

Special Issue

Globalisation, Environmental Sustainability, and Green Growth

Message from the Guest Editors

The purpose of this Special Issue is to examine the complex interrelationships among green growth, environmental sustainability and globalisation. Submissions for this Special Issue can discuss, but are not limited to, the following topics:

- How can globalisation be used to promote green growth?
- The role of globalisation in economic growth vs. sustainable development.
- Measuring green GDP: beyond traditional economic metrics.
- Globalisation pathways and their environmental impacts.
- What lessons can be drawn from successful green growth initiatives?
