 from max/min values

Targeted: Skeletal muscle PC2 loading plot for Top20 from max/min values

Targeted: Adipose PC1 loading plot for Top20 from max/min values
