

Special Issue

Clinical Treatment and Management of Orthopedic Trauma

Message from the Guest Editors

This Special Issue of the *Journal of Clinical Medicine* titled 'Clinical Treatment and Management of Orthopedic Trauma' will be a comprehensive collection of research and articles focusing on advancements in the field of orthopedic trauma. It aims to bring together expert perspectives and cutting-edge studies to provide valuable insights into the diagnosis, treatment, and management of various musculoskeletal injuries. The included research will cover a wide range of topics, including fracture management, clinical surgeries, and rehabilitation strategies. Novel approaches such as minimally invasive surgeries, advanced imaging technologies, and regenerative therapies will be discussed, highlighting their potential in improving patient outcomes and enhancing recovery. We invite researchers in the field of musculoskeletal injuries to submit their original research work to this Special Issue which will provide a comprehensive understanding of orthopedic trauma from a wide spectrum of perspectives.

About the Journal

Message from the Editorial Board

There has been an explosion of gene and target based research and therapeutics in the multitude of fields that compose clinical medicine. The *Journal of Clinical Medicine's* (JCM) staff and editorial board are dedicated to providing cutting edge, timely, and peer-reviewed articles covering the diverse subspecialties of clinical medicine. The journal publishes concise, innovative, and exciting research articles as well as clinically significant articles and reviews that are pertinent to the myriad of disciplines within medicine. The articles published are relevant to both primary care physicians and specialists. The journal's full-texts are archived in PubMed Central and indexed in PubMed. Please consider submitting your manuscripts for publication to our journal and check us out on-line!

Editors-in-Chief

Prof. Dr. Emmanuel Andrès

Internal Medicine Department, University Hospital Strasbourg, 67000
Strasbourg, France

Prof. Dr. Kent Doi
