

Special Issue

Advanced Computational and Linguistic Analytics

Message from the Guest Editors

This Special Issue aims to expand the understanding of the role of advanced computational and linguistic analytics in a variety of application contexts. We invite researchers to contribute original, innovative, and state-of-the-art research articles, as well as review articles. When your paper is ready or need more information, please browse and submit it via https://www.mdpi.com/journal/applsci/special_issues/advanced_computational

Guest Editors

Dr. Adegboyega Ojo

Management and Government Information Systems, Maynooth University School of Business, Maynooth, Co. Kildare W23 WK26, Ireland

Dr. Rizun Nina

Faculty of Management and Economics, Department of Informatics in Management, Gdansk University of Technology, G. Narutowicza 11/12, 80-233 Gdańsk, Poland

Deadline for manuscript submissions

closed (20 January 2023)

About the Journal

Message from the Editor-in-Chief

As the world of science becomes ever more specialized, researchers may lose themselves in the deep forest of the ever increasing number of subfields being created. This open access journal Applied Sciences has been started to link these subfields, so researchers can cut through the forest and see the surrounding, or quite distant fields and subfields to help develop his/her own research even further with the aid of this multi-dimensional network.

Editor-in-Chief

Prof. Dr. Giulio Nicola Cerullo
Dipartimento di Fisica, Politecnico di Milano, Piazza L. da Vinci 32,
20133 Milano, Italy

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), Inspec, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Engineering, Multidisciplinary) / CiteScore - Q1 (General Engineering)
