

## Special Issue

# Selected Papers from the 2022 IEEE International Conference on High Voltage Engineering (ICHVE 2022)

### Message from the Guest Editors

The 2022 IEEE International Conference on High Voltage Engineering (ICHVE 2022) was held on 26–29 September 2022 in Chongqing, China. It was organized by Chongqing University (China) and endorsed by the IEEE Dielectrics and Electrical Insulation Society (DEIS). This conference (<http://www.ichve2022.org/>) has attracted a great deal of attention from international researchers in the field of high-voltage engineering. This forum not only provided an excellent platform to share knowledge and experiences on high voltage engineering, but also provided the opportunity to present the latest achievements in power engineering, including topics such as ultra-high voltage, smart grids, and new insulation materials and their dielectric properties. Now, there is an opportunity to publish your paper in *Energies*.

### Guest Editors

Prof. Dr. Feipeng Wang

State Key Laboratory of Power Transmission Equipment & System Security and New Technology, Chongqing University, Chongqing 400044, China

Prof. Dr. Issouf Fofana

Aging of Power Network Infrastructure (VIAHT), Université du Québec à Chicoutimi (UQAC), Chicoutimi, QC G7H 2B1, Canada

### Deadline for manuscript submissions

closed (15 June 2024)

## About the Journal

### Message from the Editor-in-Chief

*Energies* is an international, open access journal in energy engineering and research. The journal publishes original papers, review articles, technical notes, and letters. Authors are encouraged to submit manuscripts which bridge the gaps between research, development and implementation. The journal provides a forum for information on research, innovation, and demonstration in the areas of energy conversion and conservation, the optimal use of energy resources, optimization of energy processes, mitigation of environmental pollutants, and sustainable energy systems.

### Editor-in-Chief

Prof. Dr. Enrico Sciubba

Department of Mechanical and Aerospace Engineering, University of Roma Sapienza, Via Eudossiana 18, 00184 Roma, Italy

---

### Author Benefits

#### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, RePEc, Inspec, CAPlus / SciFinder, and other databases.

#### Journal Rank:

CiteScore - Q1 (Control and Optimization)
