Message from the Editor-in-Chief

Agriculture (ISSN 2077-0472) is an international, cross-disciplinary and scholarly journal on the science and technology of crop and animal production, and management of the natural resource base for agricultural production. We invite submissions from authors according to the aims and scope of the journal described in more detail on this page. *Agriculture* is published in an open access format – articles are published on the journal's website immediately after acceptance, giving the scientific community and the public unlimited and free access to the content.

Editor-in-Chief

Prof. Dr. Les Copeland

Associate Editors

Prof. Dr. Bin Gao
Prof. Dr. Urs Feller

Aims

Agriculture will publish research papers, short communications and review papers. There is no restriction on the maximum length of the papers. our aim is to encourage scientists to publish their experimental and theoretical research in as much detail as necessary. Full experimental and/or methodical details must be provided for research articles. All submissions should be prepared in accordance with the Instructions for Authors mdpi.com/journal/agriculture/instructions.
