Special Issue

Women in Brain Science: Achievements, Challenges and Perspectives

Message from the Guest Editors

To celebrate and highlight the achievements of women in the research area of brain science, it is our pleasure to present this special collection of articles, highlighting the achievements of women scientists in the field of brain science from all around the world. We also hope that this Special Issue will further encourage and promote the scientific contributions of female researchers in this field. We cordially invite researchers to submit their work on topics across all areas of brain science. Review articles, original research papers, and communications are all welcome. Articles for which women are lead or senior authors are encouraged. We welcome submissions from all authors, irrespective of gender.
