10th Anniversary of *Applied Sciences* - Emerging Applications in Recent 2 Years

Message from the Guest Editor

Applied Sciences is going to reach a remarkable milestone by publishing its 10th volume and, in celebration of this special occasion, we have taken the initiative to launch a Special Issue called "10th Anniversary of *Applied Sciences*". We would like to invite you to contribute an original research paper or a comprehensive review article on a trendy or hot topic for peer-review and possible publication.

About the Journal

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Editor-in-Chief
