Statement of Peer Review †

Alessandra Toncelli 

Department of Physics, University of Pisa, Largo B. Pontecorvo 3, I-56127 Pisa, Italy; alessandra.toncelli@unipi.it

† All papers published in this volume are presented at the 4th International Online Conference on Crystals, 18–20 September 2024; Available online: <https://sciforum.net/event/iocc2024>.

In submitting conference proceedings to *Chemistry Proceedings*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to peer review administered by the volume editors. Reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal.

- Type of peer review: Single-blind.
- Conference submission management system: SuSy.
- Number of submissions sent for review: 3.
- Number of submissions accepted: 3.
- Acceptance rate (number of submissions accepted/number of submissions received): 100%.
- Average number of reviews per paper: 1.
- Total number of reviewers involved: 3.
- Any additional information on the review process: The review process was conducted in a single-blind manner, with the entire procedure administered through the MDPI Submission System. The evaluations were performed by reviewers from various universities and countries. Based on their feedback, revisions were made to each article, encompassing thorough examinations of the structure, content and writing.

Conflicts of Interest: The author declares no conflicts of interest.

Disclaimer/Publisher's Note: The statements, opinions and data contained in all publications are solely those of the individual author(s) and contributor(s) and not of MDPI and/or the editor(s). MDPI and/or the editor(s) disclaim responsibility for any injury to people or property resulting from any ideas, methods, instructions or products referred to in the content.
