

Special Issue

Agriculture: 10th Anniversary

Message from the Guest Editors

The MDPI journal *Agriculture* is a peer-reviewed, open access journal inaugurated in 2011. Since then, it has been serving as an international research forum for agricultural scientists and engineers. *Agriculture* has high visibility and has been indexed within Scopus, SCIE (Web of Science), AGRICOLA, AGRIS, RePEc, and many other databases. It has an impact factor (2020) of 2.925 and is ranked 20/91 (Q1) in the category "Agronomy". To celebrate its 10th anniversary, *Agriculture* has organized this Special Issue in which all researchers in the field of agricultural and food science are invited to submit a full paper. Specific topics of interest include but are not limited to the science and technology of crop and animal production, biosecurity, and postharvest handling of produce, agricultural technology, management of the natural resource base for agricultural production (land, soil and water), rural management and agricultural development, and agriculture in changing environments.

Guest Editors

Prof. Dr. Bin Gao

About the Journal

Message from the Editor-in-Chief

Agriculture (ISSN 2077-0472) is an international, crossdisciplinary and scholarly open access journal on the science and technology of crop and animal production, and management of the natural resource base for agricultural production. *Agriculture* is published in an open access format – research articles, reviews and other contents are released on the internet immediately after acceptance. The scientific community and the public have unlimited and free access to the content as soon as it is published.

Editor-in-Chief

Prof. Dr. Les Copeland
Sydney Institute of Agriculture, School of Life and Environmental
Sciences, The University of Sydney, Sydney, NSW 2006, Australia

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubAg, AGRIS, RePEc, and other databases.

Journal Rank:

JCR - Q1 (Agronomy) / CiteScore - Q1 (Plant Science)
