# Message from the Editor-in-Chief

*Epidemiologia* is an international, peer-reviewed, open access, multidisciplinary journal that focuses on the latest outstanding research in epidemiology. Researchers in academic and clinical settings as well as health professionals are encouraged to publish research articles, short communications, and review articles. We welcome the broad research community with expertise in epidemiology to contribute to the development of this platform, with the shared goal of accelerating the advancement of scientific knowledge in the field all over the world.
