

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP marker

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Mapping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP marker

[illegible]

Supplementary Table 2 Genotyping information for identified and linkage mapped SSR and SNP markers
