# Advances in Plant Science Research: Celebrating Nanjing Forestry University's 120th Anniversary

### Message from the Guest Editors

Nanjing Forestry University (NFU) is celebrating its 120th anniversary in 2022. NFU was evolved to Nanjing Forestry College in 1952 from the Forest Departments of Central University (founded in 1902) and the University of Nanking (founded in 1910). In 2017, NFU entered into the list of "Double First-Class" University. In the fourth round of China's national assessment of disciplines, two of NFU's first-level disciplines, Forestry and Forestry Engineering, were rated "A+". In recognition of these achievements, we would like to invite you to contribute an original research paper or a comprehensive review article in the broad scope of plant sciences for peer review and possible publication. Possible topics include, but are not limited to: Dendrology, systematics, phylogenetics, and biogeography Plant ecology, and biodiversity, including invasive biology and conservation biology Structure, physiology, and development, including Evo-Devo Plant genetics and variation, including genomics, proteomics, metabolomics, and bioinformatics Plan ecology and evolution, including plant-soil/plant-animal interactions Plants and human health, including plant

### Guest Editors

Prof. Dr. Yanming Fang

Prof. Dr. Fuyuan Zhu

Prof. Dr. Yong Yang

### Deadline for manuscript submissions

closed (30 April 2023)

## About the Journal

### Message from the Editorial Board

*Forests* (ISSN 1999-4907) is an international and cross-disciplinary, scholarly forestry journal. The distinguished editorial board and refereeing process ensures the highest degree of scientific rigor and review of all published articles. Original research articles and timely reviews are released online, with unlimited free access. Our goal is to have *Forests* be recognized as one of the foremost publication outlets for high quality, leading edge research in this broad and diverse field. We therefore invite you to be one of our authors, and in doing so share your important research findings with the global forestry community.

### Editors-in-Chief

Prof. Dr. Cate Macinnis-Ng

Department of Biological Sciences, Faculty of Science, University of Auckland, Private Bag 92019, Auckland 1142, New Zealand

Prof. Dr. Giacomo Alessandro Gerosa

Department of Mathematics and Physics, Catholic University of Brescia, I-25121 Brescia, Italy

---

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, GEOBASE, PubAg, AGRIS, PaperChem, and other databases.

#### Journal Rank:

JCR - Q1 (Forestry) / CiteScore - Q1 (Forestry)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.9 days after submission; acceptance to publication is undertaken in 2.5 days (median values for papers published in this journal in the first half of 2024).
