

Special Issue

Transcultural Migrations for Health Professions

Message from the Guest Editors

It is our pleasure as Editors to invite you to submit your articles to this Special Issue, which aims to disseminate evidence on the subjects driven by the significant changes caused by COVID-19 and globalization in the health professional migrations. This Special Issue aims to broadcast data on the changes and challenges affecting health professionals in the current worldwide post-Covid-19 scenario. In this Special Issue, original research articles and reviews are welcome. The research areas may include, but are not limited to, the following: Brain drain, credentialing, codes of ethics, economics of migration, healthcare professionals, mutual recognition, nurse migration, nurse mobility, regulation.
