

Supplemental Table S1: Articles excluded from the review with reasons

Reason for exclusion	References
Stress in cognitive tasks	[2, 6, 15, 17]
Conducted during extreme temperature (hot or cold)	[9-13]
Fitness measures used as predictors of stress	[1,8]
Anthropometric measures used as predictors of stress	[14]
Examined long-term deployment	[7]
Measures collected during graded exercise test	[16]
Outcome measures used to quantify stress	[4]
Stress as measure of infection	[5]
Measures collected to predict selection	[3]
