Special Issue

Selected Papers from the 4th International Electronic Conference on Brain Sciences

Message from the Guest Editor

You are invited to participate in the 4th International Electronic Conference on Brain Sciences. This event aims to bring together researchers in the field of neuroscience to present and discuss recent contributions without the need for travel. Live sessions will also be held during this e-conference. The field of neuroscience is one of the last frontiers in biomedical studies, as many of the details that control brain function remain obscure. This makes the study of the nervous system very exciting and fast-moving. This conference will address a variety of research topics that reflect current areas of focus. Please learn more about the conference at https://iecbs2024.sciforum.net/.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Brain Sciences* (ISSN 2076-3425). *Brain Sciences* is an open access, peer-reviewed scientific journal that publishes original articles, critical reviews, research notes, and short communications on neuroscience. The scientific community and the general public can access the content free of charge as soon as it is published.

Author Benefits

High Visibility:
indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, PSYNDEX, PsycInfo, CAPlus / SciFinder, and other databases.

Rapid Publication:
manuscripts are peer-reviewed and a first decision is provided to authors approximately 12.9 days after submission; acceptance to publication is undertaken in 2.5 days (median values for papers published in this journal in the first half of 2024).

Recognition of Reviewers:
reviewers who provide timely, thorough peer-review reports receive vouchers entitling them to a discount on the APC of their next publication in any MDPI journal, in appreciation of the work done.
