

Supplementary S2. Search Returns and Outcomes for This Study of the Four Primary Databases, a Register, and a Supplementary Database

#	Title	Database	Journal	Excluded or Citation #
1	Logistical challenges with an emphasis on organizing specialized triage in the conditions of a newly emerging, epidemiologically significant infectious pathogen for humans -SARS-CoV2.	OVID	Pharmacia	
2	Prediction of clinical deterioration risk at 8 hours after arrival in emergency department in non-traumatic patients using trends in modified early warning score level	OVID	Hong Kong J Emerg Med	
3	Nurses' competence levels in disaster nursing management in Turkey: A comparative cross-sectional study.	OVID	Int Nurs Rev	
4	Digital Engagement Strategy and Health Care Worker Mental Health: A Randomized Clinical Trial	OVID	JAMA Netw Open	
5	"Breaking down in tears, soaked in sweat, and sick from the heat": Media-based composite narratives of first responders working during the 2021 Heat Dome	OVID	Am J Ind Med	
6	A Qualitative Study of Racial, Ethnic, and Cultural Experiences of Minority Clinicians During Agitation Care in the Emergency Department	OVID	Ann Emerg Med	
7	Abstracts Presented at the 24th Annual International Meeting on Simulation in Healthcare, January 20-24, 2024, San Diego, CA	OVID	Simul Healthc	
8	Impact of COVID-19 Pandemic on Emergency Medical Services	OVID	Emerg Health Serv J	
9	Development of an emergency medicine pharmacy intensity score tool	OVID	Am J Health Syst Pharm	
10	Poster abstracts	OVID	J Cereb Blood Flow Metab	
11	Impact of Disasters on Older Adult Cancer Outcomes: A Scoping Review.	OVID	JCO Glob Oncol	
12	Acute in-competition medical care at the Tokyo 2020 Olympics: a retrospective analysis	OVID	Br J Sports Med	
13	Impact of coronavirus disease 2019 on the mortality of patients who received emergency transportation: a population-based cross-sectional study	OVID	Acute Med Surg	
14	Changes in emergency department use in British Columbia, Canada, during the first 3 years of the COVID-19 pandemic	OVID	CMAJ	
15	The Eighth Annual Academic International Medicine Congress and Scientific Forum, July 14-16, 2023: Thinking Globally, Acting Locally	OVID	Int J Acad Med	
16	Casualty care implications of large-scale combat operations	OVID	J Trauma Acute Care Surg	
17	Emergency services in Pakistan: challenges, efforts, and recommendations: correspondence	OVID	Int J Surg Glob health	
18	Taiwan's National Health Insurance at the Emergency Department following the COVID-19 outbreak	OVID	Public Health Nurs	
19	SAEM23 Abstracts	OVID	Acad Emerg Med	
20	Does COVID Vaccination Prevent Car Crashes?	OVID	Intern Med Alert	
21	Systematic review with meta-analysis of mid-regional pro-adrenomedullin (MR-proadm) as a prognostic marker in Covid-19-hospitalized patients	PubMed	Ann Med	
22	Best Evidence Topic report: does blood group type O decrease the risk of severe COVID-19 infection?	PubMed	Emerg Med J	
23	Patient Admission and Mechanical Ventilator Allocation Decision-Making Processes by Frontline Medical Professionals in a Japanese ICU During the COVID-19 Pandemic: A Qualitative Study	Scopus	Qual Health Res	
24	Operational Status of Isolation Rooms in Emergency Departments and Patient Concentration in Higher-Level Emergency Departments in Daegu Metropolitan City and Neighboring Provinces, South Korea, during the COVID-19 Pandemic	Scopus	Int J Environ Res Public Health	
25	COVID-19 pandemic: ethical issues and recommendations for emergency triage	Scopus	Front Public Health	

26	Urinary N-Terminal Pro-Brain Natriuretic Peptide Predicts Acute Kidney Injury and Severe Disease in COVID-19	Scopus	Kidn Blood Press Res	
27	Clinical and economic impact of a community-based, hybrid model of in-person and virtual care in a Canadian rural setting: A cross-sectional population-based comparative study	Scopus	BMJ Open	
28	COVID-19 pandemic impact on primary care emergency services activity: Comparative study between 2019 and 2020 periods [Impacto de la pandemia de la COVID-19 en la actividad de los servicios de urgencias de atención primaria: estudio comparativo entre periodos de 2019 y 2020]	Scopus	Aten Primaria	
29	Effect of a Senior Cardiology Nursing Role on Streamlining Assessment of Emergency Cardiology Presentations During COVID-19: An Observational Study	Scopus	Heart Lung Circ	
30	Outcomes in novel hospital-at-home model for patients with COVID-19: a multicentre retrospective cohort study	Scopus	Fam Pract	
31	Ethical Management of COVID-19 Pandemic at a Neurological Hospital: The Ethicovid Report	Scopus	J Neurosurg Anesthes	
32	Using geographic rescue time contours, point-of-care strategies, and spatial care paths to prepare island communities for global warming, rising oceans, and weather disasters	Scopus	BMC	
33	Primum non Nocere: How to ensure continuity of care and prevent cancer patients from being overlooked during the COVID- 19 pandemic	Scopus	Canc Med	
34	External validation of triage tools for adults with suspected COVID-19 in a middle-income setting: An observational cohort study	Scopus	Emerg Med J	
35	Emergency Medicine Residents' Perceptions of Working and Training in a Pandemic Epicenter: A Qualitative Analysis	Scopus	West J Emerg Med	
36	Use of clinical pathways integrated into the electronic health record to address the coronavirus disease 2019 (COVID-19) pandemic	Scopus	Infect Cont Hosp Epidem	
37	Teledentistry and management protocol in a pediatric dental department during the first COVID-19 lockdown	Scopus	Arch Pediatr	
38	Resource allocation decisions under pandemic conditions: A cross-sectional survey of Ontario physicians	Scopus	Med (Balt)	
39	Optimising Cardiology Ambulatory Care Pathways: A Comprehensive Approach to Admission Avoidance and Timely Intervention in a Post-Pandemic Healthcare Landscape	Scopus	Acute Med J	
40	Centralizing Telehealth Test-to-Treat Through a Regional Clinical Contact Center: A Veterans Health Administration Pilot	Scopus	Telemed e-Health	
41	The Maryland (USA) Critical Care Coordination Center (C4): From Pandemic to Permanence	Scopus	Prehosp Disaster Med	
42	Violent Experiences Suffered by Pre-Hospital Healthcare Workers During the COVID-19 Pandemic	Scopus	Disaster Med Public Health Prep	
43	Effect of coronavirus (COVID-19) pandemic on orthopedic trauma patients presenting in the emergency department of a maximum care hospital and level 1 trauma center	Scopus	Arch Orthop Trauma Surg	
44	Evaluation of a virtual ward model of care and readmission characteristics during the COVID-19 pandemic within an Australian tertiary hospital	Scopus	Intern Med J	
45	Reverse shock index multiplied by simplified motor score as a predictor of clinical outcomes for patients with COVID-19	Scopus	BMC Emerg Med	
46	Correlates of the Veterans Visiting Emergency Departments in Taiwan: A Comparison Before and After the Coronavirus Disease 2019 Pandemic	Scopus	Mil Med	Duplicated with Google Scholar
47	Utility of emergency department triage tools in predicting the need for intensive respiratory or vasopressor support in adult patients with COVID-19	Scopus	Am J Emerg Med	
48	Implementation of geriatric screening in the emergency department using the Consolidated Framework for Implementation Research	Scopus	Acad Emerg Med	

49	TeleEMS: An EMS Telemedicine Pilot Program Barriers to Implementation: (Preliminary Investigation)	Scopus	Prehosp Emerg Care
