Publisher's Note: About Issue 2, Volume 4, 2023

Shu-Kun Lin 

MDPI AG, Grosspeteranlage 5, 4052 Basel, Switzerland; lin@mdpi.com

According to our publication standards, each journal issue should contain at least one paper. However, we have found that Issue 2, Volume 4, 2023 of *Hearts* [1] is empty. In this case, the paper published on 29 June 2023 [2] should have been included in Issue 2, but was instead mistakenly assigned to Issue 3, which was released in September 2023.

As a result, several indexing services have delayed their coverage of *Hearts*.

We sincerely apologize for this error and any inconvenience it may have caused, and hope that the delays caused by this error can be quickly resolved.
