Message from the Editor-in-Chief

Clinics and Practice is an international, scientific, peer-reviewed, open access journal of clinical medicine, published bimonthly online by MDPI.

Thanks to our incredibly proactive team, this journal is fast-becoming a relevant scientific publication with increasing impact. Our first success was the recent acquisition of an impact factor, but many others will follow. Please take this opportunity to publish your scientific results with us. If you want to go far, join us.

Associate Editor

Aims

Clinics and Practice (ISSN 2039-7283) is an open access journal that provides an advanced forum for studies related to clinical medicine. It publishes original articles, reviews, clinical reports, and communications, as well as Special Issues on particular subjects. Our journal welcomes contributions focusing on patients, procedures, and treatments with a particular emphasis on the clinical aspects. We encourage scientists to publish their results in as much detail as possible. Therefore, the journal has no restriction on the maximum length of the papers.

Clinics and Practice aims at creating an innovative, rapid, and collaborative environment intended to help healthcare professionals find the latest advances in their fields of expertise.
