The journal retracts the article entitled “Implementation of Stochastic Analysis in Corporate Decision-Making Models” [1].

Following publication, concerns were brought to the attention of the publisher relating to the appropriateness of the authorship list and the origins of this article.

Adhering to our complaints procedure, an investigation was conducted by the Editorial Office and Editorial Board with input from the Publication Ethics Commission of MGIMO University. Here, the Editorial Office, Editorial Board, and the Publication Ethics Commission were unable to confirm the contributions of the authors listed on this manuscript, nor could the origins of this study be verified. Consequently, the Editorial Office and Editorial Board follow the Publication Ethics Commission’s recommendation and retract this article [1] as per MDPI policy (https://www.mdpi.com/ethics#_bookmark30).

This retraction was approved by the Editor-in-Chief of the journal *Mathematics*.

Sebastian Kot did not agree to this retraction. Jin-Biao Lu, Zhi-Jiang Liu, Dmitry Tulenty, and Liudmila Tsvetkova did not provide a comment on this decision.
