

## Special Issue

# Esthetic Dentistry: Current Perspectives and Future Prospects

### Message from the Guest Editor

We are pleased to announce a Special Issue "Esthetic Dentistry: Current Perspectives and Future Prospects" and invite you to submit your work for consideration. This issue will showcase the latest developments, methods, and trends in the field of esthetic dentistry. We are looking for original research papers, clinical case reports, review articles, and novel approaches that cover various aspects of esthetic dentistry. Potential topics include, but are not limited to:

- esthetic dentistry
- ceramics
- composite layering
- veneers
- crowns
- dental implants
- CAD/CAM dentistry
- digital dentistry
- minimally invasive dentistry
- crown lengthening

## About the Journal

### Message from the Editor-in-Chief

The *Dentistry Journal* (ISSN 2304-6767) is an official, peer-reviewed publication of MDPI, which transmits original papers as well as review articles from the entire field of dentistry to the scientific community. The *Dentistry Journal* supports scientific innovations, and clinical and experimental research within the whole field of dentistry and its related areas. The *Dentistry Journal* in particular supports interdisciplinary and translational studies. The *Dentistry Journal* provides a unique opportunity to contribute high quality articles and to take advantage of its large readership.
