

Special Issue

Corporate Governance, Digital and Money Economy

Message from the Guest Editors

The purpose of this Special Issue is to indicate the principles, role, essence and mechanisms of corporate governance in the modern economy. In addition, this Special Issue aims to identify the importance of corporate governance in the pursuit of sustainable development of entities and their risk management. The scope of this Special Issue includes the following topics:

- Different perceptions of corporate governance in the world;
- The process of building corporate governance;
- Corporate governance from the perspective of: market participants, consumers, investors, audit firms, among others;
- Corporate governance and its importance during economic and financial crises;
- Corporate governance and its relevance to various financial security risks;
- Ethics and trust in corporate governance;
- Risk and its relation to corporate governance;
- Promotion of corporate governance.
