

Special Issue

Non-pharmacological Approaches and Their Impact on Noncommunicable Diseases

Message from the Guest Editor

The special issue “Non-pharmacological approaches and their impact on noncommunicable diseases” is open a place to submit original works, systematic reviews and meta-analysis that may provide relevant evidence about (but not exclusively): (i) effects of combined or isolated educational programmes in children, youth, adults, older and clinical populations and the effects on health; and (ii) combined or isolated effects of physical activity and exercise, diet and supplementation, physiological interventions on health of children, youth adults, older and clinical populations.

Guest Editor

Dr. Markel Rico-González

Department of Physical Education and Sport, University of the Basque Country, UPV/EHU, 01007 Vitoria-Gasteiz, Spain
