Selected Papers from the Computer Graphics & Visual Computing (CGVC 2018)

Message from the Guest Editors

Computer Graphics & Visual Computing (CGVC) 2018, hosted by Swansea University in the UK, 13–14 September, 2018, is the 36th annual gathering on computer graphics, visualization, and visual computing, organized by the Eurographics UK Chapter. Selected papers that are presented at the conference are invited to be submitted as extended versions to this Special Issue of the journal *Computers* after the conference. Submitted papers should be extended to the size of regular research or review articles, with a 50% extension of new results. All submitted papers will undergo a standard peer-review procedure. Accepted papers will be published in open access format in *Computers* and will be collected on this Special Issue website. There are no page/publication charges for this Special Issue.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article, a comprehensive review or a software paper for consideration and publication in Computers (ISSN 2073-431X). Computers is an international, peer-reviewed, open access journal which provides an advanced forum for computer sciences. Computers is published in open access format—research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.
