

## Special Issue

# Dry Eye and Ocular Surface Disorders 4.0

### Message from the Guest Editors

In this Special Issue, we seek important research findings, including new findings in the fields of ocular surface and dry eye disease. Our aim is to broaden the direction and possibilities of dry eye research. We are very much looking forward to receiving your invaluable submissions to this Special Issue.

## About the Journal

### Message from the Editor-in-Chief

The International Journal of Molecular Sciences (*IJMS*, ISSN 1422-0067) is an open access journal, which was established in 2000. The journal aims to provide a forum for scholarly research on a range of topics, including biochemistry, molecular and cell biology, molecular biophysics, molecular medicine, and all aspects of molecular research in chemistry. *IJMS* publishes both original research and review articles, and regularly publishes special issues to highlight advances at the cutting edge of research. We invite you to read recent articles published in *IJMS* and consider publishing your next paper with us.
