

## Special Issue

# Perennial Grasses for Energy and Other Biomass-Based Applications

### Message from the Guest Editor

For this Special Issue, you are invited to share your recent advances in research and development in various fields of perennial grass applications. Review papers are also welcome. Submissions are welcome on topics including (but not limited to) the following suggestions: (1) grass genetics and breeding for new applications; (2) lignocellulosic biomass for agriculture and industry; (3) grass biomass in modern applications; and (4) economic aspects of grass biomass cultivation and processing.

### Guest Editor

Prof. Dr. Grzegorz Żurek

Department of Bioenergetics, Quality Analysis and Seed Science, Plant Breeding and Acclimatization Institute-National Research Institute in Radzików, 05-870 Błonie, Poland

### Deadline for manuscript submissions

## About the Journal

### Message from the Editor-in-Chief

*Agronomy* draws together researchers from diverse areas of agricultural research with a common aim of enhancing agricultural productivity globally. The journal provides unlimited free access to all those interested in advancing agricultural science from both the research and general community. Papers are released immediately after acceptance through the internet.

*Agronomy* is supported by our authors and their institutes through low article processing charges (APC) for accepted papers. We hope you will support the journal by becoming one of our authors.
